## CHILD PROTECTION POLICY

The school has written processes in place about the health and safety of its staff and students in accordance with relevant workplace health and safety legislation<sup>1</sup>.

### RESPONDING TO REPORTS OF HARM

When the school receives any information alleging 'harm'<sup>2</sup> to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the school's Child Risk Management Strategy. Included in the consideration of how this should best be dealt with by the school, reference needs to be made to the school's Code of Conduct for Staff, the Student Behaviour Management Policy and Procedures, Anti-bullying and/or anti-harassment policy, and external support agencies depending on who is alleged to have caused the harm and where it is alleged to have occurred.

The incident reporting template (Appendix 1) should be completed and forwarded to the relevant staff member best placed to deal with such reports. If in doubt, the appropriate person to receive the report is the school's Principal. In instances where the Principal is the person alleged to have caused the harm, the report should be forwarded to a member of the school's governing body.

### CONDUCT OF STAFF AND STUDENTS

All staff, contractors and volunteers must ensure that their behaviour towards, and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students<sup>3</sup>. The school's Code of Conduct for staff outlines the behavioural expectations in this regard.

### REPORTING INAPPROPRIATE BEHAVIOUR

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to: -

- Principal; or.....
- Deputy Principal.<sup>4</sup>

### DEALING WITH REPORT OF INAPPROPRIATE BEHAVIOUR

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must

The doctor, nurse, early education and care professional or teacher must give a written report to the Chief Executive of the Department of Communities, Child Safety and Disability Services (or other department administering the *Child Protection Act* 1999).
