Bus To/from School	\$3 per trip per family
Bus user tag	\$10 per student per tag.
Enrolment Fee	\$60
Family Deposit	\$350

**P & F Levy** –Parents in most families both work, making it extremely difficult to assist in major fundraising that has played an important part in providing resources and equipment for students in the past. This fee is directed towards projects that the P&F have an interest to assist the students in their learning. In the past the P&F have provided the Front Row sound system and courtyard play area. The P&F meets each term to plan projects and events that are at a low cost to families. If you would like to assist the P&F and contribute through participation in meetings, please contact the school for further information.

**Bus to/from School** – This service is provided to bring students to and from school along a designated route. Fees are charged on a user pays basis. The school uses the RollCall bus tag system.

**Enrolment Fee**- This is payable when a new application for enrolment is lodged.

**Family Deposit**- To take up an offer of enrolment, a bond (family deposit) is required to confirm the student's position in the School. In the case of younger siblings, to confirm enrolment the deposit will be used towards the first terms fees payable.

When an offer of enrolment is given, parents have 14 days in which to respond with payment, after which the offer is considered void and the vacancy is then reallocated.

If you withdraw your application or the student fails to commence at the school the bond is forfeited. However, the bond is fully refunded when the child leaves the school if a full terms notice in writing has been given prior to withdrawal and all fees owing to the school have been paid. Parents may consider donating the bond to The Schools Building Fund where donations are tax deductible.
