

SUMMER SPORT SELECTIONS – 2018/19

Dear Parent and Student,

- **Students will be changing to their Summer sport on Thursday August 30th (Week 6 Term 3)**
- **Grade Competitions Start: Thursday 13th September (Week 8 Term 3)**
- **All Recreational Sports Start: Thursday 30th (Week 6 Term 3)**

All students are asked to make a selection of FIVE CHOICES.
Students need to be prepared to do **ANY** of their nominated sports.

Grade sport will run for 20 weeks. If you choose a grade sport, you will become part of a team representing Cronulla High School with your team mates depending on you. Grade sport is played against other teams in the Port Hacking Zone.

Recreational sport students will have 2 out of their 5 choices allocated for 10 weeks each. When selecting recreational sport you need to be aware that you may not get the sport you select in either 10 week period.

Changes will not be made to sport selections unless there are exceptional circumstances. A note from a parent will be the minimum requirement, along with a phone call.

Summer sport selection will occur:
Years 9-10: TUESDAY 7th August, 2018.
Years 7-8: WEDNESDAY 8th August, 2018.

Some sports will have a limit on the number of participants. Preference will be given to:

1. Students who have their selection sheet with parental authorisation with them during the required time.
2. Older students
3. Students who have not done the sport previously

Please Note that students whose behaviour and/or attendance at sport has been poor may not get their 1st selection.

Grade venues and costs may change depending on the number of students applying for the sport. **Grade sports are offered, although may not run due to other schools in the zone not forming teams, or not enough students from Cronulla High choosing the sport.**
