

# How to enrol in Valuing Safe Communities:

## Relief staff

Lutheran schools seek to ensure that each member of the school community enjoys a positive, safe, healthy and respectful place of learning. To meet this expectation staff and volunteers of schools of the Lutheran Church of Australia (LCA), and early childhood services are obliged to meet the requirements of the 'LCA Standards of Ethical Behaviour' and related LCA policies. Valuing Safe Communities (VSC) is a school specific training program developed to comply with this expectation.

This handout provides information about how relief staff can complete the Valuing Safe Communities training. Please note that to participate in this course, there is a two-stage process which is required to ensure the integrity and safety of the training content.
