Day 7 Trek from Tengboche to Dingboche (4260m) – approx. 5 hours

Day 8 Rest day at Dingboche (4260 m) for acclimatisation

An important acclimatisation/rest day today with a casual walk where you will witness the breathtaking views of the North face of Ama Dablam and the Lhotse-Nuptse ridge as you explore this beautiful valley that leads up to Island Peak. The walk is short with a good chance to relax in the afternoon.

Overnight: Mountain Lodge

Meals included: Breakfast;Lunch;Dinner

Day 9 Trek from Dingboche to Lobuche (4930 m) – approx. 5 hours

From Dingboche, ascend the small ridge above the Pheriche valley. From the stupa at the top, Taweche and Cholatse (6440m) make for a pretty striking scene; they seem to lean forwards from across the valley in the west. To the north, Lobje Peak (6119m) and the snowfields of the Cho La are the kings of the skyline. The walking will now be fairly flat on wide-open fields. Late in the morning you will cross the Khumbu Khola at Dughla and take a light lunch at the foot of the huge terminal moraines of the Khumbu Glacier flowing off Everest.

In the afternoon, there will be a solid and quite steep climb on a rocky trail to the top of the moraines. On the crest of the ridge, you'll pass a line of memorial cairns (stacks of stones), built in memory of the Sherpas and climbers who have died on various Everest expeditions over the last fifty or so years. From here the view is downright spectacular once again, with Pumori (7145m), Lingtren (6697m), Khumbutse (6623m), and across the border in Tibet, Changtse (7550m) surrounding you. Then follow the valley stream to the lodge at Lobuche, arriving early afternoon.

Overnight: Mountain Lodge

Meals included: Breakfast;Lunch;Dinner

17 DAY BUCKET LIST TOUR | EVEREST BASE CAMP

THE ITINERARY

Day 10 Trek from Lobuche to Everest Base Camp via Gorak Shep – approx. 6-7 hours

The day you've been waiting for – the legendary Everest Base Camp. From Lobuche, follow the broad valley that runs parallel to Khumbu Glacier. When you reach the moraines of Changri Nup Glacier, you will make a series of small ascents and descents over a rocky trail lined with cairns that eventually leads to the surprising glacial sands of Gorak Shep (5160m) – reached after about three hours of walking. Here you have lunch and leave all your belongings at the lodge where you'll stay tonight.

Now's the time to head to Everest Base Camp! The trek to base camp takes around three hours. From base camp you won't get views of Mount Everest, however you will be able to see glaciers, caves, lakes and what's regarded as technically the most dangerous and hardest section to climb Everest, the Everest Ice Fall that flows from the Western Cwm. Trek back to the lodge in Gorak Shep for an early night - tomorrow morning is one to remember.

Overnight: Mountain Lodge
Meals included: Breakfast;Lunch;Dinner

Day 11 Trek from Gorak Shep to Kala Patthar (5545m) to Pheriche (4243m) – approx. 7 hours

Rise early this morning to avoid the morning clouds as we climb to Kala Patthar peak (5545m.) to witness the best views of Everest. These panoramic views of Mt. Everest at sunrise are truly incredible. You will also be able to see a number of iconic Himalayan mountain peaks like Mt. Pumori, Mt. Lingtren, Mt. Khumbetse, Mt. Nuptse, Mt. Lhotse, Mt. Ama Dablam, Mt. Thamserku and many more.

The ascent is quite steep, so start very slowly and try to ascend

at a steady rhythmic pace. Kala Patar is the rocky hilltop below Pumori. It's a tough walk because of the altitude, but the view from the top will surpass your wildest imagination. Hike back around one hour to Gorak Shep to enjoy breakfast, pack your bags and set off to Lobuche and Thugla, where you will stop for lunch. Then you'll cross the Khumbu Khola and head down the valley below Cholatse to Pheriche, where you will stop for the night. Today is a tough walking day however it's all downhill from here.

Overnight: Mountain Lodge
Meals included: Breakfast;Lunch;Dinner

Day 12 Trek from Pheriche to Namche Bazaar (3441 meters) – approx. 6 hours

After having breakfast at the lodge, start trekking back towards Namche Bazaar. Today's trekking is at an easier descent passing through Rhododendron Forest before reaching Tengboche for lunch. Tengboche is a small village with a famous monastery offering you the splendid view of Ama Dablam, green hills and river views. After lunch trek back to Namche to spend the night at the lodge.

Overnight: Mountain Lodge
Meals included: Breakfast;Lunch;Dinner

Day 13 Trek from Namche Bazaar to Lukla (2886 m) – approx. 6 hours

Leaving Namche, descend through the forest towards the Dudh Kosi for our last day of the trek, and continue the return journey re-crossing the river a number of times. Retracing your steps along the valley, pass through a variety of settlements and forests before a gentle 45-minute climb to Lukla. Savour the final mountain sunset of the trek as you complete this

Often locals with intimate knowledge of an area, its culture, and history. Their role entails providing commentary, routing the tour, and seeing that people have a good time. They are a licensed, qualified expert who supplies specific information on history, art, architecture and culture of the city/village/attraction in which he or she is guiding the tour. The guide meets the group at the required place and leaves the group at the end of the tour, they do not travel with the group.
