

KINDER – YEAR 10 STATIONERY GUIDE 2019

The following Stationery Guide includes all stationery and equipment requirements each student should have in order to participate in their specific subjects for 2019.

All items are to be obtained by the first day of the school year and all books must be covered and labelled clearly with the student's name ready for use.

The College offers families a convenient Online Ordering System through **OfficeMax®**. It has a safe and secure online payment system which is open 24/7 and provides delivery to your door.

There is no obligation to use this facility and families may choose to source their stationery directly from the supplier of their choice, however if families choose to use this option the Dominic College Parents and Friends Committee gain a small percentage from each sale which is used for school improvement projects.

It is recommended that you place your order prior to **31 December 2018** to allow sufficient time for items that may be on back order.
