**Enrolment Fee:** An Enrolment Fee of \$60.00 (including GST) which is non-refundable is required with this application. Receipt of this application does not constitute enrolment. Enrolment offers are only made following interviews, which commence early in Term 2 of the year prior to starting school. Following an offer of placement, acceptance of the enrolment will be confirmed on the payment of the Family Deposit (\$350), or in the case of a sibling an enrolment deposit of the first term's fees (\$350) by the specified date. When an offer of enrolment is given parents have 14 days in which to respond with payment of the family deposit. After this time the offer is considered void and the vacancy is then reallocated.

**Birth Certificate:** The original or certified copy of your child's birth certificate is required at your interview with the Principal.
