

DOMINIC COLLEGE

A Catholic School in the Salesian Tradition

2 February 2016

Dear Parents and Guardians

Welcome to the 2016 academic year at Dominic College. As you are aware, our 1:1 Laptop Program is an important framework that is used to facilitate and enhance student learning.

It is essential that both students and parents are present during the Laptop collection evening so as to receive the same information about the care of laptops, access to laptops and important information about the safe use of technology.

Students will receive their laptops at a Year 7 student and parent **'Laptop Collection Evening'** designed to ensure responsible use of laptops by student. This evening will also enhance parent knowledge and understanding of the program and our expectations of students.

This **'Laptop Collection Evening'** is scheduled to be held on Tuesday 9th February at 6.15pm, the evening will conclude by 7.15pm.

This event will be held in both the Savio and Bosco classrooms. Students in Bosco and Siena house groups will make their way to the **Bosco wing** and students in Savio and Guzman house groups will meet at the **Savio hub**. Please make your way up to these classrooms and follow the signs.

During this session, all Year 7 students will collect their laptops as well as take part in a 'getting started' session.

Please do not hesitate to contact me at gfraser@dominic.tas.edu.au if you have any questions. We look forward to seeing you on Tuesday evening.

Kind regards

Ganga Fraser
Coordinator of Teaching and Learning 7-10
