

Swimming Carnival Event Registration for 100m and 200m events.

Dear Parent/Guardian

Our annual School Swimming Carnival will be held on Monday 5th February 2018. For the first time we are asking students who are wishing to enter the 100m and/or 200m events to register prior to the day. Registrations for all 50m events will still take place in the marshalling area on the day of the carnival.

With our school growing in numbers and with the large number of students interested in racing, this process should ensure that we are still able to accommodate all events in the tight timeline.

Events in which students will need to preregister for include:

- 200m Individual Medley
- 200m Freestyle
- 100m Freestyle

Any students wishing to enter in these events please complete the entry slip below and return it to Mr Chantler in the PDHPE staffroom or Mrs Maddern in the IA staffroom by Thursday 1st February 2018.

More information in relation to the swimming carnival will be given closer to the day.
