

INTERNATIONAL STUDENT ACCOMMODATION & WELFARE POLICY

Care for younger students under 18 years

Concordia Lutheran College is a CRICOS-registered provider which enrolls younger students under 18 years of age.

As part of its registration obligations Concordia Lutheran College must satisfy Commonwealth and state legislation, as well as any other regulatory requirements, relating to child welfare and protection for any overseas student enrolled who is under 18 years of age.

These obligations include ensuring that all overseas students under 18 years of age are given age and culturally-appropriate information on:

- o who to contact in emergency situations, including contact number/s of a nominated staff member, and
- o how to seek assistance and report any incident or allegation involving actual or alleged sexual, physical or other abuse.

Concordia Lutheran College has documented procedures relating to child welfare and safety, and will implement these procedures in the event that there are any concerns for the welfare of a student under 18 years of age.

Accommodation and care options for overseas students under 18 years

Concordia Lutheran College approves the following accommodation and care options for overseas students:

1) The student will live with a parent or relative approved by the Department of Immigration.

In this case:

- i. The College does **not** provide a welfare letter (CAAW) via PRISMS. The student's family completes Form 157N and provides proof of relationship to Department of Immigration at the time of visa application for approval of these arrangements. The Department of Immigration must also approve any further change of welfare arrangements.
- ii. If the adult responsible for the welfare, accommodation and other support arrangements for a student under 18 years holds a [Student Guardian Visa \(subclass 590\)](#), all obligations and conditions of this visa must be met, including:
 - a) not leaving Australia without the nominating student unless there are compassionate and compelling circumstances and the College has first approved alternative welfare and accommodation arrangements for the student for the adult's period of absence, and
 - b) advising the Department of Immigration of any change of address, passport or other changes of circumstances.

SHARE OUR PASSION FOR
LEARNING

...because learning is at the heart of everything we do.

Concordia Lutheran College requires holders of Student Guardian Visas to:

- i. maintain Overseas Visitor Health Cover for themselves and any dependent children living with them in Australia
- ii. immediately advise the College of any change to address or contact details
- iii. immediately advise the College if there are any compassionate or compelling reasons to travel overseas or not be at home for an extended period of time to care for the student.

If there is a valid reason for travelling overseas, and the College is able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the College will provide documentation approving temporary care arrangements for the student to the student's guardian and for the Department of Immigration via PRISMS.

If there is not a valid reason for travelling overseas, or if the College is not able to approve alternative accommodation and care arrangements for the student for the period of student guardian visa holder's absence, the student will need to travel overseas with the holder of the student guardian visa. In this case, the College will advise if compulsory attendance requirements will or will not be affected by the student's absence.

2) The student will live in College approved accommodation and welfare arrangements and Concordia Lutheran College will generate the welfare letter (CAAW) via PRISMS to accompany the student's Confirmation of Enrolment (CoE).

Accommodation options that may be approved by Concordia Lutheran College for full fee paying 500 (formerly 571) visa subclass students under 18 years of age include:

- i. College Boarding House
- ii. Private accommodation and care arrangements requested by the parent but approved by the College which meet all requirements under relevant state and commonwealth legislation.

Concordia Lutheran College will maintain approval of accommodation and care arrangements until:

- i. The student completes the course and departs Australia
- ii. the student turns 18 years
- iii. any appeals processes in relation to Concordia Lutheran College's intentions to cancel the student's enrolment has been finalised (including suspensions, cancellations, course progress and attendance)
- iv. the student has alternative welfare arrangements approved by another registered provider
- v. a parent or nominated relative approved by the Department of Immigration assumes care of the student
- vi. Concordia Lutheran College has notified the Department of Immigration that it is no longer able to approve the student's welfare arrangements and has taken the required action after not being able to contact the student.

Any accommodation, welfare and other support arrangements for the student must be approved by Concordia Lutheran College, including arrangements provided by third parties. Accommodation and care arrangements are checked prior to approval and at least every six months thereafter to ensure they are appropriate to the student's age and needs.

Any adults involved in or providing accommodation and welfare arrangements to the student have a blue card as appropriate (<https://www.bluecard.qld.gov.au/>).

Any changes to approved arrangements must also be approved by the College. This includes any requests by students under 18 years of age to attend "Schoolies Week" on completion of Year 12.

If a student cannot be located and the College has concerns for his/her welfare, the College will contact the student's parents / legal guardian and notify the police and any other relevant authorities.

If a student for whom the College has issued a CAAW refuses to maintain approved arrangements, the College will report this to the Department of Immigration and advise the student to contact the

Department of Immigration to ensure visa implications are understood. (See Department of Immigration at: <https://immi.homeaffairs.gov.au/help-support/contact-us>).

In the event of a significant or critical welfare issue involving the student, and if determined necessary by the College, a parent, legal guardian or approved relative agrees to travel to a designated location within three days to assume care of the student until the situation has been resolved to the College's satisfaction.

If a parent / nominated guardian wishes to assume welfare responsibility, the parent / nominated guardian must notify the College as soon as practicable of their intentions and must provide the College with written evidence of a guardian visa grant.
