This is one of the best times to travel. The weather is warmer, a fair bit of sunshine is likely, and the days are long. The countryside is green and verdant and covered in flowers and the daylight lasts long into the evening. In July it can sometimes get quite hot (low 30°C). The weather is warm and often sunny. It's the true summer of Europe, and if you like swimming or sunbathing, this time of year will be your only chance.
