

Works Notice

October 2020

Construction update Roma Street to Mayne Yard

From November 2020, the UNITY Alliance will continue construction between Roma Street and Mayne Yard as part of the Cross River Rail project.

Details of work

The activities outlined below are scheduled to occur between Saturday 7 November and Monday 9 November 2020, weather and construction conditions permitting. These activities will occur outside the project's normal working hours but are timed to take place within a planned weekend track closure, as outlined below:

Location	Date and hours of work	Type of work
Rail corridor between Roma Street and Mayne Yard (Bowen Hills)	Intermittently between 2:00am Saturday 7 November and 2:00am Monday 9 November 2020	<ul style="list-style-type: none"> • Earthworks and drainage installation • Cable route installation • Signalling works • Installation of electrical masts • Bridge pier protection works

What to expect

During these works you may notice some intermittent disruptions such as:

- Light vehicles, trucks and machinery including excavators, mobile cranes, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light the work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Access to site will be via Lanham Street and Gregory Terrace
- Some increased levels of noise, vibration and dust associated with the use of heavy machinery and equipment.

Please plan your journey and allow additional time if travelling through the area. We appreciate your patience during construction and will continue to update you as work progresses.

Cross River Rail is Queensland's largest rail infrastructure project. During construction of this project, there may be some disruption to your normal services, so plan your journey at translink.com.au or call 13 12 30.
