

CANTERBURY
COLLEGE

**LEADING
THE WAY**
IN INTERNATIONAL PROGRAMS

THE BETTER PREPARED THE STRONGER

LEADING THE WAY

CANTERBURY
COLLEGE

I extend a warm welcome to overseas families who are considering an international education for their child at our exceptional school.

I look forward to supporting you and encouraging your child through this journey as, together, we prepare them for an outstanding international career and a bright ambitious future.

Canterbury College has an impressive record of academic success. Every week, we have amazing students who lead their communities, win academic competitions, succeed in sporting competitions, perform in artistic programs, and travel overseas to represent the College at tournaments.

The children we educate now are the world's first truly global generation, which is why Canterbury College aspires to lead the way in preparing students who are intelligent, innovative, ready to embrace an international career, and a future of unlimited technological innovation in Science, Technology, Engineering and Maths (STEM).

Our inspiring experienced and highly qualified teachers support and encourage our students, many of whom will attend leading universities throughout the world.

Our inclusive and collaborative approach to educating students from Kindergarten to Year 12 in a co-educational school offers access to specialist programs and academic strategies for international students and exceptional pastoral care and support for students living in homestay.

I hope we have the opportunity of welcoming your child to our wonderful community.

Donna Anderson
Head of College

LEADING THE WAY IN ACADEMIC PROGRAMS

Junior School

Junior School offers a comprehensive curriculum which produces strong results. Each child is on a journey of personalised learning where their progress is closely monitored. Academically rigorous programs are complimented by effective wellbeing programs and a diverse extracurricular program.

High School English Preparation / Intensive English Course (HSP)

A Comprehensive English language course providing critical and conceptual language skills for English, Mathematics, Science and Physical Education. HSP assists students by providing a smooth transition into Canterbury College academic studies.

Middle School

Middle School lays the platform for students to develop skills that will support academic success in Senior School. Throughout these years, students are encouraged to become independent learners and discover their unique talents and interests.

Senior School

Senior School provides all students with pathways through a comprehensive career guidance program within a rigorous traditional academic and wide/ broad curriculum. Students are supported through the selection of diverse career choices and other varied pathways.

LEADING THE WAY IN FACILITIES AND RESOURCES

Canterbury College sits on 30.2 hectares of natural bushland, grassed ovals and landscaped grounds at Waterford in Logan City, midway between Brisbane and the Gold Coast. This beautiful environment and its state-of-the-art facilities provide students with the best possible setting to support their academic and extracurricular endeavours.

- Auditorium with 220-tiered seats with professional sound and lighting
- Administration offices
- Agriculture campus
- Art Gallery
- 400m athletic track and Sports precinct
- Canterbury Events Centre
- College Chapel
- Cricket wickets
- Drama and Dance Studios
- Digital Hub
- English Language Centre
- Hospitality Suite and Restaurant
- Gymnasium
- Indoor Courts for netball, basketball and volleyball
- Junior School Discovery Centre
- Middle and Senior Schools Research and NEXT Centre
- Modern and dedicated classroom facilities
- Music laboratory equipped with composition software and keyboard computers
- Open air amphitheatre
- Recording Studio
- Science Precinct
- Six sports fields
- Studio Music tuition rooms
- Tennis and basketball courts
- Trade based workshops
- Wi-Fi throughout

LEADING THE WAY IN DEVELOPING INDIVIDUAL, CURIOUS, ASPIRATIONAL LEARNERS WHO ARE SUCCESSFUL

- Career readying students with personalised Learning Programs that cater to individual needs
- Careful curriculum delivery to ensure curriculum and well-being are aligned throughout each year of the student's learning journey
- Learning Partnerships with industry and tertiary education providers ensuring access to work experience, tertiary modules, and industry experts
- Academic competitions such as Science and Engineering Challenge, F1 In Schools, Australian Space Design Competition, Australian Titration Challenge, Readers Cup and more, extending students in a competitive environment
- Social and emotional awareness in a Growth Mindset developing skills to manage appropriate responses when faced with challenges, criticism, or changes
- Leveraging the positive educational impacts of extracurricular programs.

LEADING THE WAY

IN INNOVATIVE TECHNOLOGY

Preparing students for a future of unlimited technological innovation in Science, Technology, Engineering and Maths (STEM), learning through a diverse range of academic courses, extracurricular, exciting extension programs and excursions.

- Learning experiences designed to embed the 21st century skills of Creativity, Collaboration, Communication and Critical Thinking
- Development of hypothesis driven problem solving, digital skills, and entrepreneurialism crucial to students' future employment
- Strategic provision of a futurist environment to drive thinking and actions
- Digital classrooms through a learning management system providing 24/7 access to class learning resources; including class notes, online quizzes, video, simulations, discussion boards
- Community and University links ensure Canterbury students are renowned for their skills, attitudes, talents and maturity.

LEADING THE WAY **IN STUDENT** **SAFETY AND SUPPORT**

The College is dedicated to creating a positive community inspiring a love of learning where students can aspire to succeed.

A supportive network of College staff work to ensure that students settle into their new environment by offering:

- A comprehensive home to homestay transition program including pre-departure and arrival orientation.
- Encouraging a partnership with parents to support and encourage international students.
- Qualified caring staff monitoring the progress and wellbeing of international students.
- Teacher interpreters available to communicate with parents and students.
- English Language Support with specialist teachers provides ongoing assistance in the Applied Literacy program
- Welcoming homestay families providing family meals, day trips and conversation in a relaxed, supportive family atmosphere.
- 24/7 College staff available for support in emergencies.

STUDY (Two to ten weeks)

'DOWN UNDER' EXPERIENCE

Canterbury College offers full immersion programs from two to ten weeks for individual students from 10 years to 17 years old, seeking an Australian education experience in an exceptional independent school.

Visiting students will:

- Study alongside Australian students in the safe and friendly Canterbury College community
- Enjoy our excellent Science, Sports, Performing Arts, Digital Hub and classroom facilities
- Practice English in a relaxed, supportive atmosphere
- Live in a safe, caring and supportive homestay environment with a comfortable, clean room and three nutritious meals a day
- Experience the relaxed Australian lifestyle through family meals, day trips and conversation
- Be transported to and from the homestay to College daily.
- Visiting students will receive Orientation and supportive guidance from teachers and International Student staff.
- Visiting students may wish to apply for credit for their Australian studies, in their own country. Advance notice must be provided to Canterbury College.

Requirements

English Proficiency: an intermediate level of English is required for the experience to be meaningful and for safety. No ESL lessons are offered on this Program.

Laptop: All students should bring a Laptop for use in class work and for homework. Apple Mac laptops are not suitable for use with the College's network. Windows 10 and a battery life of 10 hours are required.

Dress Code: Students can wear neat and tidy civilian clothes ie. black trousers/skirt and white shirt. We expect visitors to be neat and tidy at all times.

LEADING THE WAY IN PERFORMING ARTS

The Arts Academy Artist Excellence Program provides individualised guidance and extension experiences for exceptionally talented students who aspire to pursue a career in Dance, Music, Theatre, Musical Theatre or Visual Art.

The Arts Academy integrates academic, studio and extracurricular programs and provides extension opportunities via University of Queensland Enhanced Studies Program, Griffith University Conservatorium of Music GUEST program and Musical Theatre program.

The Arts Academy Studio tuition is available in Dance, Drama, and Music. Students work at their level and progress through beginner to Diploma level.

The Arts Academy Extracurricular program offers activities in all areas of the Arts with performance opportunities through the year and an extension Artist program in Dance, Drama and Music.

The College Film production allows students to work alongside industry professionals in the creation of a film for public showing and competition entry.

- Canterbury College Art Studio

INTERNATIONAL STUDENTS PRELIMINARY REQUIREMENTS

- (a) Depending on the student's English language ability, the student may be required to successfully complete an ELICOS (English Language Intensive Course for Overseas Students) course.
- (b) As a condition of enrolment, the student authorises Canterbury College to check visa entitlements electronically via VEVO (Visa Entitlement Verification Office) for the duration of enrolment on the Department of Home Affairs website.
- (c) As a condition of enrolment, from Year 10 onwards, the student agrees to allow Canterbury College to open a learning account in the student's name with the Queensland Curriculum and Assessment Authority (QCAA), and for the student to be assigned a Learning Unique Identifier (LUI) for certification of studies purposes.
- (d) As a condition of enrolment, the student agrees to abide by all College policies for the duration of enrolment and to disclose any medical or health conditions that may affect studies or student welfare. These policies are available on the College website and include:
 - International Student Welfare and Accommodation Policy
 - International Student Complaints and Appeals Policy
 - International Student Monitoring of Course Progress and Attendance Policy
 - Code of Conduct / Charter of Values
 - International Student Transfer Request Assessment Policy
 - International Student Deferment, Suspension and Cancellation Policy
 - International Student Refund Policy
 - International Student Application Entry Requirements Policy
- (e) As a condition of enrolment, the student/Parents/Guardians agree to disclose any essential information relating to additional support or care the student might require because of an existing medical condition, including the need for prescribed medication; disability, including learning disorder, or other need for specialized support. Failure to do this may result in cancellation of enrolment.
- (f) As a condition of enrolment, the student/Parents/Guardians agree that all students for whom the provider holds a Confirmation of Accommodation and Welfare (CAAW) must maintain approved arrangements for the entire duration of enrolment, irrespective of the age of the student.

Enrolment Criteria

Canterbury College will consider enrolment applications from students wishing to apply for a Student Visa, subject to compliance with minimum requirements and conditions set by the College, and with the legislative requirements of the State of Queensland and the Commonwealth of Australia, including any requirements to undertake extra tuition to learn English to meet the English language proficiency standard needed to enter mainstream classes.

All students applying to Canterbury College are assessed on the following criteria:

- Availability of a place in the academic year level nominated in the Application
- The student's behaviour, attendance and commitment to study
- The student's age
- The student's English proficiency level
- Satisfactory completion of the academic year level prior to the year level nominated in the Application.

Intensive English / High School Preparation Program (HSP)

Depending on the student's English language ability, the student may be required to successfully complete HSP.

Canterbury College offers HSP for students entering Year 7 to Year 11. Our Program prepares students for the Australian Curriculum, by developing the language skills needed to integrate into Middle or Senior School (Years 7 – 12).

Students can expect a high degree of individual support and care as they undertake the first stage of their international education. Our HSP Course offers a comprehensive language foundation, providing students with over 5 hours a day of structured core content including ESL English, Mathematics, Science and Physical Education.

Progression from HSP into mainstream academic classes will be based on test results in reading, writing, listening and speaking as indicated below.

International Student Application Entry Requirements

As part of the application process, international applicants will need to provide evidence of the following:

- The student has attended an English speaking school in their own country and achieved sound results in both oral and written English, OR
- The student has attended an English preparation course in Australia and achieved sound results in both oral and written English.

Students who do not have English as their first language will need to meet the following language requirements:

Year Level (mainstream)	IELTS	NLLIA	ISLPR	TOEFL	Canterbury College Band Scales	Other
4-6	-	4	1+	-	-	To be negotiated
7	4		1+	31	4	To be negotiated
8	4		1+	31	4+	To be negotiated
9	4.5		1+	32	5-	To be negotiated
10	5		2	35	5+	To be negotiated
11	5.5		2+	46	6	To be negotiated
12	6		3	60	6+/7	To be negotiated

Students should note that if their language proficiency is below that outlined above, they may be required to undertake an intensive English language course of High School Preparation before beginning mainstream studies.

Please note that the College will also conduct on-site Interviews and English Testing prior to prospective students commencing their study. This assists the College in determining the student's English levels across Reading, Writing, Listening and Speaking. It is a requirement that the Head of College is satisfied that the student can immediately achieve sound English results for the appropriate year level of entry.

Refund Policy

Information regarding the School's policies can be found on the Application Form, on the Written Agreement provided when an offer of enrolment is made and on the College's website.

Steps to International Student Enrolment

- Step 1 – Submit Documentation
- Step 2 – Interview
- Step 3 – Decision
- Step 4 – Offer of Enrolment
- Step 5 – Acceptance of Offer and payment of Semester's fees
- Step 6 – Issue of Confirmation of Enrolment (CoE) and Confirmation of Appropriate Accommodation and Welfare (CAAW)
- Step 7 – Student Visa 500 Application
- Step 8 – Grant of Visa
- Step 9 – Preparation for Arrival
- Step 10 – Orientation

Collection of Information – Privacy Policy

Personal information about you is collected by the College, and during enrolment, in order to meet our obligations under the ESOS Act 2000 and the National Code 2018; to ensure student compliance with the conditions of their visas and their obligations under Australian immigration laws generally.

This information is recorded in PRISMS and includes name, date of birth, gender, address, email address, phone number, country of birth, nationality, passport number, and course details.

The authority to collect this information is contained in the *Education Services for Overseas Students Act 2000*, the *Education Services for Overseas Students Regulations 2001* and the *National Code of Practice for Providers of Education and Training to Overseas Students 2018*.

Information collected during enrolment may be provided, in certain circumstances, to the Australian Government and designated authorities and, if relevant, the Tuition Protection Service or state and territory agencies, in accordance with the Privacy Act 1988. In other instances, information collected during enrolment, can be disclosed without your consent where authorised or required by law.

Further information about the Australian Government Department of Education and Training's privacy policy can be obtained at www.education.gov.au/privacy.

Please refer to Canterbury College's Collection of Information – Privacy Policy available on our website.
