# ABOUT THE PROPERTY

## Hotel: Caesars Palace

From the moment you walk through the doors of Caesars Palace, you'll understand why this iconic Las Vegas hotel sets the standard for opulent details, impeccable service and lavish Las Vegas accommodation. There are 11 dining options, including an upscale Japanese restaurant and a casual grill. The casino features classic table games, poker and slot machines. There's also a seasonal outdoor pool, a gym and a spa, plus a nightclub and live entertainment. It is one of Las Vegas's largest and best-known hotels.

Caesars Palace has been described as "Quintessentially Las Vegas", a Greco-Roman fantasyland featuring marble reproductions of classical statuary. The art deco style fused with clear influences from Hollywood cinema create the feeling of being in another time and place.

## Location: Las Vegas, Nevada

Caesars Palace is located on the west side of the famous 4 mile long Las Vegas Strip. Las Vegas, in Nevada's Mojave Desert, is a resort city well-known for its pulsating nightlife, 24-hour casinos and other entertainment options. The boulevard is home to themed hotels with extravagant displays such as music synchronised fountains as well as replicas of an Egyptian pyramid, the Venetian Grand Canal, and the Eiffel Tower.

## Room Type: Julius Deluxe Room

The Julius Deluxe Room features a modern interior with a warm neutral palette and a pop of golden yellow. The custom-upholstered headboard incorporates mirrored panels, while the stone and glass bathroom features a double sink vanity and hand-held showerhead. The custom artwork is a nod to Caesars' rich history of Roman-inspired sculpture and architecture. The Julius Tower is located in the center of the property with easy access to the casino.
