

WELCOME TO YOUR NEW

WEBSITE & APP

www.claremont.nsw.edu.au

In 2017 we surveyed parents to find out what they liked and what they didn't like about their online Claremont experience – the website, the app, and how easy it was to use. We're pleased to say that we've taken that feedback on board and created a brand new digital experience for our parents and families in 2018. So whether you prefer using our new website or app, (or both!) it will be much easier for you to get all the information you need from any device you choose!

WEBSITE

Our website URL stays the same, and can be accessed from www.claremont.nsw.edu.au as per normal.

NEWSLETTER

The online newsletter is now much easier to access and read, especially from your mobile devices! You can access our newsletter on the home page of our new website or directly from the mobile app. Just click on the **'OUR NEWSLETTER'** button and it will take you to the latest version of the newsletter. Older newsletters can be accessed from the main dropdown menu on the website **'NEWS & EVENTS' > 'NEWSLETTER'**

MY CLAREMONT (ON THE WEBSITE)

This is your new parent's page and can be accessed either from the green **'MY CLAREMONT'** button in the top menu or entering my.claremont.nsw.edu into your browser directly. In the My Claremont section you'll find all of your most used features including the parent portal, weekly newsletter, flexischools, calendar and events, and much much more!

SKOOLBAG

The Skoolbag App is being replaced with our new Claremont App. You will no longer be able to access the Skoolbag App, so please download our new Claremont App (see right).
