

## **CAREER ADVISERS MESSAGE**

### **PARENT INFLUENCE ON CAREER DECISION MAKING**

Every parent wants to see their child succeed in all aspects of their life, including choosing the right career path.

Young people form many of their attitudes about work and careers as a result of interactions with their parents.

What parents do for a living; where they live; their education, knowledge and skills; what they earn; and how they spend their time and money, have a huge influence on their child's career decision making.

It is important to remember that the career development process begins long before the adult years.

### **Open Days are worth a look**

Keep a look out for an Open Day being held by universities, colleges or employers. These are the best way to get a true feel for a campus or a career, where you will be able to talk to the people with firsthand knowledge of the options you are exploring. Plan ahead so you can attend these with friends or family, whilst still fulfilling your commitments to the HSC.

## **The Top 5 careers in Tourism, Hospitality and Events**

If your students have a passion for tourism, hospitality and events, then they are going to enter an exciting and dynamic career that shows huge growth over the next three years.

Check out the top five career areas that represent the largest employment opportunities in this industry:

1. Chef;
2. Waiter;
3. Bar Attendant;
4. Cafe / Restaurant Manager;
5. Conference and Event Organiser.

Take a further look at the Tourism, Hospitality and Events Career Snapshot to discover how many jobs were posted, the average salary and the TAFE NSW pathways for these and more career opportunities. [https://www.tafensw.edu.au/documents/60140/219174/Careers\\_Snapshot-Tourism\\_Hospitality\\_and\\_Events.pdf](https://www.tafensw.edu.au/documents/60140/219174/Careers_Snapshot-Tourism_Hospitality_and_Events.pdf)

It's not news to you that we currently have a national skills shortage. Employers were unable to fill, or have considerable difficulties filling roles within this industry area. Check out the portion of advertised job positions that went unfilled in 2017:

- 65 percent of Chefs;
- 60 percent of Pastry Cooks;
- 50 percent of Bakers.

Food for thought, wouldn't you say?

## Career Hotspot:

### Film & TV Producers Assistant

Film and television producers' assistants provide technical and other assistance for the production, recording and broadcasting of artistic performances.

They oversee the budget, recruitment of staff, script development and co-ordination of sets, location and equipment.

#### Personal Requirements:

- Organisational and administrative skills
- Attention to detail
- An interest in film and or television
- Ability to work as part of a team

#### Education and Training:

You can work as a film and television producer's assistant without formal qualifications. You will probably get some informal training on the job. Entry to this occupation may be improved if you have qualifications. You may like to consider a VET qualification. Applicants may be required to attend an interview and/or submit a folio of work. You can also become a film and television producer's assistant through a traineeship in Broadcast Technology, Creative Industries (Media) or Screen and Media.

Alternatively, you can become a film and television producer's assistant by completing a degree in creative arts, media, film production or media arts and production, with a major in film and television. To get into these courses you usually need to gain your Senior Secondary Certificate of Education with English. A number of institutions in Australia offer degrees in these areas. Institutions have different prerequisites and some have flexible entry requirements or offer external study. Contact the institutions you are interested in for more information.

For further details, visit [www.gooduniversitiesguide.com.au](http://www.gooduniversitiesguide.com.au).

#### Employment Opportunities:

Film and television producers' assistants are employed by film companies, television stations, video production houses and theatre companies.

Competition is very high for available positions, and patience and persistence are necessary to succeed.

## Jobs of the Future

### Social Media Manager

A **social media manager** is responsible for monitoring and posting to all **social media** outlets as well as interacting with and growing a company's audience. The ultimate goal is to raise awareness of the brand, company, product or a person online while driving traffic online, offline or both.

### **Compare Universities Across Australia – Student Educational Experience - ACS**

This guide provides a series of ratings and insights across a range of indicators. The ratings show that courses and institutions differ in many ways. Only you can decide which difference really matters to you. These ratings give an overview only — make sure you undertake further careful research before choosing a course and campus.

<https://www.gooduniversitiesguide.com.au/docs/pdfs/Ratings.pdf>

### **The Good Universities Guide 2019 Edition**

The 2019 edition is our most comprehensive publication yet, featuring a brand-new ‘First Generation’ 5\* rating. This new rating category compares universities by the number of students who are the first in their family to pursue tertiary education. Our guides are available in print & eBook via the Good Education Bookshop & selected newsagents. For more information visit

[www.goodeducation.com.au](http://www.goodeducation.com.au).

### **STEM at University of Sydney**

**Science, technology, engineering and mathematics (STEM) are fundamental to our lives. Who can imagine a world without modern transport, medicines, Wi-Fi and smartphones? All these were created thanks to the fields known collectively as STEM.** STEM is about more than fancy gadgets and medical innovations. It embodies a way of questioning, testing and analysing that enables you to draw conclusions based on evidence. A way of thinking about the world that will benefit you in far-reaching ways beyond the specific disciplines of science, technology, engineering and mathematics.

<http://sydney.edu.au/stem/index.shtml>

### **University of Sydney Information Day**

15 December. 9.30am to 3.00pm

Camperdown/Darlington Campus, University of Sydney

Join us at our upcoming events to find out which course is right for you. Create your own path at the University of Sydney. You can customise your course, and get involved in extracurricular activities.

<https://www.cdu.edu.au/sikpp/aili>

# For Gifted Students

Are you a student in Years 3 – 10 at an Australian primary, middle or secondary school? Are you bright, intellectually inquisitive and looking for something more challenging, more intellectually demanding, and more fun than you may sometimes experience in school? Would you like to take part in school vacation program that will really stretch your mind?

GERRIC offers a range of programs for gifted and talented students (generally students who are capable of performing in the top 10% of their age-peers). GERRIC holiday programs will open your mind to abilities you may have not suspected you possess, and opportunities to use these abilities to the fullest. You'll meet other kids who share your interests and you'll also meet inspiring teachers who love working with gifted students.

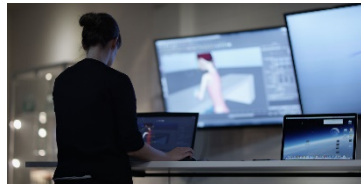

Each workshop runs for three days, allowing you to work on a small project.

We have a new and exciting range of workshops, plus some of your favourites, for our next round of student programs.

Applications for the 21-23 January 2019 GERRIC school holiday program will open on 3rd December 2018 at 7am. If you would like to **apply for a scholarship** or an **equity position**, applications need to be received by 16 November 2018 at 11pm.

Visit: [https://education.arts.unsw.edu.au/about-us/gerric/for-gifted-students/?mc\\_cid=98f44ce1b6&mc\\_eid=88a53d383e](https://education.arts.unsw.edu.au/about-us/gerric/for-gifted-students/?mc_cid=98f44ce1b6&mc_eid=88a53d383e)

## **TAFE AND COLLEGE INFORMATION**

### **Open Day** **Sat 17th November, 2018**

Discover the courses designed to get you started in game development, 3D animation and visual effects at the AIE Open Day on Sat 17th November, 2018.

The Sydney campus is located in the heart of Sydney's games industry, surrounded by both established developers and independent studios. Sydney is also home to Australia's largest visual effects studio, Animal Logic, who routinely hire AIE's highly sought after graduates. Students studying at the Sydney campus are fortunate enough to be surrounded by a thriving games and film community and are provided with many opportunities including networking events, film and games festivals plus industry events.

The campus will be opening their doors to visitors eager to find out about upcoming full-time and part-time courses.

The day will include presentations on different areas of industry to get into as well as information about AIE full-time and part-time courses and entry requirements. Student work will be on display and our teachers will be available to speak with you one on one about our courses and how AIE can get you into a creative career.

AIE courses are practical, career focused and delivered by industry experienced teachers in a seriously fun and creatively-demanding studio environment.

Whether you're a new graduate just starting out or you have an established career, AIE's support doesn't end when you complete your studies. We would like to continue to support you. A little bit of advice might be just what you need to point you in the right direction and into that job you always wanted.

For information go to: [www.aie.edu.au](http://www.aie.edu.au) 1300709019

Study what you love with a little help from us!

Interested in studying **Hospitality, Cookery** or **Patisserie**?

You could be eligible for William Angliss Institute scholarships!

## **Interested in Studying Journalism?**

Students completing their Year 12 studies may be interested in Jscool's online summer subjects.

Our JR101 Introduction to Journalism will give a good start to students interested in a journalism career - including those students planning to enrol in journalism or media courses at university. (It will certainly give them a kick-start in any hands-on reporting course.)

Our JR100 Shorthand will be handy for any student wishing to develop skills in speedy note-taking. This unit teaches the Teeline speedwriting method, as used by news media organisations in Australia and Britain. Shorthand is an invaluable lifelong skill.

(Senior students entering Year 11 or Year 12 in 2019 are also eligible to enrol in either or both of these units.)

For further information please see <https://jschool.com.au/single-subjects/>

## **GENERAL INFORMATION**

### **International Freight & Logistics Career Opportunities**

## **Careers Advisory Service**

This website provides access to the Careers Advisory Service, an annual department initiative to enable students and their parents or caregivers to phone, email or webchat at the beginning of the summer vacation with a highly experienced school careers adviser. This service is provided shortly after the release of the Higher School Certificate (HSC) results by the NSW Education Standards Authority (NESA) and the Australian Tertiary Admission Rank (ATAR) by the Universities Admissions Centre (UAC).

The service complements the range of career support provided by schools during the year. The service particularly supports students whose results are higher or lower than they expected. The Careers Advisory Service is professional, friendly and impartial.

## **Explore options**

Every effort has been made to ensure that the information contained in this resource is correct at the time of publication. The resource contains links to third party sites. The NSW Department of Education is not responsible for the condition or the content of these sites.

## **Explore the options all year round**
