

Dear Parents and friends,

Dominic College is once again entering the Hobart City Council Christmas Pageant. Our theme for this year is "The Spirit of Christmas". In preparation for our entry Miss Nelson has been creating our banner and making small items with her class and the Year 4 students which they will carry on the day. We invite students and their families from across the school community to join us in the preparation of imagery (banners, large material candles and birds).

The Christmas Pageant is on Saturday the 21 November. Students from Years 1-6 are invited to participate. Students will gather at a meeting point (to be advised) at 9.30am. The parade will conclude around 11.30am. Parents and guardians are encouraged to walk with the group to help carry the imagery and support the students' involvement in this community event.

If your child is able to participate please fill in the below permission form.

In preparation we have the privilege of working with Naomi Marantelli a Community Artist who will work with our students on site at Dominic College. Naomi will be working with students all day Friday 30 October and Monday 2 November to create four large Advent Candles which will be carried on 3m long poles and thirty flying birds, which once made, the children will learn to puppeteer. We would love some parent helpers to work with Miss Nelson's class on Friday 30 October in Room 8 and to work with Naomi and Mrs Jo Jeffery (our art teacher) on Monday the 2 November in the MPC room.

If you are able to come help us on either day please fill out the below form and return it to your classroom teachers.

Kind Regards,

Miss Laura Nelson

Christmas Pageant 2015 permission form and Parent help form

Our family: _____ (please list names) would like to be involved in the Christmas Pageant with no. ___ children and no. ___ adults planning to walk with the Dominic Entry on Saturday 21 of November. I give permission for my child/children _____ to be involved I will/will not be walking in the parade with my child/children.

Parents are welcome to come and lend a hand helping support students to hot glue fabric wings on 30 birds and help students cut and iron large fabric lettering onto the 4 candles. We will also make 4 wreaths which sit under each candle, so lots of jobs little fingers might need some support with.

I _____ am available to help on Friday the 30 October from time: _____ to _____ or Monday on the 2 November from time: _____ to _____
