TOUR GUIDE VS. TOUR LEADER

Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour. The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.

Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours, as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides in each stop. A tour leader may provide general guidance around a city or village, and offer information on the place visited on the bus, however they are not required to have specific knowledge on art, architecture, or history. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and if caught doing so, can be fined.

Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when particularly required to enhance the experience of the destination featured.

Luggage:

You will be responsible for all your personal belongings whilst on the tour. With regards to luggage, you must carry your own luggage from the coach to the ferry and back to the coach. The driver will assist with the uploading and off-loading of the luggage from the coach.

Gratuities:

Gratuities (tips) are not included in the tour price for services of the tour leader (when available) and driver throughout the tour. The recommended tip for the tour manager and driver is €5 (approx. \$8 AUD) per person/day (Athens tour only), which will be collected by the tour manager whilst on tour. For the Greek Islands portion of the tour tipping is discretionary.

Fitness Level Required / Mobility:

Our vehicles are not equipped with wheelchair access, so unfortunately our tours are currently not suitable for wheelchair users and those less mobile.

Please note: a general level of fitness will be required. If you have any concerns please consult your healthcare provider prior to purchase/travel.

Sightseeing:

If paying by credit card, please pay close attention to the amount you are being charged and keep all of your receipts.
