Rescheduled: Victoria Park shared user path diversion

The Victoria Park shared user path behind Brisbane Girls Grammar School will be temporarily closed to enable the relocation of a sewer main. Pedestrians and cyclists will be diverted via Gregory Terrace and College Road during the closure.

The closure of the Victoria Park shared user path has been rescheduled to occur **from Saturday 9 January 2021 until late January 2021**.

A temporary cycle lane will be established in the kerbside lane along Gregory Terrace and College Road until late January 2021. Temporary traffic, parking and public transport changes will be required to establish this cycle lane.

Work is subject to relevant approvals and suitable weather conditions. Should this work be postponed, the closure of the shared user path will occur from Monday 11 January 2020.

Traffic and parking changes

From **Thursday 7 January 2021 until late January 2021**, the following temporary traffic and parking changes will be made on **Gregory Terrace and College Road** to enable implementation of the temporary cycle lane:

- Closure of the kerbside lane on Gregory Terrace and College Road for the length of the diversion route. Vehicle access along both streets will be maintained
- Installation of temporary traffic barriers along the diversion route to delineate the temporary cycle lane
- Installation of additional kerb ramps.

The parking spaces on the northern side of Gregory Terrace between Fortescue and Parish streets will remain closed to enable implementation of the temporary cycle lane **until late January 2021**.

These temporary changes will be removed upon completion of the work. Access to properties will be maintained. Refer to the map overleaf for the location of these temporary changes.

Public transport changes

The following bus stops will be temporarily relocated to alternative locations **until late January 2021**:

- Stop 3B College Road
- Stop 4 and 5 Gregory Terrace

Refer to the map overleaf for temporary bus stop changes. To plan your journey at translink.com.au or via the **MyTranslink app**.
