

Works Notice

December 2020

Construction update - Yeronga station

During December 2020 and January 2021, UNITY Alliance will continue work at Yeronga station for construction of the Cross River Rail project.

Details of work

The following activities are scheduled to occur between December 2020 and January 2021:

- Continuing with site establishment activities near the Yeronga station entry on Lake Street including the installation of shade cloth, signage and fencing, site office buildings fit out and connection of services (e.g. water, power and communications)
- Previously notified watermain works have been rescheduled to be undertaken in January-February 2021. The project team will provide an updated notification closer to the works commencing.

Temporary pedestrian and traffic changes – Lake Street, Yeronga

Temporary traffic changes have been implemented on Lake Street and Killarney Street as part of the Yeronga station site establishment. These changes include removal of on-street parking and the narrowing of Lake Street traffic lanes to allow room for site offices and laydown areas.

During construction, pedestrians and commuters are reminded to please use the footpath on the eastern side of Lake Street, between Christensen Street and Killarney Street, Yeronga (please see map below).

What to expect

During these works you may notice some intermittent disruptions such as:

- Light vehicles, trucks and machinery including; mobile crane, vacuum truck, small power tools, drills, saws and minor vibrating equipment
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with the use of machinery and equipment
- Placement of temporary fencing around construction areas.

Christmas shutdown

UNITY Alliance will close works at Yeronga Station for the Christmas period between Saturday 19 December 2020 and Monday 4 January 2021.

There are other construction activities occurring across the network which means changes will occur to existing train services over Christmas. Between Friday 25 December and Tuesday 29 December buses are replacing trains on a number of lines into the city. If you need to know more and plan ahead, <https://translink.com.au/service-updates/296521>

We appreciate your patience during construction and will continue to update you as work progresses.

Project information

Subscribing to receive Project Updates and information on construction works is a convenient way to keep up to date with the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the subscription area at the bottom of every page.
