- Commencing students are required to pay 50% of one year's fees (a semester) in advance in order for the College to issue an electronic Confirmation of Enrolment (eCoE) and Confirmation of Appropriate Accommodation and Welfare (CAAW). Fees thereafter are required to be paid one semester (half year) in advance.
- A 3% discount will be granted on base tuition and boarding fees to parents who elect to pay the College fees by Friday 7 December 2018.
- A 2% discount will be granted on base tuition and boarding fees to parents who elect to pay the College fees by Friday 25 January 2019.
- Boarding fees include accommodation, food, health centre, laundry, residential and supervisory staff services and some weekend activities.
- Families requiring a formal arrangement for settlement of school fees beyond the due date will require a direct debit to be set up with the College.

Levies:

- The levies quoted do not include subject electives or music instrument hire levies. These and special excursions and other subject-related items are costed on an individual basis.
- Commencing students are required to pay their Overseas Health Cover in advance for the full period of their course up to 15 March after their course completion.

College Council Policy:

- The Council reserves the right to vary the Fee Schedule upon notice to the Fee Payer. If an account is outstanding without formal arrangement, a late payment charge of \$55 (including GST) may be applied in the first instance 14 days after the due date and then every 30 days thereafter.
- One term's notice of the student's withdrawal from the College, or change of status from Boarder to Day Student, must be provided in writing as per the Enrolment Procedures and Business Regulations (to avoid fees being charged in lieu of notice + GST). Notice must be received by the first day of Term 4 where changes are proposed from Term 1 in the following year.
- Please refer to the Clayfield College website at: <https://www.clayfield.qld.edu.au/enrolments/international-students> for general information, business regulations and policies for international students.
