# Welcome to Concordia Lutheran College

---

## ***Thank you for joining us for our 2018 Open Day!***

At Concordia, you'll find a vibrant community of innovative thinkers, where students are nurtured and empowered, and each individual is valued.

We understand the world is changing and our aim is to prepare students to face tomorrow's challenges with the skills they need to become lifelong learners and proactive citizens of the global community.

Our Open Day provides the opportunity for us to showcase the exceptional learning that takes place at Concordia Lutheran College.

You will see in this program that we have a wide variety of activities, demonstrations, displays and performances taking place during Open Day. Tours will also be conducted by staff and student leaders at all three campuses. If there is anything in particular you would like to see, please let your guide know.

There will be complimentary coffee, morning tea and sausage sizzle taking place at our Stephen Street Campus throughout the day. We thank the students, staff and P&F Association representatives who are providing this service to our guests.

We also take this opportunity to thank all the students, staff members, parents, guardians and past students who have volunteered their time to assist at our Open Day. Their passion for the College is testament to the warm, vibrant and connected community we enjoy at Concordia Lutheran College.

Thank you again for visiting our 2018 Open Day. We hope you enjoy the experience and feel that Concordia is the right choice for your child or children's education. If you have any questions or would like to enrol, see our friendly staff members at the registration desk at each campus.

## ***Open Day Special Offer***

All new enrolment applications received at our 2018 Open Day will receive a \$1,000 discount off tuition, to be credited to your account in your child's first year at Concordia Lutheran College. Conditions apply – please see our Enrolments staff members for more details.

## ***Save the Date***
