## OTHER IMPORTANT INFORMATION

### TOUR GUIDE VS. TOUR LEADER

#### Tour Guide:

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour. The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.

#### Tour Leader:

An experienced person tasked with ensuring the smooth operation of tours,

as well as providing practical support to passengers throughout the whole trip. Their role primarily includes assisting with accommodation, transportation between locations, and communication with tour guides in each stop. A tour leader may provide general guidance around a city or village, and offer information on the place visited on the bus, however they are not required to have specific knowledge on art, architecture, or history. They are not allowed to provide a guided tour or commentary of a city/village/attraction once there and if caught doing so, can be fined.

*Please note: Tour leaders/guides are not a standard inclusion in all travel offers. Tour leaders/guides will only be made available when particularly required to enhance the experience of the destination featured.*

## VISAS

### USA

An ESTA (Visa Waiver) for the USA is a strict requirement when travelling to or flying through the USA. Once a USA ESTA Visa Waiver is issued it is valid for 2 years or until your passport expires (whichever is sooner) and will allow multiple entries into the USA. For information on ESTA eligibility or to apply, please visit: <https://esta.cbp.dhs.gov/esta/>

*Please note: Due to recent changes in the USA Immigration policies, TripADeal recommends all travellers visit US Customs & Border Protection: <https://www.cbp.gov/>*

### MEXICO

Australian passport holders do not require a visa to enter Mexico as tourists for a period of less than 180 days.

Important: Please start arranging your visa at least 3 weeks prior to departure to account for any delays due to consulate operating hours.

*Please note:* Passengers who are not Australian citizens must check with the respective consulate or visa agency to determine what their visa requirements are and what personal identification is required. It is also important to note, some areas of employment such as journalism, government authorities and charity organisations may have additional restrictions in applying for Visas. This may in turn affect the type of application required.
