A SCHOOL PAPER

HOLY NAME

Design. J. Cuthbert

A LETTER FROM THE EDITORS

Dear Fellow Students,

At last we have our School Magazine. It is OUR paper, to use as we wish. Bring your creative ideas into the open, and make the Magazine a channel for comment on school activities.

It is through your co-operation that this paper is in existence. Continued support will make the paper something we can be proud of. It is to be hoped that it will become part of the School tradition. We wish to thank all the contributors and we hope that this first edition will be an encouragement to the undoubted talent in the School.

Best wishes,

THE EDITORS.

MESSAGE FROM THE PRINCIPAL

Congratulations to all the girls who have worked so hard to make this paper a reality. Keep up the good work. You will remember that I often make the point at Assembly that everything worthwhile takes effort. If you want a school paper you must work for it.

I would like to take this opportunity to say how pleased the Sisters are with your growing School spirit. This School can be a great one - but you must make it so. Each girl must make her contribution by sincerely living her Faith, by being courteous and co-operative in her school life, and by extending the hand of friendship to all.

*Sister M. Bonignus O.P.*

ACKNOWLEDGEMENTS

The School Council wishes to thank particularly the typists, Julie Busch and Kathy Spencer, and the office girl, Rosemary Derrick. Special thanks too to Mrs Derrick for her help.

## A MESSAGE FROM THE PARISH PRIEST

(G.M.S)

Dear Girls,

Good luck with your publication STEP AHEAD .I hope it really helps you step out in front. Remember the thing that makes one school better than another is not success in examinations nor fame on the sports field or long traditions. No! only one thing determines the good character of a school and that is a good school spirit.

*Father Sheedy*

## LETTERS TO THE EDITOR

Dear Editor,

I'd like to draw the attention of our students to the work done by our wonderful Parents and Friends' Association and The Mothers' Club. They have provided us with such necessities as furniture, books and science and sports' equipment. Maybe we could show more gratitude to our slaving mothers by not pushing and shoving at the Tuck Shop.

"Gratified"

Dear Editor,

I think the ceilings are too high in this school. They should be lowered by taking bricks out of the walls.

"Space Hater"

(This should bring the house down - Ed.)

Dear Editor,

I think that all the girls should wear their tunics much shorter. A few of them cover their knees completely!....Well, almost.

"Mary Quant".

(What goes up must come down- Ed.)

### EX-STUDENTS

There is now a flourishing Union for Ex-Students from Holy Name School. The President (Maryanne Parkinson) is assisted by Jillian Keenan (Secretary) and Frances Loring (Treasurer), and a committee comprised of Helen Klein, Bridie Lynch and Janece Robinson. The reunions allow the girls to meet each other and to see the Sisters. A coming function is a dinner to be held to celebrate St Dominic's Day.

## HOLY NAME SCHOOL COUNCIL

1969 saw the introduction of a new system of student government, the School Council. Unlike the earlier Prefect system, the Council aims to give the students a voice in decisions involving the School, and to encourage them to develop a strong and vital School spirit.

The Council is composed of the Principal and fourteen elected members. Two of those elected remain in office for the whole year - the School Captain and Vice-Captain. Other members are elected by each class group every term. Meetings of Council are held once a fortnight, and these are preceded by class meetings at which suggestions are made to be taken to Council.

Members to date are:

Captain :	Barbara Derrick	
Vice-Captain :	Judith Grace	(Lyndel Marsh held this position until she left recently).
H.S.C. Representatives:	Marie Mills	} 1st Term
	Margaret Russell	
	Maryanne Delany	} 2nd Term
	Carol Wilson	
S.C. Representatives:	Kimbra Christie	
	Gail Smedley	
	C.	
3rd Yr. Representatives:	Ann Tolman	
	Vanessa Bailey	(1st Term)
	Carol Gibson	(2nd Term)
2nd Yr. Representatives:	Pamela Mitchell	} (1st Term)
	Elizabeth Tavaszi	
	Penelope Malone	} (2nd Term)
	Susan Newman	
1st Yr. (St Therese) :	Joanne Pratt	
	Mary Hammond	
(St Rose) :	Trudi Cody	
	Gillian Jackson	

Some results of Council deliberations have been a roster for the reading of the Epistle at the School Mass, the organisation of the coming Walkathon (in conjunction with Savio College Council), the purchase of lettering for the School name, and participation in the A.Y.C. Basketball roster. A most important part of their work has been the preparation for production of this magazine.

\*\*\*\*\*

There was a HANSON MANN called KASPRZAK who lived in a CASTLE on a HILL near the MURRAY river. He had KINKY hair and rheumatism and took MCKENZIE'S menthoids. In his back FIELDING he had BUSCH'S and ~~all~~ DERRICKS and his cat SMEDLEY. His two grandsons ALLEN and LEE fell in the MARSH and died and were buried by the local undertaker LARKIN.

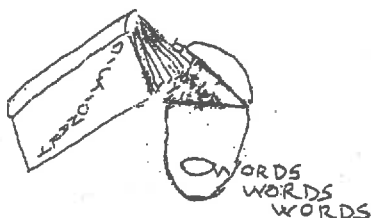

Every day he went to the town of WESTBURY in his REYNOLDS type car driven by his mad chauffeur GOULDING. He went to McSHANE'S Supermarket and brought his groceries: HINDS soup, PARSISONS oats, Uncle Toby's CUTHBERT, KEENAN'S curry, SPENCER'S bread, and his BRODERICK Pearl (made only by Orlando) with his SADEK salt.

When got home he said his GRACE before meals and while eating he WALSHED to the music of his PARRMORE records. They were: The Mighty QUINN, by Chad MORGAN and the old well known tune of HEALEY O'LEARY by the New CHRISTIE Minstrels.

On his way to the football, in which his favourite player HUDSON was playing, he ran into a bus driven by WALTON, and he killed HARRIES' and MARSDEN and critically injured MALONE.

Alas the next day he was declared insane because his COLLA was too tight, by the psychiatrist KELLEHER and was put in PEARCEY'S Home for Psychic Citizens.

THIRD YEAR - CLASS PAGE

'We talk, I believe, all day long'.

(Jane Eyre, p.413)

The typical day begins with assembly - a few of us absent, and Karen Cettinge as usual supporting the wall.

Christian Doctrine sees Anita Toffoli looking interested, while Claire Delany and Elizabeth Lincoln settle down for a comfy day beside the wall. Joylene Goss adjusts her hairdo, while Kristyna Zmendak does her daily manicure.

Maths III is next on the programme, to the delight of Kathy Witzerman and as a constant source of wonder to Patsy Lynch. Elizabeth Bowes takes her recurrent cold to Art of Speech where Janice Coad laughs and Theresa Healey finds it difficult to locate even a stray sign of intelligence.

French sees Ann Tolman's daily migration north with Margaret Snape close at her heels. Carmel Gibson shines darkly at the wrong end of the room while faithful, attentive Sandra Cashion saves our reputation. At typing Colleen Howard's brilliance illuminates her companions.

RECESS!! And at last we find that Mary Vout IS awake from her apparent hibernation.

Biology - and a test - is marked by the absence of Carol Gibson, the industry of Sandra Hunns, the repose of Annette, and the signals from a frantic Judy Rosson. Cathy Ogle rakes her curls.

Chemistry threatens the safety of the school as Debbie McKenzie and Annette Reynolds dabble in Nitro-Glycerine. Groans from the Typing Room show that Maria Crossin and Yvonne Luxemborg assist at the daily struggle, though Noreen Barry is without a care.

LUNCH!! Jennifer Roberts and Cathy O'Keefe come to life, though we are almost ready to set the date for a double funeral.

Social Studies sees Janice Sweeney and Vicki Castles ready to retire for the afternoon. Vanessa proceeds to lecture Anne Kelleher and Lorraine Mann about the wonders of the previous week end.

Italian, and as usual Jackie Fish and Lindy Walsh stroll in ten minutes late to find their front seat under Father's eye. At Maths Rosemary Filippek finds one hair is out of position and spends some pains in adjusting it. Beth Walton and Leanne Campbell exchange last night's homework.

Shorthand and we find Ruth Geary sets the pace, while Cathy O'Keefe is three lessons behind. Donna Boswood leads the Commercial Practice class to revolution with the assistance of Christine Millward.

At English Lorraine Williams discovers verbs never invented, while Denise Kelleher finds everything simple. Lorraine Buzza completes her homework with the assistance of Maree Kennedy.

ABSENT: Carol Grace. Wonder why? Maths test! Biology test!! French test!!!

4.00 p.m. : BELL. You don't see our heels for the dust!

In June the senior Art Classes went to an Exhibition of Australian Painters at the University. Mr Thomas, a lecturer spoke about the paintings. We all enjoyed the outing, and would like to express our thanks for the opportunity.

Debra Ayers.

The 2nd year Art class was very sorry to lose their former Art Teacher Mrs Williams last term, but pleased to get another good Art Teacher, Mrs Beswick, and we are sure that she will do as much for us as Mrs Williams did.

Penelope Malone.

## FIRST YEAR PAGE

St Rose's girls are redacting their projects on some of Tasmanian's primary and secondary industries. They will be put into a scrap book and sent to a school in New Guinea where the children have only been learning English for about two years. The projects are about paper, fruit, bees and other industries and our roadways and railways and one about Glenorchy City.

### POEMS

I love trees in Spring,  
When the blossom blooms,  
And leaves appear,  
When birds build their nests.

I love the trees in Summer.  
When the Summer heat comes,  
I'll sit by a shady tree  
Till the heat cools down.

I love the trees in Autumn  
When leaves change their colour  
To brown, yellow, red and orange;  
When Mr Frost covers the trees  
With his cape of white.

I love trees in Winter  
With long bare branches,  
Where the snow falls upon.  
When the North wind blows  
The trees bend their boughs in the wind.

Ritza Dellas  
(First Year.)

### WINTER

When I awaken in the morning  
The sky is very clear;  
But when the day is nearly done  
It's very wet and drear.  
The sky is grey,  
The rooms are dim  
As I begin my evening hymn.

All the bunnies are warm and tight  
In their burrows safe;  
And the big brown bear  
In the deep dark forest  
Growls his last goodnight.  
Every animal is warm and tight  
For winter has begun.

Veronica Banks (First Year.)

Enclosed Retreat

On May 30th, 31st, and June 1st, a retreat for the girls of Higher School Certificate and School Certificate was held at the Ena Waite College in Goulbourn St, Hobart. The opening talk was given by Father G. Howard on Friday evening. By this time all the girls had been shown their rooms and were settled in. We had night prayers and supper afterwards. At about 10.00 p.m. all retired.

On Saturday morning after breakfast we had a second talk by Father Howard, and the rest of the morning was occupied with discussions. We were divided into two groups and found the session most stimulating. At 12.00 we had Mass in the Chapel, followed by dinner. Later in the afternoon we had reports on the discussions and a 'Question Box' with Father Howard. This was followed by an hour of reading religious literature and of quiet discussion in our rooms. Sister M. St Luke, (Provincial of Holy Name Province,) gave us a talk about vocations. After tea we had a recreation period and a folk-hymn singing session which was enjoyed.

After breakfast on Sunday we walked to the Cathedral for 9.30 Mass. When we arrived back at the College we were given another talk. Before dinner Sister M. Xavier conducted a questionnaire session onto which the girls entered keenly with some good ideas. After dinner a reflection period gave time for quiet thought while some discussed the questionnaire again. Preparations were then made to leave for home after our rooms had been returned to order.

The girls found the weekend most rewarding and benefited greatly by the experience. We would like to thank the Sisters at the College, Sister Theresa Catherine and Sister M. Helen, for their hospitality to us, especially for the delicious meals. Thanks also to Sister M. Benignus who made it all possible. A special 'thank you' is extended to Father Howard who conducted his talks with much understanding of the problems faced by the girls. The girls were helped greatly by Father and the Sisters.

Elizabeth Klein and Francis Doré.

++ MISSION NEWS ++

Our efforts this year for the Missions have so far been largely through daily collections. There have been some Class raffles, and to our delight we had a film, 'Trouble with Angels' earlier this term. How pleasant if this could be a regular feature!

First Years are both beginning to show some enterprise in raising money, and we hope that other Classes will follow their example. So far the Mission Account stands at about \$150, so we must keep up the effort if we are to do better than last year. Every little helps!

oo )) OoOoO (( oo

First Year (St Rose) is also responsible for another charitable effort. They are running an appeal for baby clothes for the St Vincent de Paul. We hope that the contributions will be as generous as the appealing posters warrant.

Some nearly middle-aged Third Years are also very keen on hockey. So far no other school has dared to challenge them - perhaps news of fierce tactics has spread! To date, no one has lost any teeth but it is better if they don't pass to the ball to you: it tends to be too accurate!

Denise Millikan was fortunate enough to be chosen in the Tasmanian team to play in Melbourne in the Australian Sub-Junior Championships during the May holidays. ### JUNIOR COUNCIL NEWS.

The Junior Council has been in our school for round about six years. In that time we have "gathered up" quite a few members. In the Secondary School, we have fourteen members, including four officers..... Janet Walsh (2nd year, Warden), Judith Rosson (3rd Year Deputy Warden), Rosemary Derrick (2nd Year, Town Clerk) and Jackie Fish (3rd Year, News Reporter). We have meetings once a month, on the second Wednesday. Officers usually go to the executive meetings held at the Council Chambers.

The Junior Councillors are at present getting petitions to take to Mr. Bethune for a new public library in Glenorchy which would considerably add to the culture of the City.

Every year Junior Councillors have their picnic at Berriedale Reserve. A special bus is provided and every time a happy day is had by all.

The Junior Councillors are not receiving stars any more, as we feel we are too old for them. So we get an Honour Badge now, by being picked for deserving them by Mrs. Lowry (Junior Council Organiser), and her assistant, Mrs. Goodwin.

### BY THE WAY .....

Dancing lessons this year greatly benefitted those who regularly attended - - - it is also interesting to note that in the same period there was an increase in the sale of Kiwi boot polish and O'Connors have been able to erect a new store.

??????????????

The SAVIO/HOLY NAME Dance really swung with "Dogsy" Dwyer really turning it on.

??????????????

The H.S.C. "Get-together" in Savio Hall was the best move to date. Father Freeman excelled himself and gained the title of "KING GROOVER" for the evening. Father O'Leary was on hand with his technical knowledge.
