## PERSONAL AND FAMILY HISTORIES

Dear Parent/Caregiver,

During this term, as part of the History unit, 'Personal and Family Histories', your child will be exploring their 'family story' in History lessons.

To assist in making the learning more meaningful for your child, we ask that your child brings some things from home that will be used during our History lessons. They are listed below, along with what will be required:

**Week 4 & 5** - (25 February - 8 March) Please send in a baby/toddler photo and a photo of them now so they can discuss what they think they were like then compared to now. You may also email the photos to the school office - [office@claremont.nsw.edu.au](mailto:office@claremont.nsw.edu.au)

**Week 5** - (4 March – 8 March) Please bring a special object from home or a photograph/picture of the object. It may be a gift from someone special, a souvenir from somewhere your child visited or simply something that is special to them (these will be kept safe and returned in Week 7).

**Week 6** - (11 March - 15 March) Please bring in completed interview sheet (on the back of this page). Your child may need someone to help them by discussing the questions on the interview sheet and recording the answers (you can write on the sheet for them).

Please contact us if you have any concerns or questions,

Mrs Vula, Mrs Hitchen, Miss Duff and Mrs Parker
