THE OFFER

A three-storey high, shark-filled aquarium that's right in the middle of a hotel. A waterslide that runs alongside the sharks and spits you out into the luxe hotel pool. A 27kg gold nugget - the largest in the world - on display in the casino. Toto, we're not in Kansas anymore. We're in Las Vegas, and this escape deal is all about embracing the wild, fun and fantastic things that the bright lights of this city have to offer.

Stay in a Carson Tower Premium King Room at the iconic Golden Nugget hotel, which opened in 1946 and has starred in movies such as *Diamonds are Forever* and *Smokin' Aces*. The hotel has maintained its hip vintage feel with a nod to retro Vegas history, along with providing all the right amenities to make your stay a fun one; incredible restaurants, fun bars, a revamped casino and, of course, the poolside shark tank. Located in the heart of downtown, you can walk out of the hotel and right into the Fremont Street Experience, which is full of bright lights, street performers, casinos, live concerts and even a zip-lining adventure. Or head to the nearby Strip, where you can see other Vegas hotels and attractions in all their glory.

While we do not add frequent flyer member details to bookings, you can do this directly with the Airline once you have your flight information.
