

# Works Notice

July 2021

## Construction update Salisbury station

During July 2021, UNITY Alliance will continue construction activities in your local area for construction of the Cross River Rail project.

### Out of hours work

The following activities will occur outside the project's normal working hours but are timed to take place within a planned weekend track closure, as outlined below:

Location	Date and hours of work	Type of work
Salisbury station	Intermittently between 2:00am Saturday 3 July and 2:00am Monday 5 July 2021	<ul style="list-style-type: none"><li>Under track crossing using a directional drilling rig</li><li>Installation of under track crossing conduits for services</li><li>Cable route and service trenching and installation</li><li>Installation of fencing.</li></ul>

### What to expect

During these works you may notice some intermittent disruptions such as:

- Access into the rail corridor will be via Dollis Street and Fairlie Terrace, Salisbury.
- A single lane closure will be in place on Fairlie Terrace (please see map overleaf) during these works. Signage will be in place to direct motorists, pedestrians and cyclists around works areas. Please observe the directions of traffic control while passing through the area
- Light vehicles, trucks and machinery including excavators (with rock breaker), track-mounted directional drilling rig, vacuum trucks, small power tools, drills, saws, minor vibrating equipment and mobile lighting towers to light work areas at night
- Changes around your local area such as construction vehicles, traffic management signs and personnel
- Some noise, vibration and dust associated with the use of heavy machinery and equipment
- Placement of temporary fencing around construction areas.

**Cross River Rail will transform how we travel to, from and through Brisbane in the future. And while that means the whole of South East Queensland can start looking forward to the benefits of Cross River Rail, right now it means changes to the way you travel. Sign up to receive updates and use the TransLink Journey Planner at [translink.com.au](https://translink.com.au), call 13 12 30 or download the MyTransLink app.**

We appreciate your patience during construction and will continue to update you as work progresses.

### Project information

Subscribing to receive Project Updates and information on construction works is a convenient way to keep up to date with the project and work happening in your area. To subscribe, simply visit the Cross River Rail website and look for the subscription area at the bottom of every page.
