### Temporary traffic changes – Fairfield Road southbound slow lane

### What to expect

During these works you may notice some intermittent disruptions such as:

- Light vehicles, trucks and machinery including excavators, frontend loader, vacuum truck, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light work areas at night
- Temporary traffic changes and reduced speeds
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with the use of heavy machinery and equipment
- Placement of temporary fencing around construction areas.

**Cross River Rail is Queensland's largest rail infrastructure project. Works are outside of peak times to minimise disruption, so if travelling on weekends, or after 9pm on weeknights, plan your journey at [translink.com.au](http://translink.com.au), or call 13 12 30.**

**If you would like to speak with a member of the UNITY Alliance Project Team about these planned works, please contact 1800 010 875 or email [info@unityalliance.com.au](mailto:info@unityalliance.com.au) anytime for more personalised consultation.**

We appreciate your patience during construction and will continue to update you as work progresses.
