A tourist visa for Peru is not required if travelling on an Australian Passport.

Chile
Australian tourists entering Chile through Santiago International Airport are required to pay a “reciprocity fee” of $117 USD (subject to change) payable in cash or credit card prior to going through passport control. For current up to date info visit the Embassy of Chile website http://chile.gob.cl/australia/es/

Uruguay
Australian tourists are eligible to enter Uruguay without a visa for visits up to 90 days. Visa and other entry and exit conditions (such as currency, customs and quarantine regulations) can change at short notice. Contact the nearest Embassy or Consulate of Uruguay for the most up-to-date information. http://protocol.dfat.gov.au/Mission/view.rails?id=213

Important: Please start arranging your visa at least 3 weeks prior to departure to account for any delays due to consulate operating hours.

Please note: Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required. It is also important to note, some areas of employment such as journalism, government authorities and charity organisations may have additional restrictions in applying for Visas. This may in turn affect the type of application required.
