Enrolment and Registration Policy

Policy Statement

Burgmann Anglican School is a non-selective school. All registration of students is conducted in regard to this principle. Parents wishing to enrol their children at Burgmann Anglican School are expected to support the philosophy of the school and the ways in which this philosophy shapes the school's curriculum. Parents are expected to support the ethos and practices of an Anglican school, such as chapel services which use the Anglican liturgy, and religious and spiritual education.

Registration

Enrolment offers are based on the chronological date of registration and by gender. Burgmann Anglican School seeks to offer an equal number of places to boys and girls at its main entry points and aims to maintain this gender balance throughout the school. Burgmann Anglican School gives priority to siblings, children of staff and children of practising Anglican clergy.

Sibling Priority

Siblings will be given priority on the school waiting list once enrolment for the first child in the family has been confirmed. Places will then be offered as availability arises across the school and to those siblings with the earliest registration date.

Enrolment Age Requirements

The Preschool program is a 2-year program. Children wishing to enter 3-year-old Preschool at the beginning of the year must have turned 3 by 31 January of the year of entry. Children turning 3 between 31 January and 30 April may be offered a place but cannot commence until they have turned 3. In this instance, full fees must be paid to hold the place until they turn 3. Children wishing to enter 4-year-old Preschool must have turned 4 by 30 April of the year of entry. Children wishing to enter Kindergarten need to have turned 5 by 30 April of the year of entry.

Intake Years

Burgmann Anglican School's main intake years are as follows:

- 3 year old Preschool (2 year program) • Kindergarten • Year 9 • Year 11

Vacancies in other years are usually only available when an existing student withdraws from the school.

We attach our non-refundable registration fee of \$150 per student (includes GST) which covers administrative costs and information provision while names are on the registration list. We acknowledge that acceptance of the registration fee does not guarantee enrolment. Please email to registrar@burgmann.act.edu.au

**Only those with legal responsibility for this child may sign this registration form.
