

Works Notice

May 2021

Weekend rail corridor works: Dutton Park, Park Road and Buranda stations

The Cross River Rail Tunnel & Stations team will be working in the rail corridor between Dutton Park, Park Road and Buranda stations from 2:00am Saturday 29 May until 4:00am Monday 31 May.

Details of work

In late May, works will be undertaken within the rail corridor over a full weekend track closure. These activities will take place 24 hours a day throughout the closure. Should there be any unexpected weather or ground conditions, these works may be rescheduled.

Please see map overleaf for work areas and access points into the rail corridor during these works.

Location	Date and hours of work	Type of work
Dutton Park to Park Road and Buranda stations	2:00am Saturday 29 May until 4:00am Monday 31 May 2021	<ul style="list-style-type: none"> Investigation works and installation of monitoring equipment Installing stormwater drainage and other utility services. Excavating, concrete works for pier protection of existing bridges Sheet piling Construction of railway infrastructure including tracks, overhead lines, and decommissioning, testing and maintaining existing rail signalling Service identification at Dutton Park station.

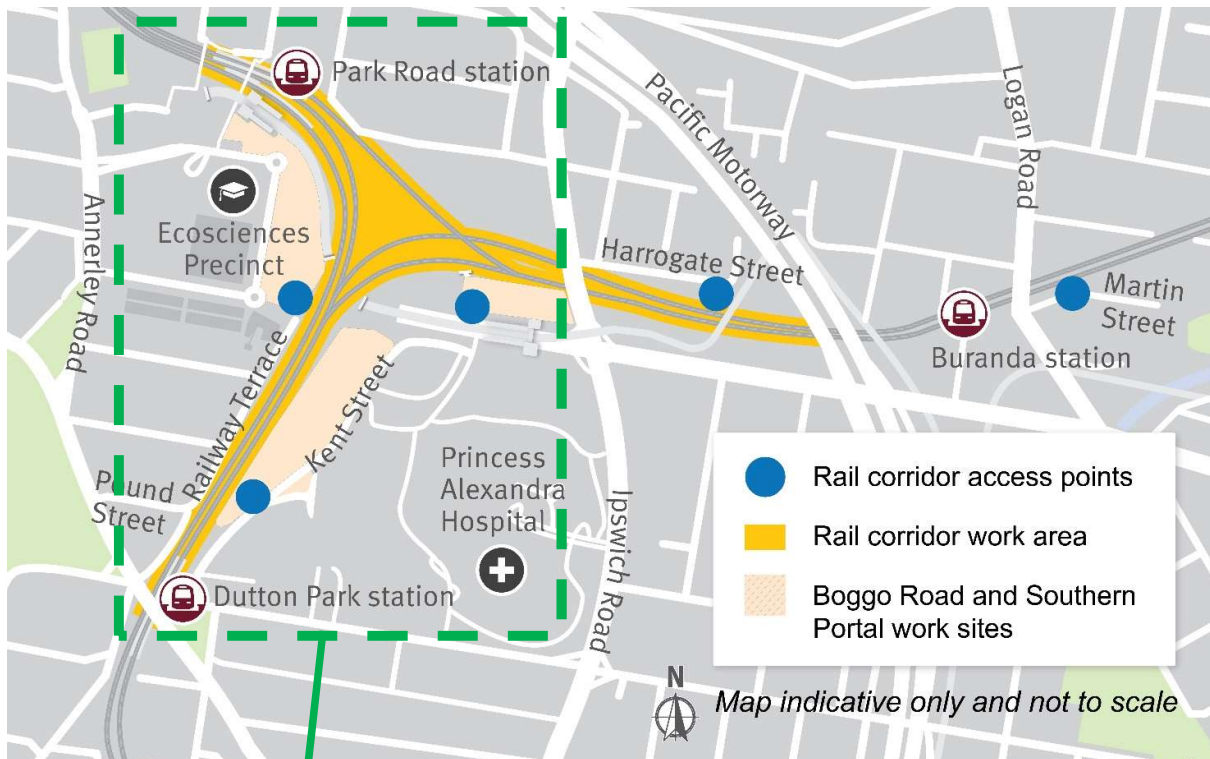

What to expect

During these works you may notice:

- Increased levels of noise and dust in your area
- Construction machinery and equipment being used including piling rigs, excavators, trucks, tamping machine and hand tools
- Increased construction vehicle movements on local roads and within the rail corridor to deliver concrete, plant, materials and equipment
- Work site and task specific lighting that will be directed away from residential properties
- General construction activities.

Construction vehicles and machinery will enter and exit the rail corridor through Queensland Rail access gates at O'Keefe Street, Kent Street, Martin Street, Harrogate Street and through the Boggo Road work site.

Work site and rail access points – 29 to 31 May 2021
