

CAREER ADVISERS MESSAGE

A message from NESAs:

All 2017 RoSA credentials will be provided to students electronically.

In order to obtain their credential, students will need to log into Students Online with their student number and PIN, where they can download, save and print their credentials directly from the "Results" section. They can also place an order for a printed copy to be posted to them for a fee. If you have lost your PIN, call the Inquiry Centre on 1300 13 83 23.

JOB OPPORTUNITY

Telecommunications Apprenticeship - Sydney Region

We're currently recruiting several first year Telecommunications Apprentices AND Trainees for our leading telecommunication client, based in Sydney.

The successful applicants will be required to work on Australia's National Broadband Network (NBN) from Epping to the Inner West of Sydney suburbs with a highly reputable local business.

Apprentices will be required to study ICT30515 Certificate III in Telecommunication Technology over a three year apprenticeship and Trainees will be required to study ICT20315 Certificate II Telecommunications Technology over an 18 month traineeship.

The opportunity

Job opportunities with our Australian owned client are highly sought-after as they continue to grow and lead the market in superior telecommunication support and infrastructure.

On a day-to-day basis, your duties might include (but are not limited to);

- Interpreting technical drawings and specifications
- Conducting site preparation procedures
- Pulling cabling in underground ducts
- Performing manual labour in a safe manner
- Assisting colleagues and trades people as required
- Terminating and testing cables
- Trenching and working with conduit installation
- Completing required paperwork

Who we're looking for (selection criteria)

We're looking for motivated and enthusiastic applicants with a passion for technology and the telecommunications industry. It's important you're willing to learn and develop your skills over this apprenticeship/traineeship and have a good attitude and strong work ethic. You will be willing to work as part of a team, under close supervision of a fully qualified tradesperson and also at times independently.

In addition, you will;

- Have good communication, literacy and numeracy skills
- Have great attention to detail and good problem solving skills
- Have the ability to meet strict deadlines and cooperate with others
- Be punctual, reliable and presentable
- Have the ability to operate, maintain and work safely with hand tools and small

plant equipment

- Demonstrate basic knowledge and understanding of relevant workplace health and safety requirements
- Have at least completed year 10
- Have a current drivers licence and reliable transport
- Successfully pass pre-employment medical and police check
- Hold a current White Card (CPCCWHS1001 Prepare to work safely in the construction industry) or be willing to obtain one prior to commencement

Apply now

To apply for this exciting position, please email a copy of your resume and cover letter outlining why you are the best applicant for this position to recruitment@novaskill.com.au These positions need to be filled as soon as possible and our client is offering an immediate start.

About Novaskill

For over 36 years, Novaskill has been providing superior trainee and apprenticeship management. We're proudly non-for-profit and our host employers, employees, students and stakeholders can be assured of our dedication to supporting our communities and enriching people's lives through the provision of quality training and employment services.

Please note

If you don't meet the above selection criteria, you will not be considered for this position. This is an entry level position and standard apprentice wages do apply. Unfortunately we're only able to contact successful applicants for an interview.

UNIVERSITY INFORMATION

Prospective medical & dental students need to sit UMAT

Test date 25 July

The Australian Council for Educational Research (ACER), who is again administering the Undergraduate Medicine and Health Sciences Admission Test (UMAT) has opened registrations for UMAT.
