

# Works Notice

May 2021

## Construction update

During May 2021, UNITY Alliance will continue work within the rail corridor at Moorooka for construction of the Cross River Rail project. The works are in preparation for new train stabling facilities at Clapham Yard.

### Details of work

The following activities are scheduled to occur between 6:30am and 6:30pm, Monday to Saturday, during May 2021, weather and construction conditions permitting:

- Continuing public utilities identification and relocation (water, sewer, gas, communications and electrical)
- Demolition and removal of redundant buildings within the project works area. See map for more details
- Closure of Chale Street to local traffic only during construction in the interest of public safety
- Earthworks to level the area for construction, and excavation for installation of site drainage across the site
- Importing, placement and compaction of gravel for the stabling yard
- Track and maintenance work within the rail corridor.

### Out of hours work

These activities will occur outside the project's normal working hours as outlined below, weather and construction conditions permitting:

### What to expect

During these works you may notice some intermittent disruptions such as:

- Temporary traffic changes on Fairfield Road and Chale Street, Yeerongpilly to assist with building demolition and removal of material from site
- Light vehicles, trucks and machinery including excavators, graders, rollers, water carts, front end loaders, mobile cranes, vacuum excavation trucks, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light the work areas at night

- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with heavy machinery and equipment.

Signage will be in place to direct motorists, pedestrians and cyclists around works areas. Please observe the directions of traffic control while passing through the area.
