Construction update Mayne Yard North

Between January 2021 and February 2021, the UNITY Alliance will continue work in the Queensland Rail Mayne Yard North stabling facility for construction of the Cross River Rail project.

Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday between January 2021 and February 2021:

- Delivery trucks and workers' vehicles entering Mayne Yard North via the existing access road through Lanham Street, Bowen Hills
- Earthworks and installation of stormwater drainage using heavy equipment such as excavators, vacuum trucks and tip trucks
- Installation of new stabling yard perimeter security fencing
- Installation of new public utilities (power, water and sewer) to accommodate new train crew facilities
- Piling and concrete works for retaining walls necessary for the construction of new access roads and overpasses
- Ongoing installation of cable routes and pits within the rail corridor
- Surveying and investigating underground services, such as water, electricity and gas.

Out of hours work

The activities outlined below will occur outside the project's normal working hours but are timed to coincide with existing Queensland Rail works where possible, weather and construction conditions permitting.

Location	Date and hours of work	Type of work
Mayne Yard, Bowen Hills	Night shift works will occur between 10:00pm and 6:00am – Sunday 3 to Sunday 31 January 2021	<ul style="list-style-type: none"> • Directional drilling under track crossing for new cable routes • Installation of cable routes and pits within the rail corridor • Pulling new cables in conduits.

What to expect

During these works you may notice some intermittent disruptions such as:

- Light vehicles, trucks and machinery including excavators, auger, vacuum trucks, directional drilling rigs, concrete trucks, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light the work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Access to site will be via Lanhan Street, Bowen Hills
- Some increased levels of noise, vibration and dust associated with the use of heavy machinery and equipment.

We appreciate your patience during construction and will continue to update you as work progresses.
