

To ensure your child receives the correct order at the correct time please fill out your Childs paper bag as shown in the example below.

**Please use a separate bag for
Recess & Lunch Orders**

Should an item be unavailable, we will offer them a substitute around the same cost & nutritional value.

For our students with anaphylactic allergies we have a sticker system to ensure it is brought to everyone's attention when tuckshop orders are placed. If you feel your child may need to be part of this system please see myself or your child's teacher to discuss.

If you do not have the correct money for each order then change will be taped to the front of the child's order bag. For younger grades please make sure you tell your child to remove the money from the bag so it doesn't get thrown in the bin with the empty bag. If change amounts to more than \$5 the change will be bagged, named & placed in your child's classroom box for end of day collection.

Please encourage your children to come to the tuckshop if there is a mistake with their lunch so it can be rectified immediately.

For the tuckshop to run smoothly, we rely on the help of our families.

If you are available to donate a small amount of your time (weekly, monthly or each term) on either a Tuesday or a Thursday.

We greatly appreciate any help that you can offer even if for only a few hours one day a year, every little bit helps.
