

DOMINIC COLLEGE

2018

Dedication

The Dominic College Parents and Friends (P&F) is a dynamic team who are significant leaders in our school. This team models shared leadership in their organisation, planning and collaboration. They are generous, hard-working and deeply committed to creating a great community at Dominic.

The P&F and its Committee, under the leadership of their 2018 President, old scholar, Mrs Nicola Rayner, work hard all year round. Their generous efforts to raise additional funds for College initiatives have been ongoing and they make a genuine difference to our school community.

In the past, and especially in 2018, there have been many valuable contributions to the College, through P&F signature events such as their much-anticipated Easter Raffle, Mother's and Father's Day Stalls, Sports Day BBQs, K-6 Disco, and our memorable inaugural Colour Run.

The College Community Fair in November was once again a huge success with the Fair Committee doing exceptional work and achieving wonderful outcomes.

The P&F has become an important forum, through which parents and friends can and do influence change and development in the College. Our 2018 Yearbook is dedicated in thanksgiving to the tireless, generous service of our P&F and their families who work year round for the development of Dominic College.

Principal's Report

The Dominic College community continued to develop and thrive as a wonderful educational enterprise and faith centred school across 2018. There were significant achievements by students and staff, highlighting the College focus on excellence in all of its endeavours.

Amongst these achievements was the finalisation of the College's Strategic Plan 2018-2021 *The Heart of the Matter*. This overarching plan was captured in an organisational development framework that delineates the areas of Mission, Teaching and Learning, Community and Resources and Systems for ongoing growth.

The School Development Plan, School Improvement Plan and the School Business Plan were all finalised and the School Master Plan was reviewed to align the College's next stage of facilities development with student needs and identified College priorities, particularly in our K-2.

The Religious and Faith Dimension of the College

Our Religious Education and Faith Development programs were a vibrant part of the life of the College in 2018. Our two Feast Days Masses and activities in May and August, focusing on our Salesian and Dominican patrons, were community highlights.

Our Year 7-10 St Vincent de Paul Society and our K-6 Mini-Vinnies were an active and dynamic presence for good, continually raising awareness of and practical support for those in need locally. Our student leaders were very active in supporting our outreach to Caritas Australia during Lent for disadvantaged and poor communities overseas.

The College's youth group, *Salesian Youth – Dominic College (SYDC)* enjoyed a committed membership and regular activity with their highlight being their involvement in 2018 OzBosco.

Our Year 1 teacher, Miss Madelyn Carver travelled to Samoa as part of the 2018 Salesians' two-week Cagliari Immersion learning experience. The Cagliari's Lauren Hichaaba and Romina Martiniello facilitated our Year 10 Social Justice Day.

Class masses, prayer, liturgies and retreat days for Years 7-10 and the traditional Salesian Goodnight throughout our camps

and trips all combined to be hallmarks of a rich Catholic faith community continuing to enliven and further our Salesian heritage.

International Women's and Men's Day Breakfasts

Our International Women's Day Breakfast and our International Men's Day Breakfast were held in March and November respectively. These two annual community events raise funds for scholarships to support disadvantaged girls and boys to attend our two Salesian schools in Samoa.

Building community, a sense of belonging and building a culture of aspiration are part of the purpose of these gatherings. Prize-winning portrait artist and Old Scholar, Effie Pryer (Class of 2005) reflected on her life, passions and achievements at the International Women's Day Breakfast.

Effie advised students to have an open mind to new ways of looking at and experiencing their passion and work. She hoped that if they left Tasmania, as many young people often do, that they would return here to continue to be nourished in our magnificent state and all that it has to offer them.

Old Scholar, Massimo Mele (Class of 1996), was our International Men's Day Breakfast speaker for the morning. Massimo, who is a nationally and internationally-known chef and restaurateur, has recently returned to Tasmania to live and work. He spoke about risk taking, pursuing passions and working hard for every achievement.

Dominic College Immersion to Cambodia

At the end of 2017, 10 Dominic College students, two teachers and a leader from World Challenge, travelled to Cambodia for 17 days of inspiration, hard work and service learning.

An important part of the trip included the team undertaking practical work to benefit the local community. Our students worked at an NGO school, called Ptea Teuk Dong (PTD) in Battambang where they painted the exterior of the school and donated a photocopier and sports equipment.

The team also visited the Don Bosco Technical School in Phnom Penh. Students met with Fr Charles Arun SDB and learnt how the school enables some of the poorest Cambodians to learn a trade in areas such as automotive, electronics, printing and computers. Our students donated 13 laptops, sports equipment, their sleeping bags and cash they had raised to support the Salesians in continuing with their important work.

New Members of the College Leadership Team

At the beginning of 2018, all in the College community warmly welcomed Mr Steve Casni as he energetically took up the role of Deputy Principal and Mrs Alicia McMahon as she effectively commenced in the role of Director of Faith and Mission K-10.

Both these key leaders, upon whom the ongoing development of intrinsic domains of the College is reliant, have quickly made their home at the College. They have been greatly appreciated for their ready expertise and extensive experience. It is my hope that they both enjoy the deep rewards and satisfaction of ongoing leadership at Dominic.

Opening of Fra Angelico

Students and staff commenced the 2018 academic year with the move into our completed Art and Music facilities of the Fra Angelico space. Named after the 15th Century, early Renaissance Italian Dominican artist, Creative Arts students and staff were extremely excited about and grateful for their new environment.

Our teaching and learning programs were more than ready to transfer into these new spaces which have been abuzz with student project work throughout the year.

On Wednesday 11 April, students from Year 3 -10, staff, families and guests gathered in the Savio Centre for the official blessing and

opening of this new Creative Arts complex. Our Salesian Provincial, Fr Will Matthews SDB, along with the Hon Senator Eric Abetz, blessed and opened the facilities.

2018 Creative Arts Festival

Fra Angelico came into its own as students and staff used these new facilities to prepare for the biennial Dominic College Creative Arts Festival which was held at the Salamanca Arts Centre from 29 August to 1 September. During the Festival, the Salamanca Arts Centre became a focus of exhibition, performance and teaching and learning for our students.

The art exhibition, comprising K-10 individual and collaborative student art ranged from painting, drawing and print works to photography and short films. There was a constant flow of students and families through the gallery from the Thursday through to the Saturday night of the Festival.

Over 300 students, staff, parents, friends and Old Scholars gathered for a great launch of the Festival at the Long Gallery on Wednesday 29 August. Student art works, especially the collaborative class pieces were particularly striking. Australian playwright, Finegan Kruckemeyer generously launched the Festival and inspired the gathering. The Long Gallery was abuzz with our Taiko drummers, our choir, concert band and a sword fight from our drama production.

College Production of Shakespeare's Much Ado about Nothing

The College's production of Shakespeare's Much Ado about Nothing by Year 9 and 10 students was performed in the Peacock Theatre. The actors were supported by a marvellous stage band of students and tutors and a trio of singers called the MadgriGALS who held the threads of the show. The show

was cleverly adapted by Director of Creative Arts K-10, Mr Mike O'Brien with fantastic contemporary elements interwoven for full comic and melancholic effect.

The state Governor of Tasmania, Her Excellency Kate Warner and her husband attended Much Ado on the Friday night and were full of praise for the students, and the adaptation of the show.

The essence of outstanding arts education is that students are led beyond what all imagined they could do; a door is opened for each young person to transform themselves singularly and collectively. Much Ado was a magical show with all of the elements of the comedy of Shakespeare brought to life and translated into the contemporary of now.

The Festival ended with a Talking Heads Retrospective in the Peacock Theatre on

Saturday Night with a mix of current students and old scholars. This was a stunning end to a wonderful showcase week as we were enthralled by the performance capacities of past and present students.

Opposite: Our International Women's Day Breakfast in March was a very well supported and successful community event. Above: Sarah and Ella Fitzpatrick perform at the Fra Angelico Opening. Finegan Kruckemeyer (centre) launched the Creative Arts Festival in August. The Tasmanian Governor with some of the musical cast from 'Much Ado About Nothing.'

Launch of Year 5 and 6 Band Program

The year commenced with the launch of a new Year 5 and 6 Band Program. Under this initiative, every student in Year 5 and 6 was challenged to learn an instrument, and form a band in their class music lesson time. The classes were taught by current Music teacher, Martin Smith, who has extensive experience in teaching class band programs. Alongside him in each lesson, were our music tutors John Keenan, a woodwind specialist, and Mark Schmalfluss, bass guitar and percussion. These Band classes were extended to 90 minute periods per week to support student learning.

It is the College's hope that this initiative will support the future growth of instrumental music at Dominic, giving students an excellent opportunity to learn an instrument and experience a high quality band program that is fully aligned with the Australian Curriculum.

Ongoing Development of Science

Our stable of animals in the Animal Husbandry program continued to expand with the birth of baby Alpaca, Luna Star, born early February. She joined our three mature alpacas. Two four-month old miniature pig siblings also arrived in February to the great excitement of students and our Nubian goat, Tempest, gave birth to the very endearing Hugo. Blossom, the surviving twin of our Border Leicester, was also born this year, and has continued to thrive this year under the loving care of our staff and students.

Our inaugural Science Fair was held on Wednesday 15 August. Our K-6 staff and 7-10 Science Faculty made this event a success despite the rain, and it was well

supported by our parent community and wider community.

Our K-2 students were involved in a range of activities such as tracking weather patterns to exploring the planets in our solar system. Year 3-6 students displayed their investigations into living and non-living things, as well as investigations into forces by constructing marble run challenges and theme parks. Year 5 were actively working in the STEAM Lab on their Life Giving Cows Project, while our Year 6 scientists

Above: The National Archaeology Week launch team. Our miniature pigs are part of the large number of animals now cared for by our Animal Husbandry students. Dominic College Year 5 students in the 'Cows Create Careers' Project were awarded the Best Junior School (Years 5-8) title.

proudly displayed their sustainably powered structures to withstand natural disasters.

Year 7 and 8 students were involved in a range of scientific games throughout the course of the day, and all had the opportunity to visit the Year 9 and 10 “Passion” Research Projects. These projects were developed by individual students and were the central focus of their Science lessons during the first semester. They researched and used data to draw conclusions about their inquiry questions.

The inaugural Science Fair was an excellent day of investigation and engagement as well as showcasing of student work.

National Archaeology Week Launch

In May, the College hosted the Launch of National Archaeology Week for Tasmania. This was a fantastic event and involved all Year 6 and 7 students. It aimed to promote the value and importance that archaeology, history, and heritage play in our society. We were very fortunate to be working with Old Scholars Samuel Dix and John Stephenson, both experts in their field, as well as a number of other guest archaeologists. Sam has recently been working in England where his team made some exciting Bronze Age discoveries.

The launch included a showcase of John Stephenson’s very impressive Virtual Reality reconstruction of colonial 1828 Hobart Town.

Students spent the day rotating through a series of hands-on workshops and presentations run by the archaeologists and our own staff including mock digs, working with artefacts, and exploring indigenous rock art. These activities were designed to spark students’ curiosity, develop evidential reasoning skills and foster critical thinking.

Renewal of School Registration

Dominic College’s registration as a school operating within Tasmania was due for renewal this year with an expiry date of 31 December, 2018. School Registration renewal processes commenced in 2017, led by our School Registration Team comprising Mrs Selina Kinne as Director of Registration K-10, the Director of Pastoral Care K-10, the Deputy Principal, the Chief Financial and Operations Officer and the College Principal.

The team and College staff worked collectively to ensure strong documentation to reflect our compliance with the state’s new School Registration Standards. Our final documentation for School Registration was submitted and delivered on Monday 4 June to the Office of Education Registration (OER).

This significant work in preparing for renewal of registration culminated on Friday, 31 August when we hosted our School Registration visit by the OER team.

During the audit visit, the OER team conveyed significant commendation to Dominic College on the thorough documentation and exemplary approach the College is taking towards all of its practices. There was high praise extended for a genuine and obvious commitment to continuous improvement in all facets of school life. Mrs Selina Kinne was highly commended for her excellent planning, documentation and approach to our re-registration process as our Director of Re-Registration.

Planning for Three Streams of Kindergarten in 2019

The College was supported in 2018 by the Salesians of Don Bosco to initiate a restructure of our K-6. The College’s capacity to enrol more students to meet demand and

simultaneously reduce our class sizes K-6 is linked strategically with our ability to establish three Kindergarten classes. Having three streams of Kindergarten in 2019 will enable the College to have class sizes of 25-26 students.

Support was received from the Tasmanian Catholic Education Commission (TCEC) to establish a three stream Kindergarten in 2019 while the development of the College’s overall proposal is explored and investigated by the TCEC.

In 2019, Dominic College will intake approximately 75 students at this entry point and the Salesians of Don Bosco and our College Council are hoping that this will commence a planned roll out through our K-6 of smaller classes.

2018 saw the College commence the initial exploration, design and development of a new K-2 precinct at the College. This development will be located in the vicinity of our Magone Centre and the Year 5 and 6 area. Our Master Plan has Year 3-6 placed in the current K-4 area.

We are hoping that this significant and exciting building development and refurbishment, over a number of years will bring wonderful contemporary facilities to our K-6.

Student Achievements

Each year Dominic College students take part in the International Competitions and Assessments for Schools (ICAS). Over one million student entries are accepted from more than 6,300 schools in Australia and New Zealand annually and students from over 20 countries participate in ICAS, organised by the University of NSW.

Four ICAS medals were awarded to Dominic College students in 2018 for placing first

ICAS medal-winners, Grace, Sebastian and Oscar.

in the state. Grace Wilson in Year 2 and Sebastian Smith in Year 3 were awarded Spelling medals; and Oscar Breslin in Year 8 was awarded medals for Science and Mathematics.

In May, we had eight students from Year 8, and eight students from Years 9-10 compete in the Da Vinci Decathlon. The Da Vinci Decathlon is an academic competition designed to challenge and stimulate students who compete in teams across 10 different disciplines. The College's Year 8 team was awarded first place in 'Cartography' and second place in 'Mathematics'. The Year 9-10 team gained first place in 'Engineering' and 'Creative Producers' - an excellent achievement in a highly competitive field of students.

On the final day of Term 2, the Dance classes took to the stage at the Derwent Entertainment Centre. Both our Year 8 and our Year 9&10 Elective Dance classes performed in the schools section of the Southern Tasmania Dance Eisteddfod, on its opening day. The results were again outstanding for Dominic, with the 9/10 Class receiving first place and the Year 8 class awarded highly commended.

Awards for Excellence amongst Dominic staff

Our 7-10 English Coordinator, Mrs Jan Marcenko was awarded a prestigious Bell Shakespeare Regional Mentorship for the

development of Shakespeare at the College in 2018. This commenced with Mrs Marcenko attending intensive professional

learning at Bell Shakespeare in Sydney and ongoing mentoring and support. Jan commenced redesigning teaching units with the English faculty to meet the specific needs of students at Dominic. Artists from Bell provided in-school performances for our students later in the year.

Mrs Marcenko was further nominated for and received a 2018 Australian Council for Educational Leadership Tasmania (ACEL TAS) Award for Excellence in Educational Leadership. Our Coordinator of 7-10 Humanities, Mr Ben Fulton also received an ACEL TAS Early Career Teacher Leadership Award. These 2018 awards were presented at UTAS in August. Both of these College leaders have demonstrated excellent leadership in implementing improved educational outcomes for students over a number of years.

The College's Director of Creative Arts K-10 Mr Mike O'Brien and K-2 Coordinator of Teaching and Learning Mrs Jane Doyle were nominated for the Australian Education Awards and were short-listed for Head of Faculty and Teacher of the Year. We are proud of both these leaders. Jane won the section of the Australian 'Teacher of the Year' - a wonderful achievement and recognition of Jane's diverse work over many years at Dominic College.

Mrs Linda Douglas, one of our Kindergarten Teachers and Launch into Learning Teachers,

was recognised with the prestigious, Kate O'Driscoll Aspiring Leadership Award (KOALA) Scholarship. The scholarship, which is managed by the Catholic Principals' Association Tasmania (CPAT), supported Linda's attendance at the Early Childhood Australia's (ECA) National Conference in September in Sydney. The conference theme was 'Be the Difference for Children and Families.'

Mrs Ganga Fraser, our Co-ordinator of Teaching & Learning 7-10 was awarded the Gallagher Bequest Churchill Fellowship. Ganga is one of 112 Australians, including seven Tasmanians, who have been recognised with a prestigious 2018 Churchill Fellowship.

Above: Mrs Jan Marcenko and Mr Ben Fulton received Australian Council for Educational Leadership (ACEL) awards. Mrs Jane Doyle, Australian Teacher of the Year.

Ganga has developed our 'Step Up' Program at Dominic College, a numeracy and literacy intervention program, in which identified students with gaps in their learning by Year 7, attend Saturday school and summer school. In 2019, she will travel to North America and Scandinavia to investigate educational interventions that improve literacy and numeracy outcomes for students.

Hall of Achievement

The Dominic Old Scholars Association (DOSA) nominated Dr Keith McVilly and Dr Alison Magill for the College's 2018 Hall of Achievement. Dr McVilly is a professor at RMIT with a clinical psychology background specializing in research on people with disability and social inclusion. Dr Magill is a research chemist who has most recently worked at the UNSW.

Dr Alison Magill and Dr Keith McVilly

The purpose of the Hall of Achievement is to recognise and acknowledge significant achievements by Old Scholars of Dominic College – achievements that have upheld the spirit and values of our founder, Don Bosco, including hard work, honesty, respect and good citizenship. Both of these Old Scholars have integrated these core values into their lives and the College community is indeed proud of them.

Partnerships

The College continued to develop and secure partnerships across 2018 to enhance teaching and learning in the College and provide

Ms Jenina Evans with our Year 9-10 Elective Dance students.

opportunities for students. Our premier partnership with Jenina's Dance Workshop (JDW) in the teaching of Dance entered its fourth year.

Dance continued to grow and strengthen, with a Year 9/10 elective dance class running for the second year, taught by Ms Jenina Evans.

We entered negotiations with the Dominic Old Scholars Association (DOSA) Football Club and their President Luke Golding in the development of a partnership and Memorandum of Agreement regarding support of our Football Program and Athletic Development and branding of the College within the Football Club. This two-year agreement was signed and saw a much closer bond between the Club and the College.

The College established a new partnership with the Multicultural Council of Tasmania (MCOT) to assist some of the diverse communities in Glenorchy to study and celebrate their first language and culture.

The College LOTE space began being used for after-hours classes which encourage the communities' younger generations to learn and celebrate their cultural heritage and families' first language. As part of the school's initiative for intercultural education, the classes are also open to Dominic College students to attend.

Dominic College Year 9 and 10 students were involved in a Creative Arts engagement and research opportunity in partnership with the University of Tasmania and TMAG in 2018. The Museum Research Project was an initiative in exploring young peoples' experiences of the museum and their changing perspectives as they entered the role of guides and advisors.

Dr Mary Ann Hunter from UTAS worked with our students to reflect on their experiences and a film maker was engaged in making a documentary on the research as part of the research project documenting the process. This has been an excellent project for our students.

Vietnam – Kindergarten Partnership

In 2018 we developed a partnership and friendship agreement with Bao Quyen Investment & Education Development in Vietnam's Ben Tre Province to connect our Kindergartens. Dominic will have a role in supporting and providing curriculum to guide Bao Quyen Kindergarten 2 to become an Australian standard Kindergarten, initially using the Australian Early Years Framework (EYLF). Bao Quyen Kindergarten 2 will be integrating English into their curriculum and we will have a key role in supporting them.

Together we will facilitate communications between the two schools that encourages understandings of similarities and differences between society and culture in Vietnam and Australia. We are hoping that jointly we will undertake the celebration of a biennial Asian-Australian Festival, commencing 2019.

Our Memorandum of Understanding will see us co-develop deeper understandings of the Australia's Early Years Learning Framework (EYLF) through an annual teacher exchange visit between the two schools to support teacher professional learning in the two different settings. It will also see Dominic College committing to provide annually face-to-face professional learning delivered to staff at Bao Quyen Kindergarten 2 in areas they identify for support.

Initiation of a Sister School Relationship in Japan

The Principal visited a number of Salesian schools in Japan in Term 3, meeting a range of Principals, teachers and students in Salesian schools. There was considerable interest in and enthusiasm for our desire to establish a variety of relationships with Japanese schools.

As a result of this visit, Mr Koji Sueyoshi, the Principal of Salesio School in Shizuoka, visited Dominic College in October to further develop our proposal for a sister school relationship and partnership.

Salesio is a co-educational K-12 Salesian School with a commitment to internationalism and the promotion of English speaking. Shizuoka is about 1 hour south of Tokyo by Shinkansen (bullet train).

We will commence the development of an initial partnership agreement in 2019-2020. This will involve a two night and day homestay visit by our Year 9 & 10 students to Shizuoka in 2019, the initiation of a joint student enquiry project and the commencement of a teacher exchange program.

College Japanese Program

The 2018 Japan Study Tour proceeded this year with 12 Year 10 students, led by Mrs Belinda Kumashiro and Mrs Selina Kinne.

Mrs Kumashiro successfully developed a Taiko Drum acquisition proposal for the P&F and College as an area of ongoing development for student enrichment and extension in Japanese Studies. Participation by students playing the Taiko Drums has

been a wonderful development in our College this year.

In August, Dominic College developed a Year 4 Japanese Cultural Day for our students and neighbouring schools. One of the highlights was three of our Year 4 students presenting eloquent speeches about themselves in Japanese to the whole Cultural Day assembly. Visiting students and staff came from Westerway, New Norfolk, Austins Ferry and Windermere Primary Schools, and were joined by our Year 4 students and their teachers, as well as our Year 9/10 Elective Japanese students. Students were involved in a range of learning activities including Taiko and Origami, Shibori Dyeing, Sushi Making, Robotics, Calligraphy and a range of Japanese games.

AHISA Visit to Dominic College

The College prepared for and hosted a visit by a contingent of Associated Heads of Independent Schools Australia (AHISA) Principals on the last Friday of Term 1 as part of our contribution to the AHISA National Conference: Leading Learning & Caring.

The group came to look at our Creative Arts facilities and learn about the development of the Creative Arts over the last five years. The

visit was a terrific success and the welcome by our Senior Choir and was particularly appreciated.

The Director of Pastoral Care K-10 Mr Andrew Pritchard, Coordinator of Pastoral Care 7-10 Mr Aaron Davey and Coordinator of Teaching and Learning 7-10 Mrs Ganga Fraser presented at the AHISA National Conference.

Raising Girls and Raising Boys

In 2018, the College, generously supported and subsidised by our Parents and Friends, successfully secured internationally

renowned psychologist, author and speaker, Mr Steve Biddulph, to present to the College community.

Steve gave two presentations at the College on raising and educating boys and subsequently on raising girls. Much of his work is the basis behind our Year 9 EMPOWER 'Rite Journey' Program.

Both evening presentations saw a packed Savio Centre comprising our own parents and staff as well as large numbers of members of the wider community. These were encouraging and affirming sessions for parents and we were grateful to all who facilitated these excellent opportunities in parent education and parent empowerment.

College Reviews

In 2018 Terms of Reference for the review of the College Library were developed and Mrs Bobby Court, education consultant and

former Principal of GYC, was engaged to conduct a review of the library in Term 2.

A review of the Outdoor Education and Adventure Recreation Program was also initiated under Terms of Reference. The review was led by Deputy Principal, Steve Casni and an internal review team.

Both reviews involved various data gathering to gain an understanding of contemporary thinking around these areas as well as future opportunities for program development. The College Leadership Team has considered recommendations and the final reports for future implementation.

Mental Health Week

Our Year 7-10 student leaders, led by College Captain Maggie Baker, together with the Coordinator of Pastoral Care 7-10, Mr Aaron Davey, developed an inaugural Mental Health Week at the College in June. This was an excellent initiative. Our 7-10 students had diverse opportunities to consider how to be resilient and develop coping strategies as they grow and face all of life's issues.

Students were involved in a broad range of skill building sessions and community building activities, including two breakfasts. The program included presenters from Little

Help Project, Speak Up and Stay ChatTy, visits to Luke Jackson's Action Fitness Centre, student leader-led sessions on Body Image and Self Defence and Yoga. At the extended 7-10 assembly, Teen Challenge Tasmania Executive Director, Tanya Cavanagh, spoke very effectively to students about addictions and the irreversible damage of the use of alcohol and drugs as part of their #notevenonce program.

Staff Professional Learning

The K-10 Writing Project continued under the leadership of the Director of Teaching and Learning K-10, Mrs Selina Kinne. The team worked with Queensland education consultant Yvana Jones on the ongoing development of 'Writing' across the College.

Our 2018 Writing Plan utilised K-10 Teacher Meetings and was led by the K-10 Writing Team. Our mantra that 'Everyone is a teacher of writing' continued. We focussed on developing strong use of sentence structure followed with paragraphs to ensure this is embedded in all subject areas and year levels. We monitored and measured 'sample sentences' and 'sample paragraphs' from students in all different subjects and year levels through a data collection and analysis model once a term.

Our focus in 2018 continued to be on Teacher Clarity and especially how the use of 'Learning Intentions' and 'Success Criteria' in planning, instruction delivery and classroom visibility are linked to higher student achievement. K-10 teachers continued to reflect on their planning in order to ensure we have an in-depth understanding of the way teacher clarity linked with timely feedback, can hasten student achievement significantly.

The Salesian Community in Glenorchy

In 2018, the Salesian Provincial, Fr Will Matthews SDB, appointed Fr Greg Chambers SDB and Fr Damian Sladen SDB to the Glenorchy Community. Fr Greg Chambers was appointed for the year only and after completing his time as Provincial, has spent time here and overseas. We wish our wonderful former Principal well as he takes up the role of Rector of Salesian College Chadstone in 2019.

Ordained in 2001, Fr Damien is from India with an Agricultural Science background, school, parish and missionary experience in animation. Fr Damien has been warmly welcomed.

Fr Nick Castelyns SDB transferred to Samoa in June, to provide assistance to the Salesian Community in Samoa.

At the end of 2018, Fr Lawrie Moate SDB will conclude his 10 year term as Parish Priest at St John's and his role as Acting Rector at Dominic for the last two years. Fr Lawrie will transfer to the Salesian Community at Salesian College Chadstone.

After 10 years at Dominic College, Br Michael Morrow SDB our much loved Teacher Assistant, will also leave our

Dominic College's Leadership Team.

community. He has been transferred to Salesian College, Sunbury.

We wish both Fr Lawrie and Br Michael every blessing as they undertake these significant moves. We are deeply grateful for their loyal and generous service to the Dominic community. We pray and hope they will continue their close ties to Glenorchy.

Thanksgiving for 2018

2018 has been a productive and rewarding year for Dominic College and has seen significant planning for our next stages of development. Staff, students, parents and Old Scholars have made many significant contributions to the College community.

Dominic College is a strong school community, achieving excellence because of the collective wisdom and initiative of our stakeholders and the effective leadership of the many in designated leadership positions who have supported our shared vision.

The staff at Dominic College are a dynamic, hardworking team of outstanding and experienced educators, leaders and administrators dedicated to our students and to the College.

The exceptional efforts and commitment of our College Leadership Team, comprising Steve Casni, Selina Kinne, Alicia McMahon, Andrew Pritchard, Dylan Chivers, Mike O'Brien and Fr Lawrie Moate SDB continue to ensure that Dominic College is developing and growing in all dimensions.

Our College Council and its outstanding Chairman, Fr Bernie Graham SDB, Vice Provincial of the Salesians of Don Bosco has enabled the College to achieve a great deal in 2018 bearing witness to the Gospel in the tradition of St John Bosco and St Dominic Guzman.

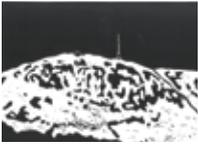

Beth Gilligan
Dominic College Principal

S

love &

Deputy Principal's report

2018 has been another year of challenge, growth and learning at Dominic College. At the beginning of this year I challenged all Kindergarten to Year 10 students to simply 'Do Something' each and every day to make their journey at Dominic the most wholesome experience possible. I reminded them that they can 'Do Something' by getting themselves fully engaged in all learning experiences in the classroom, by being kind and welcoming to a new student they see in the playground, or by getting themselves involved in the co-curricular life of the College such as Sport, Creative Arts, Debating or anything they may want to try. I reminded them that if we all 'Do Something' we can achieve anything we put our minds to. As I reflect on the year that has passed, I can truly say that our students have certainly done a great deal this year to make their experience at Dominic a rewarding one and one that has continued to build a strong sense of community among all.

The Charter for Salesian Schools in Australia most certainly challenges our community to 'Do Something' by asking us to be:

- A home that welcomes
- A parish that evangelises
- A school that prepares for life
- A playground where friends meet and enjoy themselves

Each of these challenges has been demonstrably met throughout 2018 through the various activities and experiences on offer at the College.

In 2018, Dominic has been a **HOME** that welcomes through the wonderful relationships and bonds that have been formed based on genuine care, affection, openness and acceptance of others. Students and teachers alike have exhibited an attitude of optimism in relation to learning and have

fostered a spirit of joy and hope based on the teachings of Christ.

Dominic has been a **PARISH** that evangelises, displayed through the whole College mass celebrations, feast days, retreat programs and sacramental encounters. Through prayer, liturgy and RE classrooms, there have been significant opportunities for students and staff to nurture their faith and give thanks for the gift of education at Dominic College.

Dominic has been a **SCHOOL** that prepares for life through the amazing variety offered in our teaching and learning program. Students have been given many opportunities to experience not only the Australian Curriculum, but a range of hands on, real life learning experiences that foster crucial skills needed once they leave school. Our staff too have had many opportunities to learn and share their learning experiences with colleagues to continue to improve their practice and equip them to provide quality learning experiences for their students.

Dominic has been a **PLAYGROUND** where friends meet and enjoy themselves, shown through various celebrations and festivities

this year such as Community Feast Days, the Colour Run and College Community Fair, to name a few. Students, staff and the wider community have interacted with one another and continued to build positive relationships with each other through these and many other engaging events and opportunities.

These great challenges cannot be achieved in isolation by the students alone; it takes a dedicated staff and supportive parents and carers to allow the aspirations of our students to be enabled and allowed to flourish. I would like to express my sincerest gratitude to all our parents and carers, the wonderful support staff, the members of the College Leadership Team and all the leaders, teachers and teacher assistants who have worked collaboratively to ensure that Dominic students have been able to finish the 2018 school year with a sense of achievement. My very best wishes to all our Year 10 students who have now become Dominic Old Scholars and all staff and students departing this year. May God hold you in the hollow of his hand as you journey into your future pathways and adventures.

*Mr Stephen Casni
Deputy Principal*

Mr Andrew Pritchard, Head of Pastoral Care K-10 and Mr Stephen Casni, Deputy Principal after the Colour Run event.

Rector's Word

As you conclude the 2018 school year, so I conclude my second term at Dominic College. The first was from 1973 till 1983: the momentous years when Savio College became Dominic College and when co-education commenced. My second decade at Glenorchy was from 2008 till 2018: the first two years of which I was College Rector and the last two years of which has seen me take on the role of Acting Rector in Fr Peter Rankin's absence, as well as being Parish Priest at St John's.

Dominic College is in my blood. It was my first leadership appointment after my ordination, and many of the staff who were my colleagues, the families I became associated with and the students I taught, are still close friends. It is therefore with sadness that I pack my bags and leave this beautiful island. I do so also with a spirit of optimism and in the knowledge that Dominic College is in good hands, that the future of Don Bosco's system of education and the Family Spirit he bequeathed to us is bright and that Dominic will remain in the forefront of education in Tasmania.

I have been inspired by your cheerfulness and friendly waves: by the two students who only a few weeks ago said, as I was walking by the Siena classrooms, 'We'll walk with you to the meeting.' I have been inspired by your enthusiastic participation in our Feast Day Masses and Class Masses; by the beautiful way students who made their First Communion and Confirmation had been prepared and by the sincerity with which Year 5 students recently approached the Sacrament of Reconciliation.

I have been inspired in these last two years particularly by the way you have welcomed and respected students who do not "fit the mould". I have been inspired by the sheer skill and artistry of students who

have excelled at the Creative Arts and who astounded me by their performances at 'Say it Loud', 'Talking Heads' and the Dominic Art Exhibition.

I have been impressed when attending the Anzac Day service at The Glenorchy Memorial to see Dominic students present voluntarily during their holidays to pay their respects to the fallen and to pray for peace. I have been impressed at chance meetings with employers who go out of their way to praise the Year 10 student they had for Work Experience.

I have been impressed each time I have attended Women's Day and Men's Day Breakfasts to hear Old Scholars giving the key-note address. They are making an impact on our society and they reminisce about their days at Dominic and challenge present students to also make a difference.

I have been particularly impressed by the maturity and commitment of a special group of students – the College Leaders. The Captains, Maggie Baker and Will Parkinson

have been a great example to all of leading from the front.

I would like to thank and pay tribute to my colleagues on the College Council and the College Leadership Team and especially our Principal Ms Beth Gilligan for her visionary leadership. I want to congratulate teaching and administrative staff for the calibre of the education they are providing. Our Grounds Staff deserve praise for the condition of the ovals and gardens. It is always a pleasure to drive into the property.

The memories and the myriad achievements of this year are recorded clearly in the pages ahead. Re-live them, savour them, take up this Yearbook in years to come and as you give thanks, recognise that God was with us in 2018.

May He continue to bless this college and all who make part of their journey in our company.

*Fr Lawrie Moate SDB,
Acting College Rector*

College Captains' Report

It has truly been a great honour to be the Dominic College Captains 2018.

And what a year it has been...

We held our biennial Creative Arts Festival and each time it grows in scope and talent. This year was no exception. The Festival was packed full of entertainment, from Taiko drumming at our opening ceremony to our own production of Shakespeare's 'Much Ado About Nothing.' Mr O'Brien, Director of Creative Arts, organised the first ever Talking Heads Retrospective in which we saw many familiar faces of past students performing once again to the Dominic community.

One of Dominic College's most amazing qualities as a community is our extraordinary levels of participation and involvement, and this year's Athletics carnival displayed that phenomenally. We achieved over 94% attendance and this fantastic level of participation culminated in the closest House result in Dominic history. Bosco House were the overall winners but it was a day to be remembered, filled with laughter and cheering and some sensational Dominic spirit.

One of Dominic College's passions is our love of the Creative Arts and this year we were blessed to have the Fra Angelico Building construction completed. This brand new addition to our school is just the beginning of the exciting things to come as Dominic consolidates the modernisation of learning facilities. Fra Angelico is now home to all of the Year 7-10 Music and Art classrooms and has its very own recording studio, private soundproofed rooms for music rehearsing and sensational new Arts rooms.

Science Week was very successful with students in Years 9 and 10 designing an experiment or product that we showed to the

Dominic community. We wish to thank all the 7-10 science teachers for their dedication and commitment to helping the students and a special thank you to Ms Myers for her passion in creating this event for the school.

There were many highlights and special moments for the College. Our champion, Sam Walker (Guzman Sports Captain) headed to the Gold Coast to represent his country in the T38 100m event. The entire Dominic community are so proud of what Sam was able to achieve not only at the Commonwealth Games but for his entire athletics career. He is a humble athlete whom we recognise for his amazing achievement. Congratulations Sam!

For our Year 10 Leavers Gift we raised money for newly designed House Mascot Banners and we are going to introduce a Vice-Captains Board. We wish to thank the students for their support and help with participating in the fundraising events for these gifts.

The Parents & Friends were fantastic in creating and establishing the first ever

Colour Run for students. This was a fantastic event for all. We wish to thank the P&F for their endless, tireless work; they are an amazing and dedicated group and we are very lucky to have them. The Colour Run was an awesome event thanks to them.

This year the four College Captains decided to specially focus on mental health by having our first ever Mental Health Week. Support came from amazing mental health organisations: young leaders from The Little Help Project, the inspirational Mitch McPherson and the Speak Up Stay ChatTY team. For our 7-10 assembly, we had a presentation by Tanya from #notevenonce. We were also extremely blessed to be able to have Olympic champion boxer

Standing: Ms Gilligan and Mr Casni. Sitting: Ashley Cano Calderon, College Vice Captain, Maggie Baker, College Captain, Will Parkinson, College Captain, James Stansbie, College Vice Captain.

Luke Jackson present and train with Year 10 students. We wish to thank all these inspirational and outstanding people. The College Leaders ran Body Image sessions with Year 8 students, Mr Davey and Miss Brownrigg. The leaders also ran breakfasts for the students, a pancake breakfast and an egg/bacon roll breakfast. We also had yoga and self-defence classes for 7-10 students and staff. We want to help and support students who are struggling with mental health issues: remember we are here for each other, and that no matter what, we will love and protect each other from whatever may come in our way. We are stronger together.

As Captains this year we have been blessed to have the opportunity to work alongside some of Dominic's most amazing leaders. The SRC representatives and Year 10 leader group were able to work productively. Everyone in the Senate was supportive and contributed in every way and was appreciated. Year 7-9 SRC representatives have been some of the most passionate and eager to contribute to our school that we've ever witnessed; they will all be inspirational leaders to their peers as they continue their years through Dominic.

2018 has been an amazing year. But it wouldn't have been without certain people.

Firstly, our vice captains: James Stansbie and Ashley Cano Calderon. We have done this job together and we couldn't think of two more amazing leaders to be by our side.

Mrs Davey, Miss Brownrigg, Mr Parkin, Mrs Le Rossignol and Mr Wright are the greatest House Coordinators. You have been the best support base that we could ever ask for, your kindness, love and support has been legendary and no words can say how grateful we are for that.

Mr Pritchard, Mrs Fraser and Mr Golding, your guidance and advice throughout this

entire year has been the best that we could ask for. You have been people that we could rely on and trust and we can never thank you enough for that.

To Ms Gilligan and Mr Casni: thank you for having the faith in us to do this job. Without your constant love and support we wouldn't have been able to have done what we have done. We will be forever grateful for this opportunity that you both gave us. So thank you from the bottom of our hearts.

Thank you to the person who has been by our side throughout our entire life here at DC, Mr Davey. The amount of love, advice, support, and kindness you have given us can never be repaid. No words can say how grateful we are for you. Without your support – we both wouldn't be standing here today. You have been the ultimate person to look up to and aim to be like; you have been a role model to every student here at

Dominic. We can never repay you for this. Thank you.

And to the most important people, the students. Thank you for having the faith in us to do this job. We hope that we have done you proud in what we have been able to do this year for the college. We want you to remember that we are here for each other and we must support one another. We are stronger together.

We also want to wish our 2019 leaders, Maddison, Lachlan, Tom and Ella the best of luck for next year. You all will do an amazing job and we are extremely proud of you all.

Thank you once again for an amazing year. We will forever be grateful for the love that Dominic College has given us.

*Maggie Baker and Will Parkinson,
2018 College Captains.*

Launch into Learning

2018 has been the second year of LIL at Dominic College. What an amazing opportunity this has been for us as educators but more importantly for the families and children. Of the Kinder group this year, only a handful of children didn't attend LIL and the difference really shows how much the pre-learning can make to them once they start in Kinder. To have that familiarity of expectations, enthusiasm for learning and ownership of space is wonderful. With LIL this year we have jumped from three groups to five groups, so this offers many more families opportunities for their preschoolers.

Next year we will offer LIL again to our families for the third year. The program is open to pre-kinder children and parents who want to enjoy a family-centered environment. Grandparents are welcome to bring their grandchild if parents are working or ill.

LIL was run in 2018 by Mrs Linda Douglas who took the Tuesday sessions and the Monday Pre-Kinder session, and Mrs Jane Doyle took the Thursday and Friday sessions. Both are very experienced Early Years educators with over 25 years' experience. Miss Madelyn Carver took over from Mrs Doyle in Term 2 and ran LIL on Thursday and Friday.

*Mrs Linda Douglas
Kindergarten and
Launch into Learning*

Teaching and Learning

K-2 Teaching and Learning

When looking for a quote to use to begin this article, I found one which appealed to me by Ivan Welton Fitzwater, a well-known American educator. He said: “There is no word in the language I revere more than ‘teacher’. My heart sings when a kid refers to me as his teacher, and it always has.”

Teaching in the Early Years, is a passion. We are incredibly fortunate at Dominic College to have staff - from classroom and specialist teachers to Teacher Assistants - who work in these Early Years classrooms who are amazing, passionate and uniquely talented. Our K-2 staff are constantly sharing the skills millennial students need to be successful. They also expect their students to work hard to acquire these skills. The opportunities for every student to reach their potential have been present across every curriculum area this year. Our students have enjoyed an abundance of experiences with which to learn new concepts, acquire new skills or reinforce and connect to prior learning.

Assessment has many purposes in the Early Years - to identify children achieving benchmarks, to inform planning and determine the success of programs we have implemented. This year our students have participated in ausPIPS and ICAS. Both of these assessments are conducted across Australia and provide teachers with information with which to develop programs and indicators of student achievement and growth throughout the year. The information gained from both of the ausPIPS assessments in Prep is discussed in a parent workshop in Term 1 and included in students' Term 1 Expectations Reports and also the End of Year Report. The ICAS Spelling assessments are indicative of the knowledge our students have gained from programs such as Words Their Way and

Reading Eggs - both programs are now available across Prep-Year 6. This year we have again experienced success with Grace Wilson in Year 2A receiving a gold medal for the highest mark in Year 2 Spelling in Tasmania.

We have continued to use online programs to support different learning styles with Reading Eggs and in the second half of this year we introduced the new Early Years version of Mathletics on a trial basis in Prep-Year 2. Hands-on learning is always successful in the Early Years. This year, this has been done through investigating and using the outdoors as our classroom. The Kinder program naturally lends itself to including outdoor learning because of its play-based curriculum which focuses on discovery learning. In Prep-Year 2, gardening has become an integral tool in Science, MMK, Maths and English as students have

tended garden patches in various parts of the school grounds. Dr John O'Reilly has continued his alliance with us as the Scientist in our School.

One of the most important aspects of the Early Years classroom is the relationships we build and maintain with our parent body. We thank our parents for the immense trust they show in us to be with their children as we educate them. We also thank them for their continual support, whether it be in classroom programs such as Magic Words or Home Reading or in our kitchen as we prepare meals. Without this valuable support we would not be able to provide as many programs as we do at Dominic College.

Mrs Jane Doyle, Coordinator of Teaching & Learning K-2; Literacy Support K-2

Year 3-6 Teaching and Learning

If as American writer William Arthur Ward says, 'Curiosity is the wick in the candle of learning' then the candle has been burning very brightly for Dominic College students in Years 3-6 this year. Through the many and varied learning experiences across the year, students have had the opportunity to feed their curiosity and find answers that help them explain how the world works.

Our students embraced hands-on discovery, investigation and STEAM learning incorporated into core curriculum areas. Through many different activities students developed their ability to work collaboratively. They demonstrated critical and creative thinking as they problem-solved to find effective solutions.

Caring for Cookies and Cream, a silky bantam hen and three chicks named Shadow, Moonlight and Darkness proved to be a tremendous learning experience for Year 3. Students were responsible for ensuring that the needs of their chickens were met by providing shelter, food, water and warmth as well as tracking their growth. The two day visit by Tasmanian Aboriginal Artist, Reuben Oates gave students in Year 3 a deeper understanding of Aboriginal culture. Mr Oates shared his experiences as an artist and then led the students in a hands on opportunity to use different colours to make dot paintings.

With the help of visiting scientist and parent, Dr John Breslin, Year 4 students had the opportunity to use scientific skills such as thinking, problem-solving, questioning, observing and predicting to explore force. The students participated in hands on experiments that helped them understand quite complicated discoveries by famous scientists such as Aristotle and Isaac Newton.

Year 5 students used a visit to the Green Glory Holstein Dairy Farm and PURA Milk factory to learn more about their 'Life

Giving Cows' investigations. With their new knowledge they made design improvements to their Science Fair projects. As part of their 'Victims or Villains' unit, students visited Port Arthur where students participated in an educational tour, a cruise and spent the afternoon searching for historical clues as part of The Amazing Race competition that brought their classroom learning to life.

After learning about electricity and natural disasters in Term 1, Year 6 students used their knowledge to build disaster-proof housing using renewable energy sources to wire a working circuit. In Term 3 they explored reversible and irreversible and then applied their understandings to make recycled paper with sustainable materials including wallaby poo from the oval. In Canberra, the students spent time at the Ian Potter Foundation where they heard about scientists looking to the natural world to find solutions to the global energy crisis. They were then invited to build prototypes of devices that could harness wind and water power, based around those ideas.

The playground came alive with treasured characters from stories and poems at the Book Week Parade in August when students dressed as their favourite book character. Thing 1 and Thing 2, Matilda, Henry the Pirate, The Man from Snowy River and The Very Hungry Caterpillar all paraded around showing us the wide and varied reading tastes of our Year 3-6 students.

Other learning memories were created in the students' classrooms. In each room teachers

designed activities to ensure the delivery of Australian Curriculum content and skills through interesting and challenging learning opportunities tailored to meet the needs of each child.

Students took part in a number of national and international competitions and challenges. The Word Mania competition in August saw students across Years 3-6 making as many words as they could within the time limit. Students in Years 3-6 did an outstanding job in the University of New South Wales Numeracy, Reading and Science Tests (ICAS) with a large number of credits, merits, distinctions and several high distinctions, while students from Years 2-6 represented the school very well in the Spelling Tests. Selected students represented the College as part of the Tournament of Minds and the Reader's Cup teams.

Mrs Sue Cunningham
Coordinator Teaching and Learning 3-6

L-R: Year 4-6 Tournament of Minds:
Front row: Sally Quinn, Bryon Shaji, Billy Garforth, Laura O'Reilly.
2nd row: Mollie Harris, Ms Sunita Kumrai, Ms Therese McDevitt, Priyannika Kumrai. Year 6 Readers Cup: Front row: Paige Thomas, Ryan Grealish, Maggie Wilby.
2nd row: Mollie Harris, Jonty Zielinski, Neena Fraser.

Year 7-10 Teaching and Learning

We continue to reflect and refine our programs and opportunities to ensure our students are engaged, challenged and supported throughout their educational journey. With the goal of providing the best educational outcomes for our students, our teachers are continuously reviewing and reflecting to improve the quality of teaching and learning in the classroom. We continue to work closely with the Australian Curriculum, and the K-10 Writing team has successfully ensured that all writing tasks are aligned with the achievement standards and embedded across all subject areas. Our teachers are also involved in moderation and collaborative discussions of student work, based on a standardised rubric. Research indicates that teachers who are consistently engaged in moderation are able to identify strengths and areas for growth, based on student learning.

There were over 370 academic certificates awarded to students from across Years 7-10 at the end of Term 2. We are very proud of them as they have set a great benchmark for others at the College. Two students in Year 9 received eight academic awards and several students received three to seven awards in various subject areas which is a significant achievement and they are to be commended for their stellar efforts.

We continue to strengthen our family and community partnerships through our Year 7 Information Evenings, Open Days, Step Up Program and our annual Academic Pathways evening. Families were able to mingle, connect and discuss elective subjects. There were great conversations and our teachers and faculty heads were at hand answering questions and providing information on elective subjects.

Students discussed their pathway options and gained career advice from representatives from Foundry, Guilford Young College

and the University of Tasmania who were also on site, to provide expert advice. These partnerships provide important links, opportunities and networks for our students and has potential for each to lead into specific careers after graduating. Students are always encouraged to extend and explore their interests and knowledge by choosing elective subjects and co-curricular activities that complements the curriculum and their passion.

Our students also had the opportunity to be involved in a variety of pursuits including competitive sports, external competitions, music ensembles, photography, incursions and excursions. This year we entered two teams for the annual Da Vinci Decathlon. Our students pushed through a demanding day of academic challenges and their team work and impressive performance earned our Junior Year 8 team first place in Cartography and second place in Mathematics. An excellent achievement for a beginner team while our Senior team of Year 9 and 10 students took first place in the Engineering and Creative Producers categories.

A number of students also participated in our annual ICAS English, Maths and Science competitions and special congratulations to Oscar Breslin in Year 8 for winning the ICAS Medals for Mathematics and Science. Students in Years 7 and 9 sat

the annual NAPLAN assessment and the College also participated in two international assessments, PISA and TIMSS as we not only optimise student learning but ensure the students we are educating today will compete in a global market.

The rhetoric of 21st century learning is how technology is fundamentally transforming the way our students are educated. We are reminded that we need to develop innovative approaches to teaching and learning in order to engage and support our students. We need to equip and prepare our students with the skills they require to function and work in a technological driven environment by harnessing the potential of digital technology and creating new paradigms for student learning.

We are committed to using research based teaching practices so that every student is engaged, challenged and learning successfully. It has been my privilege to not only teach at the College and encourage our students, but to work with talented,

Mrs Selina Kinne and Mrs Ganga Fraser with Academic Captains 2018
L to R: Abby Muskett, Siena; Alec Mielke, Savio; Bianca Davidson, Bosco and Jak Gutteridge, Guzman.

innovative and dedicated educators who are committed and passionate about their vocation. I'm already looking forward to what 2019 brings.

*Mrs Ganga Fraser,
Coordinator of Teaching & Learning 7-10*

Above: Mrs Jessica Palermo and Mr Andrew Pritchard with Tournament of Minds students Yr 7 - 10. Mrs Ganga Fraser with the Junior Da Vinci Decathlon team. Mrs Ganga Fraser with the Senior Da Vinci Decathlon team.

Individual Learning

Individual Learning at Dominic College continues to be as diverse as our students. We provided a range of programs designed to meet the individual needs of students who require differentiated education, including those who require general learning support across all curriculum areas as well as those who require Literacy and Numeracy support, students who have English as an additional language, those who require additional personal, and social development and those who are gifted and talented.

Interventions and support were provided across K-10 to address a student's identified learning needs and build their strengths. This included developing and implementing strategies that allowed students to access the curriculum such as adjustments to the physical environment, the use of assistive technology and specialised equipment, modifications to instruction, the use of Individual Education Plans and Narrative Reports.

The Dominic College Individual Learning staff have worked closely with students, their parents and teachers to develop and provide differentiated programs. This staff includes Specialist Literacy Support Teachers, Learning Support Teacher and Teacher Assistants. Consultation has occurred with outside agencies such as Speech Pathologists, Occupational Therapists, Psychologists and Pediatricians to ensure clarity and consistency.

Ongoing assessment was carried out including individual cognitive and academic assessment as well as data collection of current abilities and standards using tests such as ausPIPS, PAT and NAPLAN.

Dominic College once again participated in the Nationally Consistent Collection of Data on School Students with Disability which assists schools to identify and to support students with disability so they can access and participate in education on the same basis as their peers.

Congratulations to all students on the completion of another productive academic and social year.

*Mrs Jane Doyle, Literacy Support K-2 and Mrs Jessica Agius,
7-10 Learning Support.*

Religious Education

Religious Education classes at Dominic College have been filled with exciting lessons based around the Tasmanian Catholic Education Office, Good News For Living curriculum, as well as opportunities for students to pray, meditate, and take part in liturgies and masses to help form their faith and spirituality. A successful initiative for Religious Education studies has been the introduction during the second half of the year, of Class Masses for all classes K-10, each term.

The Salesian Strenna for the 2018 school year was entitled "Sir, give me this Water", and called us all to cultivate the art of listening and of accompaniment. We were called by the Salesian Rector Major to firstly reflect on the passage in John's Gospel, where Jesus encounters a Samaritan woman by a well.

Each of us are called to and encouraged to make efforts to journey with young people in the way Jesus journeys with each of us and the Samaritan woman. This requires that first encounter. Like Jesus, the encounter begins by listening to others and their lived experiences. By listening to others, we have the opportunity to strengthen our relationships with others and transform our own lives as well.

This theme was explored through prayer, liturgy and in our curriculum studies. Our students and staff have been called to reach out to the marginalised, to go beyond the barriers that divide us and others, and to show perseverance and resilience when times are hard, trusting that God will be there to guide us through our encounters with others.

Kindergarten-Year 6

Prayer is one of the great highlights of each morning in the K-6 classrooms, as anyone who walks by these classrooms early in the

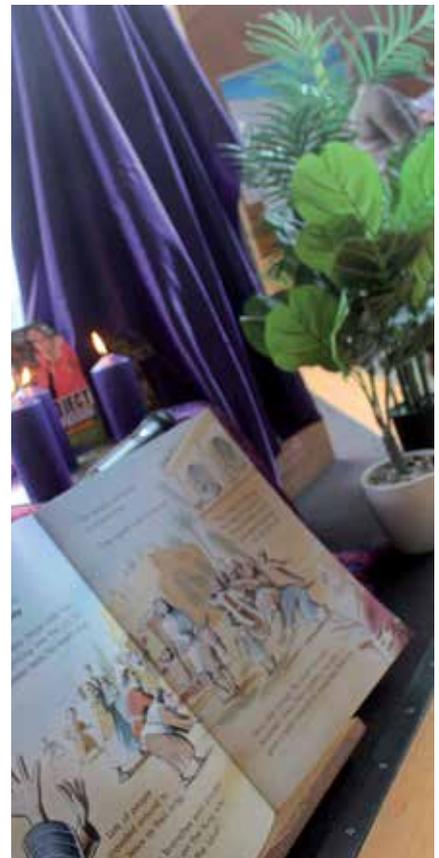

school day will know. Classes can be seen gathering in prayer from room to room. This year some classes have taken the opportunity to participate in Christian Meditation as part of their morning routine.

Classes will often pray and reflect on current themes in Religious Education as well as using Feast Days and special liturgical events such as Easter and Advent as a theme for daily prayer. Classrooms all have a special prayer place displayed and this is often used as a focal point for not only prayer but Religious Education lessons as well. At our K-6 assemblies and our Chapel liturgies, individual students take very seriously the roles that they are given. Colourful classroom displays attest to the lively Religious Education taking place across the K-6 area.

Years 7-10

In 7-10 Religious Education classes, students engaged in their learning through a wide range of challenging learning tasks to help them understand more about God, Jesus

Above: Director of Faith and Mission K-10 Mrs Alicia McMahon, with Mission Captains Isabella Cooke, Promise Mudzingwa, Olivia Peters and William Heddle. SYDC – Salesian Youth Dominic College Year 9-10 students with leader Miss Jessica Brownrigg. Year 7-10 Vinnies Group with Mr David Reinbach. Year 3-6 MiniVinnies Group with Mrs Alicia McMahon.

Christ, the Church, Sacraments, Moral and Social Justice issues and the Salesian tradition.

Each year group was involved in a spiritual retreat during Term 2 to further nurture their faith and spirituality and continue to build their personal relationship with God. Furthermore, our Year 9 students took part in an excursion to visit Richmond and various sites associated with the early establishment of the Catholic Church in Australia. Later in the year they had the opportunity to listen to the personal reflections of four faith-filled women who shared their experiences of growing up in the Catholic Faith.

During their study of the Working for Justice in our World unit, Year 10 students took part in a Social Justice incursion led by the Australian Salesian Youth Group and the Year 10 RE Team to explore the issue of barriers to education and how having no access to an education can lead to child labour. They learned about Catholic Social Teachings and the UN Declaration of Human Rights and how all people, Christian or non-Christian, are called to fight for the rights of all in our world.

Common Assessment Tasks across Year 7-10 were modified this year to give students more choice in the topics they were researching and the style and manner in which they delivered their research. Students explored using different media such as blogs, websites, song lyrics, dioramas, iMovies and written reports to communicate their knowledge and understanding of a range of religious ideas and topics. The RE Team were very impressed with the quality of work produced by students this year.

Social Outreach

Students were enthusiastic in embracing the

opportunity to participate in social issue groups and this year, once again, the Vinnies conference was a strong and enthusiastic one. Led by Mr Dave Reinbach, the Vinnies group attended the Youth Induction Mass at St Mary's Cathedral in May. The student leadership team for 7-10 Vinnies this year was Noella Irumva - President, Courtney Doyle - Vice President, Natalie Roland - Secretary and Isabella Cooke - Treasurer.

These students took their responsibilities very much to heart during this year, holding barbecues, selling hot chocolates, pancakes and conducting a very successful Winter Appeal; over 100 bags of clothes were collected for distribution. Their funds raised supported the St Vincent de Paul Society in its program of assisting people in the local community.

Mini Vinnies was open to any students in

Years 3-6 this year for the first time and was led by Mrs Alicia McMahon. The Mini Vinnies team also contributed to the annual Project Compassion drive, donating money to our Salesian projects and raising much needed funds for drought stricken farmers in New South Wales. Some of the fund raising activities included hot chocolate, footy/sports colours day, selling treats and of course getting behind the St Vincent De Paul Winter Appeal collecting toiletries, warm blankets and clothing.

Salesian Youth of Dominic College

The Salesian Youth of Dominic College (SYDC) continued to go from strength to strength this year, under the excellent leadership and guidance of Miss Jessica Brownrigg. Membership is composed of Year 9 and 10 students, who strive to follow

in the charism of St John Bosco: through a shared love, joy, spirit and mission they were able to achieve a great deal this year.

SYDC students thoroughly enjoyed their annual pilgrimage to the Salesian Youth Festival, OzBosco, this year held in Melbourne. They were also involved in their own mini OzBosco which was held at Dominic College for the SYDC students in November. The SYDC raised much needed funds for our Salesian Samoan schools. Best of all perhaps, were their weekly meetings at lunchtime, filled with prayer, companionship, snacks and fun.

Mass, Sacraments and Celebrations

The 2018 school year commenced with our Opening College Mass and Ash Wednesday service to help us all to focus on the goals for the year ahead and to ask for God's guidance in helping everyone achieve their hopes and dreams for the year.

A new addition to the religious life of the school was the introduction of Class Masses for 7-10 Religious Education and Year Level Masses for K-6 in the our College Chapel celebrated by Fr Damien Sladen SDB, Fr Lawrie Moate SDB and Fr Greg Chambers SDB. Year 5 also experienced the Sacrament of Reconciliation as a year group at the end of October.

As a sacramental and faith community, at Dominic College we take every opportunity to celebrate the significant feast days of the liturgical year, as well as those feast days significant to us in the names of our patron saints.

Students in K-6 took part in the Sacramental Program in partnership with St John's Parish and were guided by Fr Lawrie to receive the sacraments of Reconciliation, Eucharist and Confirmation. The 16 Dominic students in the program and with their families, are to be congratulated for their commitment to

completing and celebrating their initiation in the sacraments.

Further to masses, the College Chapel was also opened every Monday during lunch for all students and staff to access. The quiet time was used by many to reflect, pray or just take some time out from the busy-ness of life. Special prayer services and masses were also celebrated in the Chapel and the Stations of the Cross were used by students during their Religious Education classes to reflect on the path of sacrifice that Christ took for the sake of human salvation.

Lent and Easter

The beginning of Lent fell early in the school year, and so Ash Wednesday and Commencement were celebrated in a joint Mass in the Savio Centre.

We were all marked with ashes as a sign that we had begun our journey towards Easter, a journey marked by prayer, fasting and turning back to God. During Lent, Years K-6 celebrated a Lenten liturgy together in the Chapel.

During Holy Week, in their usual way, the K-2 students presented Palm Sunday in the Chapel, while Years 3 and 4 presented the events of the last Supper and Holy Thursday. In culmination, on Holy Thursday, Year 5 and 6 students presented the Stations of the Cross on the Oval.

The glorious outdoors setting, on an equally beautiful autumn morning, made the Stations a unique experience.

Students and teachers in Years 7-10 prayed throughout Lent in their Pastoral Care Groups, finally participating in a moving re-enactment of Jesus washing the feet of the disciples on Holy Thursday in the Chapel and culminating with all 7-10 students and staff venerating the cross at the end of the liturgy.

Feast Days

At the start of Term 2, we celebrated the lives of our two Salesian patrons - St John Bosco and St Dominic Savio. We were reminded that both of these wonderful

people embraced opportunities to take part in reflection and prayer, followed by playing games and sharing a meal with those around them. Students and staff at Dominic modelled this Salesian tradition by partaking in morning buddy activities, celebrating Mass together, sharing a meal, and competing for the Dominic Day Cup at the conclusion of the day. The day was filled with lots of joy and good humour.

In Term 3, our community celebrated the hard work and dedication of our Dominican Sisters at the College. We also remembered their two patron saints - St Catherine of Siena and St Dominic Guzman, and were inspired to continue the great work that they achieved throughout their lives. The day concluded with a shared meal and a range of activities including Theatresports and 'Dominic's Got Talent' performances. The day provided all in our community with a chance to build and strengthen our faith and friendships.

Graduation, Thanksgiving, Advent and Christmas

As always the end of the year was marked by a variety of liturgical events. Year 10s celebrated their Graduation Mass at St John's Church, a beautiful rite of passage. The beginning of Advent was marked by K-6 classes with a Chapel liturgy in late November, as they readied themselves to wait in joyful anticipation for the coming of Baby Jesus at Christmas.

Joyful anticipation will be the catch-words for our K-9 Advent Mass on the last day of the school year, as the College community gathers to pray together in thanksgiving for the joys and sorrows of 2018, and to look forward to the happiness of the Christmas season and the holidays to follow.

*Mrs Alicia McMahon
Director of Faith and Mission K-10*

*Mr Stephen Casni and Ms Beth Gilligan
Acting Year 7-10 Religious Education
Coordinators*

English

Students across the College have been actively building on their skills in English, as these are central to their development as confident communicators, critical thinkers and informed citizens. The study of English challenges the individual to learn to analyse, understand, communicate and build relationships with others and the world around them.

Early in the year, students participated in World Read Aloud Day by sharing books and stories with fellow students across the College. Many students built their debating skills by participating in House debating or by entering the Tasmanian Debating Union's competition.

Georgia Amos, Isabella Cooke, Daniel Hunniford and Noella Irumva travelled to Deloraine along with their teacher advisor, Mr Kress, to participate in the annual Model United Nations Assembly forum.

Dominic College was delighted to have an amazing team of writers from The Story Island Project present engaging workshops for our budding writers in Year 7 and for our Creative Writing class. The team included Tasmanian author and playwright Finegan Kruckemeyer along with writers Kate Gross, Lily Stojcevski and Lynne Hanlon. Their mission is to inspire people to "tell their stories and see the world in a new way."

The Creative Writing class used original student artwork as a springboard for writing short stories. All of the students left the workshops feeling inspired and motivated to build on their ideas and to continue to hone their creative writing skills. Some of these sessions were in our newly furnished Writing Centre where alternate and comfortable seating spaces have replaced traditional desks to help students engage with the writing process.

In June, we welcomed "The Players" from Bell Shakespeare to help launch our Shakespeare units in Years 9 and 10. The Year 9 cohort watched "Shakespeare is Dead" which took them on a funny, enlightening and fast-paced journey through the world of William Shakespeare. The show challenged any negative views about the language and introduced the students to some of the key themes, conventions, characters and soliloquies of the famous playwright.

The Year 10 cohort was treated to a performance of "Macbeth: The Rehearsal" which explored what happens when two actors and a director take on the Scottish play in a rehearsal. Students were entertained with the characters, themes, motivations, language techniques and plot devices used in this famous play. "The Players" were masters of capturing student engagement and audience participation.

In August, Matilda from Bell Shakespeare, returned to work with the English staff on wonderful activities to help further engage our students with Shakespeare and his language.

In August, budding authors Rachael Glidden, Sophie Moy, Lily Bowerman, Hannah Lane MacDonald, Henry Edwards,

Tyler Wheeler, Abbey Turner, Chloe Cooper, Erin Waters and Heidi McPherson attended the Melbourne Writers Festival. Accompanied by Mr Kress and Mrs Le Rossignol students joined workshops designed to inspire them to write, read and create. Alice Pung, Nathan Curnow, Dr Karl and Aime Kaufman were among the authors who presented during the Schools Program. This enriching excursion also included a trip to the Immigration Museum, a Poetry Slam Competition and dinner on Lygon Street.

2018 has been a wonderful year with students actively developing their skills in reading, writing, speaking, creating and becoming literate and knowledgeable members of the Dominic community.

*Mrs Janet Marcenko
Head of English 7-10*

Opposite page: Mrs Marcenko in class. Georgia, Isabella, Noella and Daniel at the Model United Nations Assembly. Above: Bell Shakespeare Players with Year 10 students. The Players present to the Year 10 cohort. Olivia, Amie and Daniel at a Story Island Project workshop. Year 9 presenting Romeo and Juliet in less than 32 seconds. Students at The Melbourne Writers Festival. Year 7 students reading in the Library.

Science

Science is both a body of knowledge, and a way of learning. It helps us to understand the world around us. You cannot escape the benefits of Science. Whenever you turn on a light, eat food, watch television or flush the toilet, you are using the products of scientific knowledge and scientific inquiry.

Providing enrichment activities for students is particularly important for further inspiring them and empowering them for their future. In an authentic learning model the emphasis is mainly on the quality of process and innovation. It's about allowing students to pursue individual learning opportunities unique to their interests, through real life processes. The emphasis is on developing a set of culminating skill sets, within a realistic timeline, using self-motivated inquiry methods to create a useful product to be shared with a specific audience. Science is about engaging in activities students care about and can immerse themselves in a meaningful, shared experience.

Students K-10 have succeeded, both in school projects and in out-of-school activities. We chose to have our Year 9 and 10 students create a project based on their passions for the Science Fair. This project-based learning approach was designed to engage students in an investigation of authentic, real-world problems.

When students began investigating their projects, they soon began to realise that science is everywhere. The learning fostered future-focused skills including deep critical and creative thinking, collaboration among peers and effective communication.

Kindergarten

Students have participated in a range of inquiry-based opportunities that have developed their curiosity and willingness to explore, ask questions about and speculate

on the changing world in which they live. Students have particularly enjoyed learning about the seasons, weather and Australian animals.

Prep

During Science Week, we created their own science experiments to present to the class. There are definitely some future scientists in Prep! During the year, we also had the opportunity to visit the animal husbandry area. We were able to wash cows, brush goats, walk alpacas and cuddle rabbits. We loved visiting the animals this year. We had so much fun!

Year 1

We enjoyed learning about how sound waves travel through air and solid objects. We investigated how different elements and liquids can combine to make mixtures with Dr John O'Reilly. We explored different foods and how they can change when heat or cold temperatures are applied. A major focus has been learning about Earth's moon and how space travel has affected everyday living. Year 1 really enjoy gaining a greater understanding of our world and how the universe works through Science.

Year 2

We focused on areas such as creating mixtures, the water cycle and how forces are created. As part of the College Science Fair, we were involved in 'Mission Moon' which enabled our students to gain an understanding of the earth, the moon and our solar system. Students in Year 2 have had a wonderful time exploring and investigating our Science units.

Year 3

Students have studied 'Heat', 'Earth & Space', 'Living Things' and 'Matter' in Science. We went on an excursion to the Grote Reber Museum at the Mount Pleasant Radio Observatory, researched the Solar System, conducted experiments, learnt about life cycles and grown plants. Students visited Animal Husbandry, looked after chickens and used our natural environment around the College to investigate living and non-living things.

Year 4

During our Science unit, 'Material World,' Year 4 students designed an apparatus to protect an egg from cracking or breaking when dropped from a height of one metre

Above, left to right: Kindergarten students enjoyed several interesting excursions in their first year of formal schooling. Prep students created their own experiments. Dr John O'Reilly worked with Year 1 students on mixtures. Year 2 students examined forces and conducted experiments. Year 3 student researched the Solar System and developed their science skills. Year 4 students designed apparatus to protect their egg during a drop experiment. Year 5 students participated in their first STEAM projects. Year 6 researched sustainable engineering. Biology students on an excursion examining environment. Marine Studies students on their camp. Weather Club students have been building their own weather station to supplement the College's current Station. Year 9/10 students competed in the Tasmanian Brain Bee competition.

onto a concrete surface. Students had to choose materials and explain how the properties of those materials would protect the egg. Year 4 students have spent the year developing and refining their science inquiry skills, investigating erosion, types of forces, materials and their properties, and life cycles of plants and animals. Students could plan and conduct investigations to find answers to questions, predict what might happen, and evaluate their findings.

Year 5

Students have developed their scientific knowledge and understanding through teacher guided experiences and independent scientific inquiry. Participating in laboratory investigations and their first STEAM project, Year 5s were encouraged to think more broadly about real-world problems and how they could use their acquired knowledge and developing inquiry skills to solve these problems. Adopting and caring for two calves, Willow and Maisie, has certainly been a highlight for Year 5s this year.

Year 6

Full Steam ahead! Year 6 have engaged in STEAM learning experiences linking aspects from different science units. They have experimented with and designed prototype buildings to withstand natural disasters, and used alternative energy sources to generate

and power light. Sustainable processes were devised to hand make paper, recycling waste paper and incorporating Wallaby poo from our ovals. These hands-on investigations were engaging for students with much learned through a process of problem solving using trial and error.

Science Fair

Science fairs can make science relevant by allowing students to conduct an experiment based on their own interests. A science fair project allows students to develop important independent learning skills such as time management, responsibility, organisation and communication. This year Dominic College Year 9 and 10 students worked on a year-long project based on their passion. Students created an interactive activity that supported the data and research they did for their individual project.

It was fantastic to see the talent we have among our students and the ideas they came up with: from sleep, animal behaviours, diet, exercise, sports, food-testing, effects from watching video games or listening to loud music and many more. Students presented their idea to the rest of the school and the public. These investigations were engaging for students. K-6 conducted different activities in each of their learning spaces based on what they learned in Science this year. Their parents, as well as the public joined them to try the many activities.

Animal Husbandry

Students in our Animal Husbandry electives have undertaken tasks involving the theory and knowledge of our animals, and also carrying out practical care for our animals. Year 10 students were involved in a marine camp at the start of the year.

Many of us entered our animals into the Royal Hobart Show, the Festival of Bright

Ideas, the College Fair, and the Huon and Brighton Shows. Our animals and students have been very successful and competitive against schools and public Tasmania-wide.

This year Sidney has really enjoyed getting to create such a special bond with an animal that she chose, Sidney felt lucky that her family purchased her animal, so she will get to keep him at the end of the year. Sidney looks forward to continuing that bond for the rest of her miniature pig, Astris' life.

'When we go out into public settings like the Hobart Show, I really enjoy it, and the days go quickly. Informing others about the subject of miniature pigs is something I've really enjoyed,' said Sidney.

Alyssa has really enjoyed caring for Melody, the school's miniature pony, and learning more about her and what she likes.

'It took a while to get her to warm up to me, and to earn her trust, but now as the year comes to a close, Melody trusts me. Over the holidays I was able to take Melody home,' said Alyssa. 'I had such a great time with her over the two weeks, and this was something I will never forget.'

Animal studies is a subject which the more you put into it, you will benefit by learning

about so many aspects about the animal you chose but also about the many other animals that other students have chosen.

Alyssa Haremza and Sidney Smith.

‘Cows Create Careers’

Year 5 students participated in the Australia-wide competition “Cows Create Careers”. Students studied the dairy industry and raised two Holstein calves, Willow and Maisy, as part of STEAM this year. They did an amazing job and produced some great 3D projects, Mooovies, letters and funny photos.

Three teams from each class were chosen. Their work was sent to Dairy Australia to be judged against the eight other Tasmanian schools. The 15 finalists took part in activities based on the Dairy industry.

In the Junior Section which covers Years 5,6,7 and 8 across eight schools, Dominic College won overall. The Milky Way Moos (Priyannika Kumrai, Taylah Bernes and Caitlin Stevanovich) came first and in second place, The Moo Moos (Harrison Mallay, Kaylee Strange and Lucy Johnston). All students produced great work and should be very proud of themselves. Well done to all involved!

Marine Camp

Year 10 students from the Animal Husbandry & Marine Science elective went on a comprehensive four day camp incorporating marine and foreshore ecology, physical oceanography and climate modelling held at the Woodbridge Marine Discovery Centre, Woodbridge.

Students looked at the features and adaptations of marine organisms and human impacts on the marine environments and the range of aquaculture techniques used for different species in Tasmania, with a focus on the d’Entrecasteaux Channel.

Students studied and completed a research investigation after collecting and analysing data. Students went out on the *Penghana* every day to research and collect data. On the Friday we also had the chance to go fishing and many students and staff caught flathead and then released them back into the channel.

We stayed at the West Winds Community Centre and this was a great opportunity for staff and students to complete their research and study for exams in the evenings. It was a wonderful experience and introduced our students to techniques scientists use to monitor the marine environment and assess possible impacts. Students had a real life learning experience to study in an environment very new to them.

Life Sciences-Biology

Why study Biology? The Year 9&10 Life Sciences-Biology elective always proves to be a popular subject for those students wanting to extend their knowledge, understanding and skill development, ensuring the transition from school to college is not as challenging for those wanting to pursue this pathway. Students get to see real value in their learning of knowledge and acquisition of skills, which enhances their ability to think critically – mimicking how scientists work each day.

Biology is interesting. Biology helps us to understand how the living world around us is interconnected; from the chemical basis of life, to the structure and function of cells, to how whole organisms function; from interactions between organisms and their environments; to biodiversity, genetics and biotechnology. From protozoans, to the profound, to the poetic. Biology helps us to organise the living world, and helps us to see the connections between seemingly disparate phenomena. Biology gives us powerful

insights to help express our creativity, to see the world in new ways and then to change it.

Biology is useful. Biology provides quantitative and analytical skills needed for analysing data and solving problems in our dynamically changing world. Biology and its applications is the beneficiary of most modern technology, and for the tools and instruments used in biological engineering and medical research and development. Biology opens the door to many career options; more options, in fact, than almost any other subject because of its “big picture” thinking.

Biology is challenging and fun! This is precisely the most important reason why students study Biology! So many opportunities are provided for students to apply not only what they have learned, but more importantly, the process of learning, to various life situations in fun and engaging ways. The UTAS Science & Engineering Challenge, Australian Brain Bee Competition, Tasmanian Science Talent Search, the Siemens Summer Science Experience, and the various excursions and field trips are just some of the examples of the fun, hands-on learning opportunities on offer to students.

Weather Club

2018 has been a year where we have welcomed new members and new ideas to our Weather Club. We now have a working prototype DIY electronic weather station and students are busily etching and soldering and 3D printing their own weather station as their project. The Club has a strong STEM focus and is designed to interest students in both weather and science.

*Ms Jane Myers,
Director of Science K-10.*

Mathematics

Mathematics is a powerful tool with many applications. Advanced mathematical training can lead to many career opportunities, including business, finance, medicine, engineering, and basic sciences.

At the same time, mathematics is a self-contained subject worth studying simply for its elegance. While challenging at times, the study of mathematics can bring a tremendous sense of accomplishment and is ideal for people who enjoy abstract thinking.

The following story illustrates the particular perspective that mathematics offers.

Two anthropologists and a mathematician were arguing about why humans had domesticated fire. One anthropologist argued that humans needed fire primarily to stay warm at night. The other anthropologist insisted that humans needed fire primarily to cook food. The mathematician proposed that some ancient human had been intrigued by fire and decided to figure out how it worked. Only later, suggested the mathematician, did others come along and find uses for fire.

NAPLAN

In 2018 100% of Year 3, 97% of Year 5, 95% of Year 7 students and 92% of Year 9 students met or exceeded the National Minimum Standard.

ICAS Maths Competition

In the 2018 University of NSW ICAS Maths competition, 47 students from Years 7-10 and 30 students from Years 4-6 competed. Oscar Breslin and Harry Breslin both attained High Distinctions (top 1% of the nation), with Oscar taking out the ICAS medal for the top student in the State for his age group. Noah Oliver, Jethro Plunkett and Joshua Willson (Year 7), Max Brideson (Year 8) and Blake Appleby (Year 10) all gained Distinction awards (top 10% of the nation),

whilst there were 17 students who received Credits. We continue to improve each year in this competition, with a significant increase in the number of students gaining awards. The introduction of problem-solving as a regular part of our Maths programme appears to be paying dividends.

Mathematical Association of Tasmania Annual State Maths Relays

Dominic College entered five teams of four students each in the State Maths Relays held in September in Hobart. Teams were entered

in all age divisions; Primary (Years 3 & 4), Primary (Years 5 & 6), Junior Secondary (Years 7 & 8) and Upper Secondary (Years 9 & 10) divisions. Students work as a team to solve as many of the 20 questions as they can in the allocated 45 minutes. All teams acquitted themselves extremely well. It was fantastic to see their enthusiasm, as they worked as a team to solve very complex mathematical problems.

There were 20 questions, gradually becoming more difficult, to solve in 45 minutes. All students enjoyed the experience very much.

The best result was achieved by the Boys' Junior Secondary team (Ilar Flynn, Max Brideson, Harry Breslin and Oscar Breslin), who gained second place in the State.

Problem Solving

Continuing from last year, a focus in the Mathematics programme has been problem-solving. One lesson a fortnight has been devoted to students working on problem-solving tasks. Some students hesitate at thinking beyond the routine mathematical procedures taught from day-to-day. To apply mathematical knowledge to real world problems, students have to think about what knowledge they have and what tools they can use in order to solve the problem. This may involve using several mathematical skills to solve certain problems. Usually students work collaboratively in groups. Many students have risen to the challenge of problem-solving activities and some keep asking their teacher if they can do problem-solving on a more regular basis! This regular activity has definitely developed the mathematical thinking of those students who have embraced it.

Mathematical Association of Tasmania Problem Solving Competition

In Term 1, a number of our students competed in a very difficult State-wide problem solving competition, conducted by the Mathematics Association of Tasmania. We had seven entries in the Primary division, 11 in the Junior Division (Years 7 & 8) and four in the Intermediate Division (Years 9 & 10). This was an extremely difficult competition, with students being given two hours to solve as many of the 12 complex problems as they could. Four of our students managed to achieve major placings and received both a certificate and a monetary prize.

Blake Appleby was equal third in the Upper Secondary division. Priyannika Kumrai was second in the Primary division. Oscar Breslin was first in the Junior Secondary division.

The President of the Mathematical Association of Tasmania, Mr Brett Stephenson, presented the major awards to these students and commented that Dominic College was the only school in Tasmania to have gained a major place in each division of the competition. Congratulations to all 22 students who participated in this competition for facing up to such a difficult challenge and for doing the College proud.

Maths Relay 3-6. Back row: Cooper Laycock, Priyannika Kumrai, Addison Tonks (absent on the day). Front row: Cameron Moase, Mingus Breslin, Bryon Shaji, Taylah Bernes, Poppy Lincoln. Maths Relay 7-10. Back row: Mr Graeme Harris, Sarah Fitzpatrick, Max Brideson, Ilar Flynn, Ella Fitzpatrick, Harry Breslin, Ms Sunita Kumrai. Front row: Jenaiya Cleland, Priyanka Jibi, Noah Oliver, Blake Appleby, Oscar Breslin, Briana Shaji, Mikaela Cruz.

Australian Mathematics Trust competitions

In Term 1, four of our Year 8 boys participated in the Computational and Algorithmic Thinking Competition run by the Australian Mathematics Trust (AMT). It is the first time Dominic students have competed in this Australia-wide competition, where students had to attempt 15 questions on a one hour test.

Oscar Breslin only got one question wrong and received a Distinction as well as placing him in the 96th percentile in Australia. Ilar Flynn, Max Brideson and Harry Breslin all received Credits for this competition.

In Term 2, the same four boys worked on a four week Enrichment Stage of the Australian Mathematics Trust's programme. This involved them trying to solve six very complex problems, each worth four marks, over the four week period. Harry Breslin and Max Brideson both scored 21 out of a possible 24 marks, which is an outstanding achievement and means they were awarded a Distinction. Ilar Flynn received a Credit.

The same boys competed in the Australian Mathematics Competition, run by AMT, and all four received a Distinction - a brilliant achievement.

The same four boys participated in the AMT's Maths Olympiad, sitting a four hour test. To their credit, all four boys persisted for the whole four hours in trying to solve 10 extremely difficult problems.

Maths Help

Maths Help was available again this year. This service is provided by Mr Harris for students who need help in understanding a particular mathematical concept or how to do questions they may be struggling with in class. It is not meant to be a tutoring

service in the traditional sense. Students found it particularly useful in the lead up to tests or in completing assignments. Quite often groups of students work together and end up understanding the work through collaboration with each other. Some students were using this quiet, supervised room to work on assignments in other subjects, so it was then advertised as "Maths Help/Homework Club". Mr Harris intends to offer the same service each lunchtime next year.

Mr Graeme Harris, Head of Maths 7-10.

Problem Solving Competition Award winners: Mr Brett Stephenson from AMT presented prizes to Priyannika Kumrai, Oscar Breslin and Blake Appleby. Maths Competition Awards: Left to right: Max Brideson, Ilar Flynn, Harry Breslin, Oscar Breslin, Blake Appleby, Priyannika Kumrai

Humanities

The Humanities Department has enjoyed a very busy and exciting year, with a number of significant developments and additions to our calendar both in the classroom and as part of the wider school community. The core Humanities curriculum continues to offer students the opportunity to explore the world around them, and the diversity of people and places that exist now, in the past, and the endless possibilities that may eventuate in the future. In Years 7 and 8 students build thinking and inquiry skills by investigating History, Geography, Economics, and Citizenship, while in Year 9 and 10 we focus on History, and Australia's place in a rapidly globalising and interconnected world.

The Humanities curriculum also offered a diverse range of elective choices for 7-10 students. These subjects allow for a focused investigation of particular subject areas, often leading to pathways and opportunities through Years 11 and 12 and beyond. Introduction to Psychology and Sociology; Commerce; Child Studies and Japanese all contribute to students' ability to answer fundamental questions about who we are and the ways in which we choose to live.

At the beginning of the year we approached old scholar Sam Dix to return to Dominic and speak to our Year 7 students about the discipline of archaeology. Instead, Sam suggested that we help to launch National Archaeology Week in Tasmania. From those initial conversations, and in collaboration with Ms Gilligan and Mr Casni, the Humanities team put together a full day of archaeology related workshops, lectures and activities for our Year 6 and 7 students.

This was a highly engaging and fascinating day for everyone involved. Sam ran a workshop on rock art in Australia, and the use of stone-age tools. He invited colleague

Steph Weinart from ANU, who gave a talk on forensic archaeology. Another Old Scholar, John Stephenson, wowed us with his Virtual Reality recreation of Colonial Hobart Town. Students were able to experience what it might have been like to walk the streets of Sullivan's Cove circa 1830, interacting with people and artefacts from museum archives and databases. On top of all this we ran several 'mock digs' with the help of some expert volunteers from UTAS and our own Mr Casni. Students worked at recreating a 3D model of Neanderthal Man; and there were a number of workshops that focused on examining and analysing authentic historical artefacts – some of them several thousand years old!

Needless to say we very much look forward to the possibility of adding this event to the Humanities calendar.

In another first this year, our Year 8 students took a trip to the Tasman Peninsula in order to conduct a coastal fieldwork inquiry as part of their studies in Geography. In previous years we have visited Blackmans Bay beach, however we decided this year to take advantage of the incredible and world class coastal landscapes on offer only 90 minutes' drive away.

Armed with an assortment of field sketch templates, 2B pencils, and digital cameras students recorded a range of data and

observations for analysis back in the classroom. We were certainly blessed with the weather over two mild and sunny days as we visited Tasmans Arch, the Blowhole, and the Tessellated Pavements. We were kept entertained on the return trip with original renditions of rap songs on the topic of coastal erosion, destructive waves, and sea-stacks.

Geography is always the perfect opportunity to incorporate local events and community developments into the curriculum, and this year was no exception. With the release of the Mount Wellington Cable Car Company's full proposal this year, we asked Year 7 students to evaluate the advantages and disadvantages for the community. We examined material from proponents and protestors alike, such as newspaper articles, websites, letters, and even bumper stickers to inform ourselves of the issues at stake. This allowed students to realise the complexity of such an issue, and the economic, environmental, and social factors, as well as indigenous perspectives and international precedents. Rest assured the issue was as divisive in the classroom as it is in the community!

We have also increased our participation in National Competitions this year. This is an important part of the extra-curricular opportunities at any school, as it provides students with the opportunity to both extend themselves academically, and to assess themselves at a State and National level. Congratulations to those keen students who participated in both the National History Competition and the National Geography Competition. I encourage all students to consider these high quality opportunities next year.

*Mr Ben Fulton
Head of Humanities 7-10*

Opposite page: Archaeological evidence of early man. This page, from top, left to right: former British child migrant and Boys' Town old scholar, Mr Peter Allsopp talks to Year 10 students about child migration and his experiences. 'Last Post' with trumpet at ANZAC assembly. Year 6 Captains, Harrison Johnston and Zoe Swan lay a wreath. As part of the launch of National Archaeology Week at Dominic College students were tutored in archaeology techniques by university tutors. Students examine historic artifacts in History class. Year 7 students with Dr Steph Weinart, expert in bones. Geography students gathering data on coastal features near Tasman's Arch. A lesson in facial reconstruction of ancient man. An interesting discovery in the K-4 sandpit. Dr John Stevenson displays his Virtual Reality recreation of colonial Hobart.

Child Studies 2018

Year 9/10 Elective Child Studies students have enjoyed working with the Kinder students this year and forged close relationships between the students. A highlight has been a collaborative effort involving monsters! Kinders drew pictures of monsters and these were given in secret to the Child Studies class who produced a soft toy based on the drawings. Each year students are given many opportunities to watch how important play is to learning and cognitive development.

Mrs Joanna Jeffery, Child Studies

Japanese

Students have embraced their classroom-based language learning opportunities and also taken part in some unique language and culture based opportunities.

Bonsai

Early in the year, students in the Year 9/10 elective class welcomed Mr Chris Xepapas, President of the Tasmanian Bonsai Society to their class. Xepapas-san brought many bonsai trees of varying ages, styles and species to show the class. He enthusiastically spoke about his time as a student of bonsai in Japan, and gave us a basic demonstration of how to turn a tree into a bonsai by carefully stylising it. We were amazed at his

skill and dexterity, and some likened it to a choreographed dance!

Chris shared valuable information about the history of bonsai, and some of the key points of how to create our own bonsai.

Hunting for Easter Eggs using iPads

Students in the Year 9/10 Japanese elective class had an Easter Egg hunt with a difference. Using an iPad, they scanned QR codes to hear instructions in Japanese about where to find their next clue! Luckily they were an excellent team and followed the clues with no mistakes, to eventually find their bowl of Easter Eggs to share.

Our Very Own Taiko Drums

Many people may remember the amazing taiko performance by some of our Year 8, 9 and 10 Japanese elective students at the Asian Festival assembly last year. This breathtaking performance was the catalyst for our dedicated P&F to decide to support the College to purchase our own set of taiko drums!

The first of the drums arrived in May (3

miyadaiko and 2 shimedaiko), with a few more delivered in September. We are still waiting for the rest of the miyadaiko to be made and shipped from Japan. The sound of taiko being played will become a common occurrence at the College from now on!

The drums were used for the first time in a mini home-time performance outside the LOTE Room, played by Year 9 students Doyle Browning and Daniel Nguyen and supported by teachers Susie Allan and Belinda Kumashiro.

We are very excited to be able to offer the experience of playing the taiko to a wide range of students across the College over the coming years. We are confident that it will be an excellent addition to the many activities and experiences available at Dominic College. 本当にありがとうございます! (hontou ni arigatou gozaimasu!) Many many thanks to our wonderful P&F!

Lisa Shibamura

We welcomed Lisa Shibamura as a visitor to Dominic College. Lisa (who likes to be called "Lisa sensei") is Tasmania's Japanese

language assistant. Her 2 year position is funded by the Japan Foundation, which is based in Sydney. Lisa spends a lot of time working with college pre-tertiary students of Japanese, but also visits other schools around the state.

Lisa sensei spent many wonderful days at Dominic throughout the year and worked with students from Year 2 through to Year 10. She talked about sports in Japan with Year 5 to supplement their unit of work on sport. She taught senior primary and Japanese elective students how to use a fude (brush) and sumi (ink) to make their own Japanese calligraphy artwork. She not only helped our students to further develop their Japanese calligraphy skills, but also took on the role of judge in our internal Dominic College Shodou Competition. Lisa returned later in the year to cook with Year 8 and Year 9/10 Japanese elective classes. We hope to see a lot more of her at Dominic College next year!

Japanese Calligraphy Competition

After working with Lisa sensei, Aran sensei and Kumashiro sensei to develop their Japanese calligraphy skills, some students had their work entered into the statewide Japanese Calligraphy Competition.

There was much excitement when it was announced that prizes were awarded to the following students:

Year 3-6 students in the Japanese speech competition.

Henry Sanford – Year 6 – 1st Place - Primary Brush division

Ella Fitzpatrick – Year 9 – 1st Place - Junior Secondary Pen division

Georgina Richardson – Year 10 – 2nd Place - Senior Secondary Pen division

Assembly Performances

During the year, we enjoyed some memorable performances of Japanese songs from P-2 students.

Prep delighted our K-6 assembly with their version of “Tenki” (The Weather Song), which everyone enjoyed joining in. Year 1 sang a traditional Japanese song “Ichinensei”, about the joys of becoming a Year 1 student. Year 2 sang and acted out “Gohiki no kozaru” (Five Little Monkeys).

Soccer World Cup

Cheers of “Aussie, Aussie, Aussie, oi, oi oi!” were replaced at the College by “Nippon, Nippon...” as we said an early farewell to any chance of Australia advancing to the next round of the soccer World Cup, and embraced “Kumashiro sensei’s other

favourite country”, Japan (called Nippon, or Nihon in Japanese).

Students of Japanese took the opportunity to practice words like “omedetou!” (Congratulations!) and “yatta!” (Hooray!) and learn new words such as “ganbare!” (Do your best!) and “zannen” (Bad luck!) as they watched highlights of each of Japan’s games in Group H.

For those without easy access to sports news, the changing display in the LOTE Room window announced Japan’s progress to passers-by.

In the Group Stage Japan (Group H) had one win against Colombia 2-1 (the first time an Asian team has beaten a South American

side at the World Cup), a tie against Senegal 2-2 and a loss to Poland 0-1, and advanced to the Round of 16 to play against Belgium (currently ranked 3rd in the world by FIFA). The score line was incredible, with Japan ahead 2-0 until Belgium shot 3 goals in succession to win the game... zannen!

Japanese Cultural Experience Day

In August, Dominic College hosted our inaugural Japanese Cultural Experience Day. We invited students from Westerway, New Norfolk, Windermere and Austins Ferry Primary Schools to join our Dominic Year 4 students in our celebration of Japanese language and culture. Students were treated to taiko drum and martial arts performances by some of our senior students. Speech competition participants from 2017 impressed the group with their self-introduction speeches. Students were divided into mixed school groups and were able to experience a series of workshops including sushi making, Japanese sports day games, origami and taiko drumming, calligraphy, robotics and shibori dyeing.

Students learnt about Obon, an important event in August for Japanese people to welcome back the spirits of ancestors who have passed. Students participated in a bon dance (based on the movements of a coal miner) called the "Tanko Bushi" and together we created the atmosphere of a Japanese summer festival.

Jarrold Hoare Performances

Also during August, students in Years 3-7, plus Japanese elective students in Years 8, 9 and 10, were lucky to experience a live performance of two unique styles of Japanese

drama. Jarrod Hoare, fluent Japanese speaker and comic performer, has been studying and performing the dramatic story-telling styles of rakugo and kyogen for many years. Jarrod surprised and entertained both junior and senior audiences with an entrancing blend of English and Japanese language and culture, physical and verbal humour, accompanied by minimalist props and a traditional costume (with an Aussie twist!).

Taiko Drumming Course and Performance at the Creative Arts Festival

Students in Years 8, 9 and 10 were once again given the chance to attend a taiko drumming course during Term 2 and 3 – free of charge – thanks to a grant from the Asia Institute at the University of Tasmania and additional funding from the College.

These students then became performers at the opening of the Creative Arts Festival at the Long Gallery in Salamanca. This is the second year in a row that the Asia Institute has supported this venture, and we are very grateful for their commitment to providing authentic learning opportunities for Tasmanian students.

Tasmania Japanese Speech Competition

Almost 300 students of Japanese met on Wednesday October 31 at C3 Church in South Hobart to share their enjoyment and enthusiasm for learning Japanese language and culture through the annual Japanese Speech Competition.

Dominic College entered a team of 27 committed language learners to represent the College.

おめでとうございます (omedetou gozaimasu – congratulations) to these students for their time and effort in preparing for this event. All students did a wonderful job representing both themselves, their peers, and the College.

Among the group there were some notable achievements at each level of learning:

- Grade 3 - **Noah Hamilton** Second Place
- Grade 3 - **Zac Pfitzner** Third Place
- Grade 4 - **Kyan Cubit** Honourable Mention
- Grade 5 - **Priyannika Kumrai** First Place

Grade 8 - **Dione Oloroso** Honourable Mention
 Grade 9 - **Ella Fitzpatrick** First Place
 Grade 9 - **Sarah Fitzpatrick** Third Place
 Grade 10A **Georgina Richardson** Third Place
 Grade 10A **Blake Appleby** Honourable Mention

Beginning Sister School Connections

At the end of Term 3, Ms Gilligan visited a number of Salesian schools in Japan, meeting a range of principals, teachers and students in Salesian schools. As a result of Ms Gilligan's visit, Mr Koji Sueyoshi, the Principal of Shizuoka Salesio School in Shizuoka, Japan, visited Dominic College in October to further develop the proposal for a sister school relationship and partnership.

Students from Years 8, 9 and 10 in taiko groups, Dominiku Daiko 2017 and Dominiku Daiko 2018 joined forces to welcome Mr Sueyoshi. He was very impressed with both our beautiful drums, and also our dedicated drummers.

Students gave presentations in Japanese about Tasmania, our Japanese language and cultural program at Dominic College and our annual immersion to Japan. We have commenced the development of an initial partnership agreement for 2019-2020. This will involve a two night and day homestay visit by our Year 9 & 10 students to Shizuoka in 2019, the initiation of a joint student inquiry project and the commencement of a teacher exchange program.

Taiko Drummers at the Fair

Term 4 was a busy one for Dominiku Daiko members, as they were suddenly in high demand! The best performance venue so far would have had to be looking down on the Community Fair and watching the fair goers from near the 2nd floor entrance to the Savio Centre. Watching people far below

Year 7-10 students in the Japanese Speech Competition.

break out into spontaneous, joyful dance moves to the rhythm of the drums brought happiness to this dedicated group of students and their teacher!

Nihon ga daisuki! Nihongo ga daisuki! (We love Japan! We love Japanese!)

*Mrs Belinda Kumashiro
 Teacher of Japanese*

We look forward to celebrating Japanese culture and language again next year.

Health and Physical Education

The opportunities the HPE faculty have been able to provide for students have been broad, engaging and dynamic with an emphasis on challenging and exciting our students about their learning and development in HPE. We always strive to provide authentic and relevant learning for all students.

K-6 Health and Physical Education has once again had a strong emphasis on resilience, positive psychology, skill acquisition and development, fundamental and gross motor/movement skills, team-work and fitness whilst always encompassing sportsmanship.

7-10 Health and Physical Education has had a strong focus on the overall wellbeing of individuals including fitness, skill development, lifelong physical activity, mental health and self-esteem encompassing positive psychology. Our program is underpinned by participation and striving for personal improvement inclusive of everyone involved in the program. As many will know from entering the College, it is very evident how blessed we are with our amazing facilities.

In 2018 our facilities were used thoroughly and embraced by all age groups. We have given our students pathways to pursue lifelong physical and mental health formation individually and in the community. Through engagement in our programs our students give themselves the best opportunity to become happy, social and physically active members of their community and will hopefully have a lifelong interest in their own and others physical and mental health. The HPE faculty will continue to work hard in 2019 to improve the program further so our students are getting the best possible learning outcomes.

Mr Cameron Golding
Director of HPE K-10

Opposite page: The Raw Challenge is a fantastic part of our Athletic Development Program where students get down and dirty on a very challenging fitness course. Year 10 students work on their Heat Escape Lessening Position (HELP) during their Swimming and Water Safety Unit in Term 4. Scenes from the Three Capes Track multi-day walk, which Adventure Rec students tackle. Above from top, left to right: Sprint sessions for our Year K-8 PE classes from Athletics Tasmania coaches. Congratulations to Athletic Development students, Perri King (Year 9) and Brianna Oates (Year 10) who were selected in the Tasmanian Devils Female U18 State Academy. Adventure Recreation students loved their Surf Camp on Bruny Island. Vincent Davey and Maxwell Golding are all smiles after their very muddy HPE Soccer Clinic. "And they are off!" Prep girls at the start of their 600m Cross Country event in Term 2. PE classes had sessions at Action Fitness Centre. F45 Fitness classes were a good physical challenge for many of our HPE classes in 2018. Elective 9/10 Sport Science students completed a Skeletal Systems unit. Year 9/10 Adventure Recreation enjoyed the challenge of building rafts at Bellerive Beach as part of their Term 1 Leadership unit. Students from our 3-6 Swimming Team after competition at the STCPSSA Swimming Carnival. Adventure Recreation loved participating in the 'Group Dynamics' unit using activities such as 'minefield' and 'spider web'. Futsal is a growing sport and HPE classes worked on the skills of the game during classes.

Creative Arts

In 2018 students were challenged to extend themselves and it was pleasing to see that challenge taken up by so many. In Term 1, our new music and art facility, Fra Angelico, began operation and in a short time has become a hub of student activity. At lunchtimes, students from Years 3-10 were at work in practice rooms, checking out the artwork on show in the exhibition space or eating their lunch under the tree in the Fra Angelico courtyard. The state-of-the-art recording studio, media room, music and art classrooms have been designed to be flexible and stimulating teaching and learning spaces. Fra Angelico has certainly been a game changer for Creative Arts at the College.

The Creative Arts Festival was a central focus this year. The Salamanca Arts Centre featured student art works, films and music and drama performances. The Long Gallery was resplendent with works ranging from students from Launch into Learning, aged from three, right up to that of our students in Year 10. The exhibition was, again, curated with great skill by Mrs Durbridge, Mrs Jeffery and Ms O'Grady. The Peacock Theatre was the venue for our production of Shakespeare's 'rom-com', *Much Ado About Nothing*. A cast of 50 presented an exuberant offering which featured a 60s girl group as a chorus to the action and a hapless group of cricketers as the 'heroic' warriors. The Talking Heads Retrospective rounded off the proceedings which featured current students and old scholars who reprised monologues that have been performed at the College over the past seven years.

Hardly pausing to draw breath, our Creative Arts students presented a highly entertaining Music & Dance Showcase at the Don Bosco Creative Arts Centre at Guilford Young College in September. This gave the school community the opportunity to see the large scale performing arts works, such as our Concert Band, Choirs and Ensembles and the prize winning Dance and Music Eisteddfod pieces. With Miss Hewitt at the helm, ably assisted by Mr Smith and our wonderful team of music and dance tutors, the event was a huge success and has become a rite of passage, much anticipated by the students and the school community.

A significant development in the Creative Arts at the College this year was the introduction of a Band Program in which every student in Years 5 and 6 learned to play a band instrument and play together. Instruments offered in the program are Flute, Clarinet, Alto Saxophone, Tenor Saxophone, Trumpet, Trombone, Bass Guitar and Percussion.

Creative Arts students and staff were heavily involved in the school-wide Theatresports, the inter-house competition, Dominic's Got Talent, as well as Hobart's Dance and Music Eisteddfods. The music tuition program has grown with students from K-10 taking advantage of our new practice rooms and recording facilities.

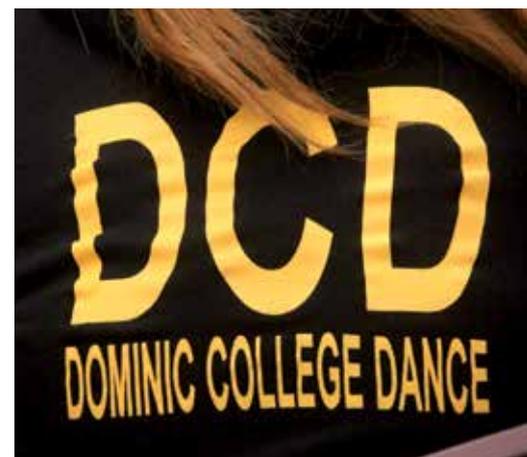

Dance

Our partnership with Jenina's Dance Workshop (JDW) continues to go from strength to strength. Numbers are growing with a very healthy 25 students taking Year 8 Elective Dance and 15 for the inaugural Year 9-10 Elective Dance class in 2018.

In Semester 1, both classes undertook preparations for the Southern Tasmania Dance Eisteddfod. Year 8 prepared 'Piece by Piece' which featured the entire class in an emotional lyrical piece that received a Highly Commended award from the adjudicator. The class presented this piece along with a hip hop routine 'Graffiti' for the Music & Dance Showcase.

Our Year 9-10 class were awarded first place at the Southern Tasmania Dance Eisteddfod with an emotive and demanding routine, 'Man in the Mirror'. Their hip hop routine to 'Dem Beats' was one of several highlights at the Showcase.

In both classes, students also created original choreography in small groups. It was a year of hard work, but with great rewards. Students also participated in several in-class workshops and enjoyed the experience of taking some classes at JDW Studios.

Media Arts

Our Media Arts course is designed for students to explore Media Arts through photography, film and print media. Tasks ranged from creating portfolios of still photography to making commercials, to 5-second filmed narratives and then tackling the Short Film genre. Written critical analysis was an essential component. Students delved deeply into examining subject matter, technique and presentation.

Media students have produced an impressive portfolio of photographic and film works. They have honed their technical expertise and deepened their visual storytelling-telling techniques. Photography from the Media classes once again produced several prize winners and honourable mentions at the Royal Hobart Show.

Writing remains a key focus with students learning how to write project proposals, artist statements connecting to their own work and reflective pieces reviewing their project's successes and challenges.

Using their creative thinking skills is fundamental for Media students who need to consider all the angles, literally, when creating and producing still and moving images. A range of student work was displayed in the Long Gallery and Sidespace as part of the Creative Arts Festival.

Drama

The Play Project, Say it Loud, now in its 6th year, was the central focus for students in Year 6 in Semester 1. The starting point for both classes was the concept 'journey'. 6A's piece was entitled In Fear of the Monster and 6B's piece was Not Here. Every student who performed as part of their class ensemble should be proud of their hard work and commitment to the project.

Students in Years 3-6 had a semester each of Drama with Ms Healy, who also trained competitors for the Year 5-6 Theatresports, which was enjoyed by students from Years 3-6. Terrapin Puppet Theatre, a perennial favourite at Dominic, performed A Not So Traditional Story, for Prep-Year 6 in Term 4.

All Year 7 had a full year of Drama and explored Mime, Comedy, Reader's Theatre and Scripted Drama. Year 8 Drama students created original pieces, made short films and performed scenes.

Both Senior Drama classes united for our production of Much Ado About Nothing, as well as applying their skills to melodrama, monologues in Talking Heads 2018 and children's theatre.

The Theatresports House Competition has become well and truly entrenched as an inter-house annual event and this year's guest judges were local theatrical luminary, old scholar, Andrew Casey, who was ably assisted by another dramatic Dominic old scholar Shania Kava. This year Andrew once again was guest workshop convenor for the Drama Intensives which were attended by students from Year 7 and 8 Drama in Term 3.

Visual Arts

In 2018, Years 3-6 have made the new art space their home and produced a variety of drawings, collages, and mixed media artwork. All students experienced a consistent skill build to increase the joy and confidence in their creative abilities.

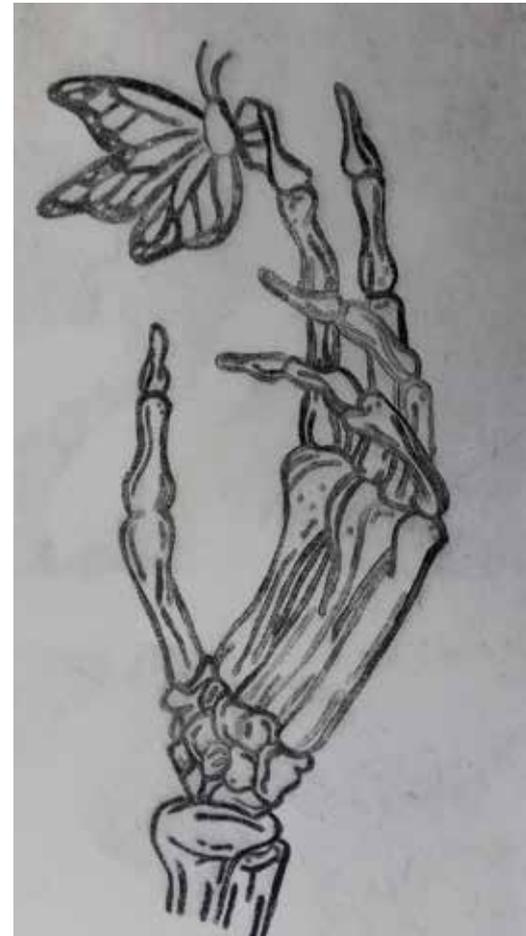

Students from Kindergarten through to Year 10 worked individually or collaboratively on works publicly exhibited in Salamanca's Long Gallery during our Creative Arts Festival.

In Visual Arts, Year 7 have mastered the art of intaglio printmaking utilising the excellent printmaking facilities in Fra Angelico. This is a highly technical process and all students developed excellent skills producing a drypoint etching and learning all the aspects of this complex technique. They also explored 2D and 3D mixed media materials.

Year 8 had a wonderful year of creative exploration and experimentation in many art styles and processes. Designing and painting a skateboard deck has been a highlight as well as relief lino printing, and students also worked on contemporary grid formats with a mixed media exploration that extended the art making skills learned throughout the year.

Our senior elective students have had immersive projects each term requiring them to develop and extend their skills and techniques and challenge their creative processes. Producing major drawing studies, a printmaking portfolio and a painting study, students finished their year with a self-directed small sculpture study using clay. They used their Visual Journals for design, research and critical analysis throughout the year.

Visual Art students were well represented in the Youth Art Awards at the Royal Hobart show and students who were recognised with prizes and commendations included Braedi Walscott, Jackie Van Lierop, Tylar Jenni, Oriel Estorninho, Max Brideson, Tom Atkinson and Tara Davie.

Music

The Creative Arts Department launched a new instrumental/band program where every student in Years 5 and 6 learned to play an instrument and play together in a band. From this program students were selected to be part of a Beginner Concert Band and a Junior Concert Band. The Junior Concert Band took out second place this year at the Clarence Eisteddfod in what was their first public performance: a wonderful start. We look forward to the continued development of this program and the opportunities it opens for our students as young musicians.

Classroom Music in K-4 is all about creating an engaging and satisfying music-making experience. In Kindergarten, students begin to learn about beat, through to movement, instrument playing and singing. Students are introduced to untuned percussion instruments and then progress to tuned percussion instruments.

In Year 7 Music is a taster course where students are introduced to both the keyboard and guitar in addition to theoretical aspects of the subject. Year 8 can broaden their practical skills across a wide range of instruments, where they also study the historical and cultural topics and begin to develop compositional skills.

Year 9/10 Music provides opportunities for students to work at a much higher level, studying in depth about music history and theory. The class thrived in a song writing unit with many successful songs written and performed at different occasions.

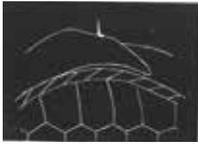

As usual, there was a high degree of co-curricular activity with Music students participating in Choirs, Concert Bands, our Rock Band, Music - Count us in, Soirees, K-2 Carols, International Men's and Women's Breakfasts and achieving pleasing results in Eisteddfods. A stage band provided the Music for Much Ado About Nothing, and Term 3 concluded with a sold out performance of the Music & Dance Showcase at Guilford Young College.

Creative activity continued in the October holidays with two special events. During the first week, the Derwent Valley Concert Band held its annual Spring School for the first time at Dominic College, utilizing the new state-of-the-art facilities in Fra Angelico. This was the largest attendance thus far for the Spring School with 120 students from around Tasmania in attendance. The Spring School went for three days, including rehearsals, expert tuition and a concert. Students were split into three separate concert bands according to their skill level with a beginner, intermediate and senior concert band under the direction of Frances White, Nathaniel Griffiths and renowned local conductor Simon Reid.

In the second week of the holidays the College was privileged to host the inaugural Fra Angelico Song Writing and Music Making Workshop, where 32 students from 10 different schools participated in a song writing workshop with high profile Australian Music Director Darryl Beaton. Working alongside Brett Budgeon, Mark Schmalfuss, Greg Souter and Katherine Hewitt, Darryl took the students through three days of song writing and recording processes and the students loved every minute of it.

Applied Studies

Digital Technology

In 2018, Year 7 Digital Technology was Cyberiffic! Students learned the basics of spreadsheets; they found out how a computer worked and also made some amazing games using Scratch. The highlight of the year was the Year 7 Cyber safety PowerPoint Presentations. Cyber safety is the safe and responsible use of information and communication technology: keeping information safe and secure, and being responsible with that information, respectful of other people online, and using good 'netiquette (internet etiquette).

Year 7 students designed their PowerPoints with the Year 5 and 6 students in mind, and then visited the Year 5 and 6 students to present their PowerPoints. These presentations included quizzes, videos and fun animations, with the aim of helping the younger students become more Cyber Aware.

Students in Year 8 extended their knowledge of Cyber Safety and created PowerPoint Quiz Games in small groups to teach cyber safety concepts to students around their age. They evaluated each other's games and provided constructive feedback to their peers. Students then learned some new programming techniques and incorporated this into the creation of a Maze game. They had to design the game idea and all the objects in the game. The final stage was testing the game. There was no shortage of volunteers offering to test their game.

During the last term they have been learning about Computational Thinking and Algorithms. Students learned how to conduct different kinds of searches and types of sorting algorithms. They found it interesting to see the different ways a computer can be programmed to sort a set of numbers. Their final unit is to then see

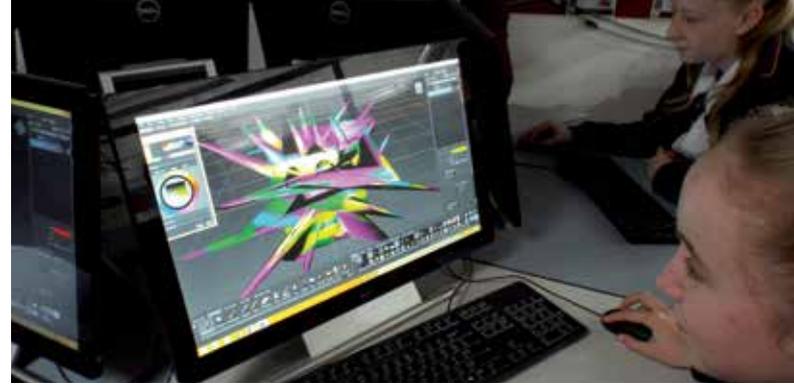

the power of Excel software and see the way Excel incorporates many programming concepts when developing formulas.

Year 9/10 Information Technology students have focused on learning programming for much of the year. Some students learnt Python through developing simple games and some learnt this programming language through using Micro bits which are small digital boards that can be programmed to display text or images in an array of 5 x 5 tidy LED lights. Students have also researched security of information especially looking at some of the more recent news around the issues with data security by popular social media companies.

The Term 4 project is to develop their own culminating project that either extends the skills they have already been learning or gives them a chance to learn new skills and ideas in the digital technologies area. Some of the projects are Photoshop, 3D Printing, Python programming and learning about what is inside a computer with the support of the eLearning staff.

Year 9/10 Robotics & Game Making students worked on Lego Mindstorms EV3 robots in the first half of the year, completing various challenges where they had to program the robot to complete a task successfully. In the second half of the year they learned to make computer games using Game Maker Studio 2. They also researched social and ethical concepts of robotics and game making such as looking into the latest developments in robotics, gaming addiction and wrote a review of their favourite game.

The Science Fair provided the perfect opportunity for all of the students in Information Technology and Robotics & Game Making to showcase their work in programming. Robotics students demonstrated their robots completing challenges on the First Lego League competition robot game table and Information Technology students developed interactive projects where visitors to the fair could try their hand at simple programming using Python and the Micro bits. They really enjoyed sharing their projects with members of the community who visited the Fair.

VET Certificate 1 in AgriFood Operations

VET Certificate I in AgriFood Operations is a course offered as part of the Southern Tasmanian Catholic Colleges Trade Training Centre based at Guilford Young College (Registered Training Provider No. 1129).

This is an entry-level qualification aimed at entering the agriculture, horticulture and conservation and land management industries. The course covers units of competency in Work Safely, Maintain the workplace, Assist with routine maintenance of machinery and equipment, Support landscape work, Support gardening work and Support nursery work.

Students are involved in numerous tasks around the College, which enable them to learn skills and develop their ability to work effectively in a team. They also have the opportunity to complete an industry work placement with one of our partner businesses. These industry partners are generous in supporting our students.

We would like to acknowledge the kind support of the following industry partners: Tibball's Nursery, Weston Farm, New Norfolk Golf Club, Something from the Ground Blueberry Farm and MONA who hosted students this year.

Mamma Margaret Kitchen Garden program

The Mamma Margaret Kitchen Garden program has been a popular part of the K-6 program and a valuable strand of the Design and Technologies curriculum. Students across all year levels K-6 experience one semester of fortnightly sessions of approximately 90 minutes, with Mr Golding, Miss Gysen or Mrs Hawkins. The program relies on kind volunteer parents and grandparents, who work with students in the Kinder to Year 4 classes to assist with the preparation of the food and to help keep a watchful eye on our young chefs. In Years 5 and 6 students are encouraged to work more independently in smaller groups and these classes operate without parent help. This year, for the first time, these students cooked in the 7-10 kitchen, with the aim of gradually introducing them to the Year 7 Home Economics program. A particular highlight this year was the catering experience Year 6 classes enjoyed as they prepared and served morning tea to grandparents as part of their Migration history unit.

Home Economics

In Home Economics classes students designed, made and appraised food and textiles products.

Year 7 students were asked to use ingredients and fabrics to produce designed items such as a super salad or Sashiko cushion. Students

built upon skills to plan, prepare and decide on the ingredients needed to create their own salads. During a practical lesson a guest judge appraised the finished products in the categories of most original salad, most nutritious salad, best use of garnish and best presented salad.

Year 8 students have been enhancing their proficiency in Home Economics as they focused on designing and producing their own reusable bag in textiles. Each student was required to plan the measurements, use the sewing machine and design a bag using materials such as calico, fabric paint and dye to individualise their finished product. In the kitchen students continue to develop their proficiency using preparation techniques and cooking equipment to make baked items and meals. All students met the challenge of designing a muffin which involved researching ingredients and flavour combinations that tasted pleasant and looked appealing.

Food Studies and Advanced Food Studies

This year, three Food Studies classes completed the one year course under the leadership of Mrs Hawkins and Ms Gysen. Units completed included: Knife Skills,

Food Labelling, International Foods and Cake Decorating Techniques. Practical assessment tasks required students to produce a takeaway food, appropriately packaged and labelled according to legislative requirements, and to design and present an original curry recipe as well as decorate a gingerbread house or novelty cake.

Advanced Food Studies

Advanced Food Studies enhances students' knowledge and techniques from previous years by focusing on catering meals for a specific purpose.

Students have to plan the quantity of ingredients and serving sizes to ensure they are catering for various needs. This involved a finger food presentation and a dessert, which they presented to staff who provided feedback on the taste and appearance of the final dish. As a component of the planning process, students calculated the cost of the ingredients to determine the profitability of their chosen recipe. The last term culminated in an afternoon tea where students invite family, friends and staff members to showcase their culinary delights.

*Mrs Selina Kinne
Coordinator of Applied Studies 7-10*

SKILLS FOR THE FUTURE

Materials Design and Technology

Thirteen classes and over 200 students, male and female, have measured, sawn, sanded, machined, welded, glued, bent, hammered, designed, sprayed, drilled, assembled, chiselled, drawn, machined and wood-turned this year.

Students have designed and produced some great projects with many different media. Reading plans, setting up machinery, using many hand tools, selecting materials and unloading supplies from delivery trucks. All these important practical skills have developed other life and employability skills, such as organisation, cooperation, team-building, problem-solving, self-esteem, confidence and maturity.

It has been a pleasure to watch Year 8 students grow in stature from the beginning of the year, with developing confidence and high levels of a range of skills using both hand tools and plant machinery in wood and metal. The senior classes developed and achieved competency in many units in VET Construction and Engineering. Many of the competencies can be used in apprenticeships. They completed the White Card (CPCCOHS1001A), Welding unit (MEMPE002A) and Undertake a Basic Construction Project (CPCCVE1011A).

The students have experienced some good opportunities this year with full day VET classes, the STCCTTC all colleges VET Construction competition and a week of work placement. All this experience was linked together by third party experts in BGAS, Master Builders Tasmania and Tasweld.

The message from all of the third parties representatives was consistent:

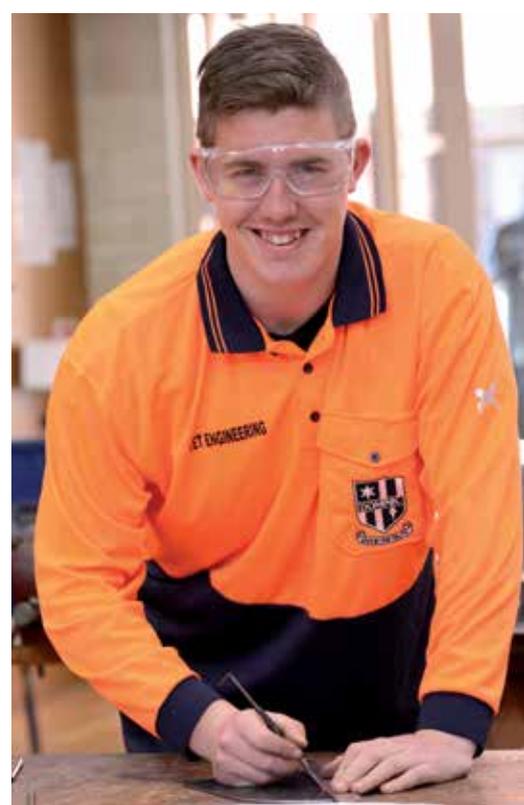

“Employers are looking for young people with good Numeracy and Literacy skills and always demonstrating a positive attitude.”

“Don’t be afraid of hard work and getting in and having a go. Your future is in your hands.”

The variety of work has given students a great platform in their skill development and in moving forward with their individual pathways. Confidence has grown throughout the year which has seen them being able to take on more complex projects and procedures.

The VET Construction and Engineering incursion days also aimed at providing the students with CV preparation, application procedures and how to communicate in the job interview process.

Debating

A strong culture of public speaking and debating continues to grow at Dominic College. It has been richly rewarding this year to see students embracing the challenges and developing the skills required to become confident and articulate speakers. Students from Years 4-10 have participated in a range of competitions, workshops, and lunchtime clubs throughout the year, including House Debating for Year 7-10; the Tasmanian Debating Union's competition for Year 7-10; and the Independent Schools debating competition for Year 5 and 6 students.

The Year 7-10 House debating competition was especially successful this year. Separate competitions ran side-by-side for Year 7/8 and 9/10 students throughout the second half of Term 3. There was a noticeable improvement in the confidence and delivery of the arguments presented by students, and each debate was attended by a supportive and curious audience. This competition was also well supported by teaching staff who acted as guest adjudicators, including Deputy Principal, Mr Casni, who presided over the finals series in The Oratory Space.

The coveted silverware is now in the hands of Year 7/8 winners Guzman House, and Year 9/10 winners Siena House. Some of the philosophical and ethical dilemmas we examined included the notion that romance is dead, and that technology will save us. Congratulations to all involved.

The Tasmanian Debating Union continues to run a first class competition for Southern Tasmanian schools throughout Term 1 and 2. Dominic College was represented at each level from Year 7-10. Our students impressed with their ability to collaborate, analyse, and present persuasive arguments on a range of local and global issues. Teams attended fortnightly debates on Wednesday evenings at schools around greater Hobart. Each

Back row: Oriel Estorninho, William Meere, Kyle Daley, Isabella Cooke, Matthew Lane.
Middle Row: Mr Ben Fulton, Eli Morrison, Tyler Wheeler, Cassandra McLoughlin, Joshua Willson, Mr Adam Lapolla Front row: Courtney Doyle, Georgia Amos, Noella Irumva, Promise Mudzingwa, Abbey Turner, Isabelle Selby, Briana Shaji.

debate is adjudicated by a TDU volunteer and students receive comprehensive feedback about the content and quality of their speeches. Many thanks go to the parents who support this competition and to Mr Adam Lapolla for coaching the Year 8 team.

The TDU run a number of developmental programs for enthusiastic and talented debaters. This year, Year 10 student Promise Mudzingwa was invited by the TDU to attend an accelerated program for students entering Years 11 and 12, including workshops, lectures, and a three-day camp in January. This is a fabulous endorsement of our students and their abilities!

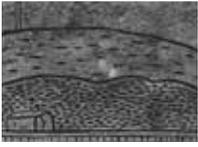

The Year 5/6 competition is run by the independent schools around Hobart. Many thanks to Miss Christina Venettacci and Mr Michael Voss, who worked closely with a dedicated group of students during Term 2 and 3 and met once a week and debated on Wednesday afternoons at various venues.

This is a great introduction to debating and public speaking for our younger students, leading into Year 7.

Some other opportunities on the public speaking and debating calendar include the Rostrum Voice of Youth competition held in May, and the EVATT competition held this year in August. Year 10 students Noella Irumva and Isabella Cooke participated in the EVATT competition which is a UN Youth event whereby participants act as delegates to the United Nations and debate a proposed resolution. Noella and Isabella were assigned to Bolivia and were asked to promote their interests around the development and use of biotechnology in the military.

I encourage all students, with or without an academic or public speaking background, to get involved in these activities. As has been evident this year, practise and exposure to these activities, together with a commitment to improve, can engender powerful gains in students' understanding, self-confidence, and communications skills. We look forward to another great year in 2019!

Mr Ben Fulton
Debating Coordinator

Chess

Chess was enjoyed by a number of students, both beginners and experienced players. In 2018 we did not enter any tournaments, nor did we hold any House competition, but the development of younger players is encouraging.

We thank the Parents & Friends for their excellent contributions to the playground and are very pleased that chess now has a permanent visible presence in our grounds.

7-10 students enjoyed games at lunchtime on Fridays during winter, and K-6 students on Tuesday at lunchtimes.

Immersion Learning

Year 6 Canberra trip

Visiting our nation's capital, students engaged in all the opportunities on offer on our itinerary. Tasmanian Senator Eric Abetz welcomed Year 6 students to Parliament House. Parliament House never fails to impress, with role-play in full swing as students acted out being the Government and the Opposition putting forward an environmental bill to provide water tanks to all Australians. By way of contrast, we visited Old Parliament House and actually sat in the original seats as a further role-play session unfolded. It was interesting to compare the old and the new. We saw how Canberra was planned and the many processes and ideas went into the design of Canberra.

We stepped into the world of Geoscience and saw some amazing rocks and crystals, we added a layer of sand to a time tube, which will represent Dominic College for 2018. Earthquake measuring devices were seen in action, along with measurement records from some major earthquakes that have happened in the world...we even made a recording of our own. Students were required to jump up and down so that the vibrations could be recorded. With the use of technology the formation of storms can be seen via a link that tracks extreme weather events across the world, updated every three hours it's quite amazing to see and watch.

Still in the science field, Questacon was great hands-on fun for students and staff alike! The tour of the AIS is always a favourite with Year 6 especially the evening swim. We paid our respects at the War Memorial to the many men and women who sacrificed their lives for our country, poppies were purchased and placed next to servicemen's and women's names on the Roll of Honour. This year Year 6 were very fortunate to meet our Governor General, His Excellency the Honourable Sir

Peter Cosgrove, a chance event due to having connections in the right places!

The Canberra weather was kind with plenty of sunshine, especially on our last day when we visited the glorious spring Festival 'Floriade'. A welcome ice cream and a ride on the Ferris Wheel for a bird's eye view of the wonderful flower arrangements was a lovely way to end a great learning experience.

Ms Barbara Moulton Trip Co-ordinator

Our Year 9 Central Australia Immersion journey

On 24 September, 42 students and five staff assembled at Hobart airport. The group prepared to commence the annual Year 9 trip and began their journey from the small island of Tasmania to the outback landscapes of the Northern Territory.

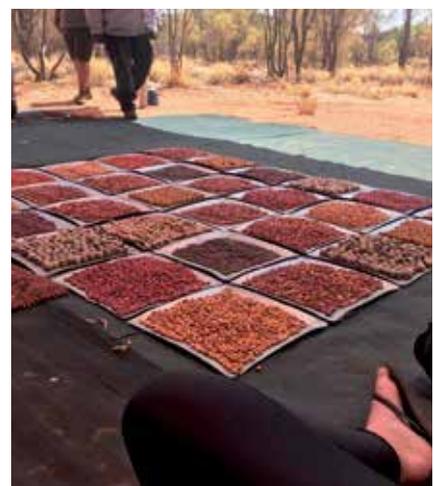

Over the course of 12 days we were blessed with experiencing many once in a life-time opportunities such as: swimming in waterholes, holding reptiles like snakes and baby crocodiles, viewing the spectacular sunset at Ubirr rock, walking around the base of Uluru and riding camels.

We began our outback adventure in Darwin and made our way down to the heart of the Northern Territory, Uluru. The bus rides were always full of laughter whilst we played games and were entertained by Miss Brownrigg's freestyle karaoke.

One of the many highlights of the trip was when we travelled to Cooina and cruised on the Yellow Waters Lagoon at sunrise.

We saw hundreds of saltwater crocodiles, water buffalo, different species of birds and trees. Our tour guide Reuben educated us on the flora and fauna and his family's connections to the land.

Visiting Uluru and getting close to the gigantic monolith was a breath-taking and spiritual experience. Jen, our tour guide, told us lots of chukapa (dreamtime stories) and helped to give us an understanding about the significance of the land to the indigenous people.

We were given the opportunity to see the sacred site up close and walk around its base, later on we could witness the beauty of Uluru under the setting sun.

Most of the walks were relatively easy, until we got to Kings Canyon. Conquering the first part of the walk (deemed “Heart Attack Hill”) was the toughest part. The walk was tiring but undeniably worth it.

The 2018 Northern Territory trip was certainly one to remember, as we immersed ourselves in the stunning scenery, the Aboriginal culture and the wildlife. We grew together as one big “Northern Territory family” as we saw many remarkable things together, said Salesian goodnights together and ate together.

For the friendships made and the magical places we visited throughout, this journey is an unbelievable opportunity. The entire trip was a spectacular experience, one that we will treasure forever.

Ursula Harris - Year 9 student

Japan Study Tour

A collaboration between tour member and aspiring journalist, Courtney Doyle and Teacher of Japanese, Belinda Kumashiro

In September, a group of ten Year 10 students set off for Japan with teachers Mrs Kinne and Kumashiro sensei. Eager to experience a new country, the tourists had different ideas about what to expect and also what they were looking forward to. They spent the first few days in Japan enjoying the sites of the Kansai region, including Kyoto (the previous capital of Japan, before Tokyo), Nara (the capital before Kyoto) and Osaka where they met Ms Gilligan. This part of Japan is extremely diverse, from world heritage temples and castles to free-range deer, to ferris wheels which sit atop buildings – there was much to see and do!

After several exciting days in what used to be Kumashiro sensei’s “turf”, we boarded a *shinkansen* and headed to Hiroshima. We spent an afternoon at the Peace Park and the Peace Museum in Hiroshima and became more familiar with Japan’s history including the atomic bombs at the conclusion of WWII. Whilst there, we learnt first-hand about the horrors of war and Hiroshima’s ongoing passion for spreading the message of peace. We added our carefully made

paper cranes to the collection donated to the Sadako memorial, as a sign of our solidarity for the wish for world peace. The process of decorating our own lanterns in the evening was a thought-provoking one, as we were invited to consider what peace means to us in our lives, and express that on our lanterns which we then floated down the Ota River.

Our second day in Hiroshima Prefecture was spent on Miyajima Island visiting World Heritage listed Itsukushima Shrine and climbing Mt Misen using a combination of ropeway and foot-power! We found the temple which is home to the Eternal Flame, and climbed all the way to the top of the mountain to admire the incredible views of the Seto Inland Sea. During the trip we had many opportunities to learn about world religions such as Shintoism and Buddhism. We learnt first-hand about rituals for prayer at temples and shrines, and customs for the bringing of good fortune and health.

After our time in Hiroshima, we travelled to the present capital city of Japan, Tokyo. We enjoyed our second trip on the speedy *shinkansen*, and immersed ourselves in the sights and sounds of one of the busiest and biggest cities on Earth. We managed to avoid the oncoming typhoon and still get out and about to see important places such as Meiji

Shrine and Sensouji Temple in Asakusa. We broke up the religious culture element by adding in some time in Harajuku, teenage paradise and young culture mecca. The following day we immersed ourselves in all that is Disney, spending the entire day at Disneyland! The group's favourite memory about Disneyland was at the end of the day when those brave enough decided to go on two more rides together: Space Mountain and Splash Mountain.

Many gave themselves a little extra rest at the hotel the following morning, but the toughest of the group headed out to Tokyo Tower, before returning to the hotel to prepare to visit Osaki High School. We spent an enjoyable afternoon at the school, looking at their facilities, joining in some sports activities with their students, and trying our hand at playing the koto. We loved their taiko performance, and were happy to spend time chatting with their students and swapping contact details.

Enriched by our new educational experience, the students made many precious memories and new friendships formed within the group. The group was lucky enough to have achieved a strong understanding of Japan and its culture through the wide ranging experiences on the itinerary, and found that visiting a country can help to make the study of history, society, language and culture come alive and develop a deeper meaning.

It was a wonderful trip, and although it was brief we hope that it was the first of many opportunities for our students to stretch their wings and learn to craft their own life adventures!

This year the group was accompanied by another of Kumashiro sensei's feathered friends, Pengin-kun. Students in K-6 classes were thrilled when they could share photographs of his adventures in Japan!

Indigenous focus

At Dominic College we are very proud that we have over 50 students who identify as indigenous; they are a living connection to our oldest continuing culture.

Highlights for this year have been the attendance of 26 students from Kindergarten to Year 10 at the TMAG excursion held early in Term 1. The TMAG program focused on Tasmanian Aboriginal culture and how it has changed over time using visual art as a record of some of these changes.

This year's program linked with the Balnhdhurr print exhibition from the Northern Territory and included hands-on print making activities and a focus on the importance of artwork in storytelling and culture. This excursion encouraged Aboriginal and Torres Strait Islander students to see themselves, their identities and their culture reflected in the Australian curriculum. All students at Dominic have the opportunity to engage in the wonderful culture of our Aboriginal and Torres Strait Islander people throughout the year in a variety of learning experiences.

Dominic celebrated National Reconciliation Week 27 May-3 June with a cultural display in the Library. Students engaged in diverse activities to highlight this week in their classes.

Our NAIDOC ceremony was historic this year, with one of our parents, Ms Angela Triffitt being very involved in preparing our students and advising the College on the best way to celebrate this significant occasion.

To open this special assembly we had three of our Aboriginal students, Declan Triffitt-Haney, Isabella Triffitt-Haney and Jolie Everett begin our NAIDOC Observance by speaking in their language. As part of our observance we were granted permission to use the Aboriginal Our Father, by the Archbishop of Broome.

This year we had our Aboriginal students from across the College play significant roles in this important occasion for our College and community. Furthermore, Angela Triffitt spoke on this year's theme, Because of her We Can. Angela shared her own stories of being an Aboriginal woman and the women who played a significant role in her own personal journey. Students from Kindergarten to Year 6 were all encouraged to display posters in their classrooms depicting important women in their lives and how these women inspired them.

Dominic College also hosted Reconciliation Tasmania in August, where a whole day workshop and a shorter evening workshop, were run with a focus on teachers incorporating high quality teaching and resources with Aboriginal and Torres Strait Islander focus. Several of our local schools and colleges attended this day.

Looking to the future, Dominic has requested and received help from community members to investigate the idea of the Kindergarten classes changing from their current 'Mice' and 'Bears' to our native animals and in recognising and using palawa kani-mana-mapali in this renaming process.

Mrs Alicia McMahon – Indigenous Liaison

*Students addressing the assembly: Isabella Triffitt-Haney, Declan Triffitt-Haney and Jolie Everett.
Angela Triffitt was the special guest speaker for the NAIDOC Week assembly.*

Spoken Word Poem

I'd like to think that "could be worse" was a phrase that I made, But I don't think I did
You could say it is my catchphrase
I use "could be worse" in situations that well, to be completely honest, "could be worse"
Like when the sun gets blocked out and the clouds have greyed and the rain droplets are falling

– could be worse

When the car won't start and you're late for work – could be worse

When you fail that math test you have been studying for – could be worse

All of these situations could be a lot worse than they actually are

We could not have a car, we could not have shelter, and we couldn't have a school to go to, we could be in the heaviest downpour in a century, everything could be worse

Me personally, I overthink many things,

Clearing my head was like aiming for the bull's eye blindfolded

Like starting the car without the key

I didn't just seem to work

Things that might seem small but, to me they are massive.

There was this one time where my brain was in complete overload,

It had never been quite so stressed like it was this time

And those things got stuck in a pointless rhythm in my head

Round and round and round and round

Until the brakes finally work and these petty and inconsistent thoughts stop

When I calm down I realise how useless and pointless my petty downward spiral was

Then I had an epiphany

What if I realised that at the end of the day these things wouldn't matter

That all that build up was for nothing

That it only took a three word sentence to set things back to how it was

Could be worse

William Heddle - Year 10

Social Media, the Internet and my Phone(Stability in Motion)

I remember begging my parents for months on end to buy me my first phone, I had become so desperate that I had resorted to willingly doing the household chores.

Everybody else around me had a phone and I felt so left out that I wasn't up to date with the latest trend of having the newest apple iPhone. The day that I got my phone did finally come- it was my birthday in 2016 and I was in grade 7. I tore away at the wrapping paper that covered my brand new iPhone 5c, it was blue and very small compared to the phones that some people have today.

I instantly fell in love with it. I was glued to the screen of my phone all day, every day. It was like my best friend, I took it everywhere with me and we hated to be apart. My phone was there for me when I went through my emo phase, the time I was obsessed with hats, my music phase, beginnings, endings and the day I discovered social media.

Sometimes I still hate my phone for letting me discover social media. I hadn't realised it at the time but it would absolutely ruin me. Social media changed the way I saw myself, I had to look like the model on the screen; my hips were too big along with my thighs and my stomach, yet my butt wasn't big enough. My phone screamed that I wasn't good enough and nobody would love me until I looked exactly like the models. It saw me take hundreds of photos of myself and then watched as I rushed to delete every single one of them in an eruption of self-hatred.

My phone was there the day I first sent him a message, the day we started dating and the first date we went on. It watched as I fell deeper and deeper in love with him, as I stayed up until 3.00 AM thinking of him, as I lost myself in his eyes. It was there when I was convinced that things could not have been better.

My phone saw the messages he sent me when he ended things. "I just fell out of love with you," he had said- and shattered my heart.

My phone saw when I cried so often that my face seemed to be permanently stained with tears, when my eyes were no longer a beautiful chocolate brown but bloodshot, lonely and tired. It saw when I cried so hard that my eyes stung and tears could no longer escape them and all I could do was shake in my mother's arms. My phone caused me nothing but pain but at least it filled all my unforeseen free time that I used to devote to him. I try my best not to use the internet or social media anymore but it doesn't stop the pain I feel when I accidentally scroll too deep into my camera roll and I see a photo of him; back when we were happy, when it was smiles and laughter and there were no problems in the world.

My phone taught me how to plaster a fake smile on my face.

Ursula Harris - Year 9

Pastoral Care

It has been a highly successful year in Pastoral Care at Dominic College. In K-10 we have had numerous opportunities to gather together as a community. Our International Women's Day and International Men's Day breakfasts were both wonderful community events. We hosted renowned parent educator and psychologist Steve Biddulph for two parent sessions, one on Raising Boys and one on Raising Girls. Our students again participated in ANZAC Day services across southern Tasmania, representing the College and community at Lenah Valley, Hobart, Glenorchy, Pontville and New Norfolk.

Our two Feast Days were fun enjoyable days for all. Students participated in a wide range of activities from Theatresports, Trivia Competition, Buddy Activities, Dominic's Got Talent, 7-10 Academic Amazing Race and the Dominic Cup. Again we had an amazing team of volunteers who made individualised salad rolls for the entire College Community. Our co-curricular choices continued to grow and improve, providing our students with a wide variety of opportunities to participate in. Our EMPOWER programs continued to develop, along with a comprehensive review of our College Camp program. Students Year 3 – Year 10 undertook goal-setting throughout the year, looking for ways to maximise their learning outcomes.

Our student leaders underwent leadership formation through the GRIP leadership conferences before organising and developing numerous fundraising and student activities. A highlight of the year was the wonderful Mental Health Week, with students completing sessions with inspirational speakers and mental health experts.

K-6 Pastoral Care

“Be who God meant you to be and you will set the world on fire.”

Saint Catherine of Siena

EMPOWER

The EMPOWER program has continued to grow in the K-6 classrooms. The focus has continued to be on developing student social and emotional well-being through consistent language and themes that draw upon our four College expectations. Students are really grasping the concept of being a ‘Bucket Filler’ and the impact that this can have on them and others.

Friendship

Friendship is an area that Kinder-Year 6 teachers have focused on this year, particularly in the playground. We want our students to be kind, caring and supportive of all. To support learning about friendship we have had four ‘friendship seats’ installed. These seats can be used by students at recess and lunch if they are feeling lonely and need a friend. Education about these seats has happened in classrooms with role plays and conversations and the seats seem to be working well.

Playground Focus

Providing our students a ‘playground where friends meet and enjoy themselves’ is a key focus for Kinder – Year 6. With the amazing support of our Parents and Friends community, the playground has begun a huge revamp. More areas of structured play in the K-4 playground have been created, such as a large chess set, new basketball court, handball courts, outdoor twister and many others. Students have shown enjoyment and responsibility in the many areas that have been added. Alongside these playground additions we have also begun to

incorporate more lunchtime activities such as chess club, gardening group, dance group and creative kids. A huge thank you to all the staff who offered their time at lunch to run these extra-curricular activities.

Buddy Program

Our K-6 students thoroughly enjoyed the Buddy Program and the opportunity to work with a Buddy class throughout the year. Time is spent together on Feast Days, shared lunches, reading activities and support in many different learning areas.

Environmental Focus

This year our Student Representative Council (SRC) has taken a real interest in improving the Environment at Dominic College. One of the initiatives they developed was ‘Plogging’ – where students participate in a ‘jog’ and collect rubbish along the way. There is a ‘house competition’ incentive and this will continue in 2019 as a daily fitness activity. Our SRC has started the ball rolling in regards to reducing our environmental impact and we will continue this work next year.

Student Representative Council

Our Student Representative Council has worked tirelessly throughout the year; they are to be commended for their positive approach to school improvement. They willingly give up their lunch time for meetings and to prepare assemblies, their attitude is that no job is too small. We have had an excellent SRC and we are particularly thankful to our Captains Zoe Swan and Harrison Johnston and Vice Captains Alarna Waller and Oscar McGann for their wonderful leadership.

Safer School Community Awards

Dominic College was invited by the Glenorchy City Council (GCC) to select

six students who contribute to making Dominic College a wonderful part of Glenorchy. Cooper Laycock, John-Zion Kamara, Alarna Waller, Harrison Johnston, Sophia McLoughlin and Chloe Howells were deserving winners of this award and were presented with their certificates by GCC Mayor Kristie Johnston at a special awards ceremony.

Seasons For Growth

This year we have been able to begin running the Seasons For Growth Program which gives students an opportunity to understand grief and loss and find some ways that can help support them through the tougher times. This has been an absolute honour to work with these students and we look forward to this continuing in 2019.

Harmony Day Poster Competition

Harmony Day is celebrated at Dominic College with the 2018 focus being ‘Everyone Belongs’. Students were invited by the Multicultural Centre of Tasmania to create an A3 poster to show their understanding and celebrate this theme. These were entered into a State Wide Competition and we submitted some fantastic entries. Two students won 2nd place in their age group. Congratulations to Zoe Swan (Year 6) and Sophie Ransley (Year 4).

Parents & Friends

Thank you to our wonderful Parents & Friends group who have run so many activities that our students just love and cherish. In particular, the Father’s Day and Mother’s Day Stalls, support for our PJ Day, Discos, Colour Run, Easter Raffle and the Fair are highlights for our students and they love participating in these events.

*Miss Allison Lowe and Mrs Olivia Stephen
Coordinators of Pastoral Care K-6*

Seated L-R: Alarna Waller, Vice-Captain; Harrison Johnston, Captain; Zoe Swan, Captain; Oscar McGann, Vice-Captain.

Year 5 camp at Far South

The theme for the Year 5 camp at Far South after Easter was “Let your Light Shine.” We explored how we could let our inner selves shine and used the time to get to know each other in a different environment.

On the first day, we celebrated Sophia’s birthday with biscuits and cupcakes at Shipwright’s Point. At Hastings Caves, we searched through the caves and learned about their history. Did you know waterfalls used to flow through the caves? We also enjoyed a swim in the thermal pool. That night, after we had unpacked and had dinner, we enjoyed sitting around a campfire where we cooked marshmallows and looked at the stars.

On our second day, we hiked to Duckhole Lake. The walk to the lake was amazing because around every corner there was something new to look at and wonder about. We examined the trees and the fungi. The long walk was worth it because the lake really looked like a mirror. Leeches bit some students and a wasp stung another student!

However it was ok, these students were resilient! When we got to Roaring Beach we were feeling excited. People started digging holes and trying to reach water. Sandcastles were constructed and many students went into the water, though not that deep. Jumping over the waves was much more fun. Some people walked to the rocks, made cairns and made up imaginary kingdoms. We also examined the big tree with the hole on the cliff. Inside, it was all black like coal.

A highlight was our Red Faces competition. Students were nervous about performing in front of others, but everyone participated and had fun. On the last day, we had some free time activities and attended our liturgy. The liturgy was very special. We had to think about how we were going to continue to shine as people and we had our own little flame to light up. We returned full of happiness and pride knowing that not only had we achieved a special milestone, but we had thoroughly enjoyed our time away with our friends!

Year 5 teachers and students

7-10 Pastoral Care

The EMPOWER Programs continue to grow from strength to strength. The signature program, the Rite Journey had an unbelievable year, with some of the best sunrises we have ever had at 'The Calling' and some really profound workshops with all students, guiding them towards the young adults they want to be. The Year 7 Camp was also very rewarding at the picturesque Fortescue Bay, with team and individual challenges, pushing students out of their comfort zone and also closer together.

The Student Senate did an excellent job of bringing ideas to the table, this included a Hot Chips Fundraiser and an excellent Staff v Students Netball and Basketball Game. We had our first ever Taco Tuesday in which the College Captains fed a majority of the 7-10 students. They also sold Hot Cross Buns, while the Houses all held individual fundraisers to raise money for Project Compassion.

The other usual fundraisers like the Fair, Footy Colours Day, Teacher Auction and Spooktober, brought a sea of colour, laughs and fun, bringing staff and students together with a smile. Other initiatives included the introduction of House Bins, to ensure that we kept our spaces beautiful.

Mental Health Week 2018

In 2017, student leaders ran a very successful Relay for Life Team that had over 120 student members and raised nearly \$20,000. In 2018, the College Captains were keen to introduce something new to Dominic College. Something special that would be fun, that students would enjoy, but most importantly, that would help them.

Maggie Baker, College Captain, was driven to mirror the work done in our EMPOWER Program and help the students who were struggling with their Mental Health. Maggie took her ideas to the Senate and through the College Leadership Team to find the right balance and speakers for each year level.

Maggie was instrumental in making this happen, initially she knew we wanted to work with Mitch McPherson from SpeakUp and Stay ChatTy, as Mitch had presented at Dominic before and his story and message is very powerful.

She also knew she wanted Year 8 students to spend some time on Body Image, something that she and Ashley Cano Calderon, College Vice-Captain, felt very strongly about improving. Maggie wanted to lead these sessions and empower our students to know their true value.

Sourcing the Key Note Speaker -

#notevenonce from Teen Challenge, was an exceptional idea, helping students understand the negative consequences of managing their Mental Health through destructive measures. Looking for something for the Year 7 students was challenging, but once we saw the passion and drive that the young people who run the Little HELP Project have, it was easy to know that we had found the right people who could empower and motivate our youngest members.

Maggie continued her initiative by going through the Beyond Blue website and requesting a speaker for our College. This brought Joe Brooks (a young podiatrist

living and working in Hobart) to Dominic College. Joe spoke about his journey and experiences in the area of mental health. His story was truly inspiring. He spoke to us about the moments in his life where mental health controlled him and how with support he has overcome numerous obstacles.

Luke Jackson has more achievements than many people could ever dream of. Luke is a professional athlete who has overcome his personal issues with his mental health and so is motivated and keen to help young people and show them that exercise, fitness and sport can be a pathway to manage these health issues.

Lunchtime Yoga was an opportunity to again use exercise to improve health and well-being. We brought in three separate Instructors, all of them were talented and amazing. We offered 7/8, 9/10 and staff sessions which were all successful. Savio Academic Captain Alec Mielke put together the Self Defence Proposal and his commitment, organisation and delivery were amazing.

This was not about fighting, but standing your ground, staying safe and avoiding conflict. We were blessed that Alec shared

the skills he has developed with our community.

Finally, we had the Bacon and Egg Breakfast, Pancake Breakfast and Pizza Drive. All of these were well supported by the student body.

I would like to thank the Pastoral Care Team, House Coordinators, EMPOWER and HPE Team for their attendance and work at events during Mental Health Week.

Finally a huge thankyou to Maggie Baker - she was the Champion of this initiative. Maggie's leadership is about the students, about Dominic College and making it the best place it can be. What an amazing young person!

*Mr Aaron Davey
Coordinator of Pastoral Care 7-10*

Opposite: Speak up, Stay ChatTY presenters James Rice (left) and founder Mitch McPherson (far right) with College Captains and Vice-Captains. Boys at a Year 8 body image workshop. This page: from top. Left to right: Feast Day Amazing Race English challenge. Krispy Kreme Doughnuts fundraiser. Footy Colours Day. The crowd joins in at the Dominic's Got Talent Show. Year 10 student leaders at the GRIP leadership Conference. Lochie Bacon and Year 10 Savio boys rise to the challenge during a Feast Day competition. Mrs Davey and Bosco working on the Hot Chips fundraiser. Year 7 students with the Little Help Project presenters. Beyond Blue's speaker Mr Joe Brooks with Mr Steve Casni and Maggie Baker.

Year 7 camp at Fortescue Bay

Camping at Fortescue Bay was amazing! We were right on the beach and the view was just fantastic. The tents were great quality and it was perfect weather. There were lots of marine life such as jellyfish and stingrays. The sand was as white as sand can be and the water was clear. There was lots of wildlife, too. There were possums, kookaburras and wallabies. The activities were fun, like the mountain bike riding and kayaking.

Sage Krejza (Guzman)

One of the team-based activities was that we had to work as a team to build a raft and keep it afloat with as many people on it as we could. It was very hard trying to include everyone's ideas into the one boat. We also found it tricky to balance everyone's weight on it without the raft tipping. In the end it was fun and enjoyable to be able to listen in to everyone's ideas on how they thought it might work, even with a couple of cheeky distractions from Mr Davey. *Tylar Jenni (Bosco)*

We went surfing with the Coastrider Surf Academy and we had a blast! We all put on wetsuits and jumped in the water. The wetsuits were great because we didn't feel the cold water. The waves were small but we all still caught them. One of my favourite parts was when Dawa stood up and yelled 'Look at me! I'm surfing!' then he fell off. The surfing instructors were all lovely and by the end of the lesson I'm pretty sure we all could stand up on the surf boards. *Reese Cubit (Siena)*

Year 7 camp was amazing due to all the activities and hanging out with friends. I would like to thank the teachers. It was great for us to go on that camp because it helped us make new friends and really helped our teamwork skills. *Sascha Collingz (Siena)*

Year 8 camp (2017)

The Year 8 camp at Coles Bay, Freycinet Peninsula, at the end of the year leads students to the beginning of their Year 9 Rite Journey.

The beautiful scenery was a highlight. I had a chance to experience nature and wildlife in many ways including sea kayaking, which was an amazing experience. We were able to hike into Wineglass Bay, where we watched two dolphins gracefully swim around the bay, possums, wallabies and more. The most challenging part of camp for me was finding the mental strength to complete the abseil, which was very high and quite steep. *Billie Green*

Most people found abseiling a test to conquer their fear of heights but I did not. I loved every second of it. When it was my time, I buckled up, went through a safety check, then leaned over the edge of a 20m cliff. It was the scariest and hardest part: I lowered myself down the cliff. Snorkelling was cold but we got some amazing views under the sea. Kayaking was tiring but it was a new experience. Going up hundreds of stairs with a pack on my back was challenging but the feeling when we finished was amazing. But the best part were the new friendships, jokes and challenges undertaken with our friends.

Emmett McShane-Goldsworthy

I had never been snorkelling in my entire life. It was freezing, but once I started swimming around, I started to get warmer. It was a bit foggy in some places but you could still see. The night before, we did a Salesian Goodnight, which is where you reflect on the day you had. While we were doing this, I was sitting on a chair and a possum came and looked at me a while, before going under my chair. I thought he was going to jump up and sit on my lap! The most challenging part was kayaking. I kept on rocking about and was surprised I even stayed in the kayak. *Lachlan Rowlands*

My highlight of the camp was the hike to Hazard's Beach. I liked the way we all bonded and worked together to make it easier for each of us. I also enjoyed it at the campsite there. We had set up all our tarps and tents and were cooking dinner when all of a sudden Mr Pritchard jumps up and starts saying 'Oh look guys, look there is a wombat, I have never seen a wombat in the wild after all the times I have been camping'. The most challenging part of camp I reckon was the abseiling. Overall, I thought this camp was really good and had some stunning views and sunsets. *Aiden Waller*

Cambodia 2017 – World Challenge

After long hours on the plane, everyone was happy and very excited to have finally landed in Cambodia. The first night, after checking into our hotel, we walked down to Pub Street, a big market place with lots of restaurants in Siem Reap. Isabella was brave enough to eat a big fried tarantula but the rest of us just settled for ice-cream.

In Siem Reap we also visited the temples of Angkor Wat. We walked through them one afternoon and got to watch the sunset over the main temple. The next day we did a bike riding tour of three of the temples. We rode through small villages, talked to the local kids and had a chance to eat some of their local fruit. Seeing the temples was an amazing opportunity and we were lucky enough to have a tour guide to tell us all about them.

A challenge we had to face was the three day Jungle Trek. We travelled from Battambang to Voar Sar where we prepared for the trek. The first day's walk was approximately 6km in 35 degree heat. We had three trek guides who helped us get to camp and cook. Once we got to camp we set up our hammocks and went for a swim in the lake.

The second day we walked the opposite direction and learnt bushcrafts such as how to get fresh water from plants and how to handle crabs.

After lunch we went through the rice fields and helped the women cut down the rice and learnt about how rural people live. On the third and final day we walked back to the starting point and went fishing with bamboo rods. The trek was an amazing experience which pushed each and every one of us out of our comfort zone, especially when we found spiders and scorpions in our bags! We are very grateful to Rith and his team for helping us to organise such an amazing experience.

Bianca Davidson and Grace Curtain

The first day at Ptea Teuk Dong (PTD) was dedicated to briefing us on our two days ahead. Afterwards we were taken on an amazing tour, led by our translator Ravi. The tour was not just of the school but the village surrounding it and we had a first-hand glimpse of what it is like to live in such a rural area. The village is supported by the school. We met some amazing people but were shocked to see so many dogs roaming free. We ended the day with a fantastic dinner and a discussion on what we were doing for the very limited time at the wonderful place.

The second day we got to work. First we sanded down the front of the building, getting it ready to paint. We had a few breaks to talk and interact with the children, and some of the teachers joined in with our activities. We only worked for a while after lunch as all the insects were coming out.

On the third day everyone got into painting the building. We interacted with the children more this day and we taught them a bit of English along with learning the traditional

language, Khmer. The dinner was full of fantastic stories and fun games. Our last day at the project we finished up our painting, we decided to paint creatures and words for the children to enjoy.

On our last day we gave the children gifts of sporting equipment. We joined in playing for a while until we had to pack our gear and clean our clothing. We had just enough time to help deliver the copier that Dominic College had helped donate. We had a few pictures with our paintings and it was our time to say goodbye to the amazing friends we had made and the unforgettable journey we shared.

In the final stage of our Cambodian trip, we went to the beautiful and unique capital city, Phnom Penh. We stayed in the "Longlin Guest House," conveniently right above a nice restaurant! Over the period we went to several historical sites such as the Killing Fields and S21 Genocide Museum - which was a torture and execution camp. It was a unique opportunity to learn about the history of Cambodia and what happened to their people during the reign of the Khmer Rouge. On our last day we visited the Don Bosco Technical School where we had a tour and met some of the students. We had given the school 12 laptops from Dominic College, and also presented them with some sleeping bags, sporting equipment and around US\$600 of money we raised. Overall, we agreed that our experience was life-changing.

We are very grateful to Dominic College and World Challenge for this opportunity and special thanks to Jess our Tour Leader and Mrs Marcenko and Mr Davey for coming with us on this amazing experience.

Molly Gargett and Sarah Hawkins

Kindergarten

Kindergarten Bears

Teacher: Mr Michael Voss Teacher Assistants: Mrs Danielle Pullen, Br Michael Morrow SDB & Mrs Deborah Gray

Back Row: Mr Michael Voss Third Row: Br Michael Morrow, Joaquin Taylor, John-Zion Kamara, Charlotte Shivas, George Cooper, Mollie Garland, Hunter Price, Chelsea Schiebel, Crystal Colgrave, Carlee Porthouse, Mrs Danielle Pullen. The Hundred Languages
Loris Malaguzzi

No way. The hundred is there.
 The child
 is made of one hundred.
 The child has
 a hundred languages
 a hundred hands
 a hundred thoughts
 a hundred ways of thinking
 of playing, of speaking.
 A hundred always a hundred
 ways of listening
 of marveling, of loving
 a hundred joys
 for singing and understanding
 a hundred worlds
 to discover
 a hundred worlds to invent
 a hundred worlds to dream.
 The child has a hundred languages
 (and a hundred hundred hundred more)
 but they steal ninety-nine.
 The school and the culture
 separate the head from the body.
 They tell the child:
 to think without hands
 to do without head
 to listen and not to speak
 to understand without joy
 to love and to marvel
 only at Easter and at Christmas.
 They tell the child:
 to discover the world already there
 and of the hundred
 they steal ninety-nine.
 They tell the child:
 that work and play
 reality and fantasy
 science and imagination
 sky and earth
 reason and dream
 are things that do not belong together.
 And thus they tell the child
 that the hundred is not there.
 The child says:
 No way. The hundred is there.

Prep

Prep A

Teacher: Ms Ruth Scanlon Teacher Assistants: Mrs Trish Coad & Br Michael Morrow SDB

Back Row: Ms Ruth Scanlon

Third Row: Br Michael Morrow, Alex Gesiotto, Bella Richardson, Oliver Calvert, Noel Opi, Judd Fehlberg, Alka Sivananthakumar, Alyssa Krasnicki, Sebastian Churchill, Mrs Trish Coad.

Front Row: William Fox, Lilah Scott, Lenn Li, Max Loveless, Lily O'Brien, Talan Burcul, Yikai Liu, Sienna Schofield, Dhanush Pandya. Absent: Lucas Haddrick.

Reach for the Stars

It seems only yesterday
Was when I first arrived.
A nervous face on the first day
With wonder in my eyes.

Our room has lots of colours,
Shapes and posters too.
Alphabet and numbers,
Scissors, tape and glue.

We learned about our classroom
And how to be polite.
Geography, science, math
And how to read and write.

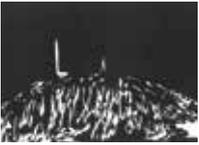

I met so many friends this year
And every single day
We share and laugh and try to care
In every single way.

With all the things I've learned
this year
A favourite's hard to choose
But I'll always remember this
And pass it on to you:

If I'm kind and do my best
There's nothing I can't do.
I'll work hard, reach for the stars
And keep on sailing through!

Left to right: Estelle and Noel eating pizzas at Twilight Night. Oliver, Judd and Jacob working together in maths. Prep A created a garden in our grounds with help from Bunnings. Prep A in the Mama Margaret Kitchen. Prep A on Footy Colours Day. Prep B enjoyed playing characters in Book Week. Prep B had fun on the P&F Colour Run. Prep B display at the Glenorchy Linc. Vincent, Lilah and Jazmine playing cooperatively.

Year 1

Year 1A

Teacher: Mr Daniel Bellinger Teacher Assistant: Br Michael Morrow SDB

Back Row: Mr Daniel Bellinger, Amelia Porter, Skylah-Anne Courtney, Joseph Abayo, Olivia Riseley, Reece Menzie, Jonievis Kamara, Charlie Ledster, Lucy Engel, Br Michael Morrow.

Third Row: Jett Umgeher, Naphtalie Mudzingwa, Natalie Mudzingwa, Xavier Carroll, Margaret Agius, Sophia Kokkinofas, Elliott Bush, Joanna Alo-Aiken, Peter Ho.

Second Row: Lewis Quinn, Jackson Nguyen, Annabelle Bourne, Maxwell Golding, Chelsea Cooper, Hayley Bukowiecki, Samuel Lukman, Ella Sibley, Tom Jensen, Matthew Atkin.

Front Row: Aurora Cosker, Mia Allen, Kathryn Colley, Simron Khadka.

Year 1B

Teachers: Miss Madelyn Carver & Mrs Alicia McMahon Teacher Assistant: Br Michael Morrow SDB

Back Row: Miss Madelyn Carver, Angus Berry, Kate Cherney, Carmen Gill, Oliver Rolls, Mrs Alicia McMahon, Enrique Castaneda, Ellie Schulze, Ava Millington, Lincoln Waters, Br Michael Morrow.

Third Row: Fletcher Ward, Samuel Smith, Quinn Parkin, Ashleigh Green, Sydney Howlett, Hannah Hawes, Molly Doran, Alex Harper, Jacob Hellessey.

Second Row: Carter Spangler, Eamon O'Leary, Lily Driver, Declan Gadd, Anahita Anahita, Ruby Crosswell, Abel Westwood, Annabelle Smith, Lachlan McKay, Brandon Beattie.

Front Row: Elandra King, Lillie Reggie, Nina Smith, Bronte Cate.

Maranatha (Come Lord Jesus)

An ongoing focus for this year has been Christian Meditation. Year 1 learned and practised the art of stilling our minds and bodies in order to pray and be reverent during morning and afternoon prayer. We now know how to breathe slowly, calm our thoughts, be mindful of personal space and ready ourselves to meditate. We used the mantra of maranatha, a candle and a signing bowl to guide us through the process.

We explored places and spaces, planned our mission to the moon, created artwork masterpieces that were displayed in the Long Gallery at Salamanca.

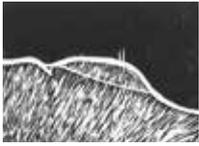

On top of all this, Year 1 learned to skip count, divide, multiply, add, subtract, tell the time and investigated shapes in our world. We've written exciting poems, stories, letters, and recounts and made our very own books.

We have sung, danced, cooked up a storm, built up our reading muscles and followed the star.

Year 1 was full of friendships, adventures and memories.

Left to right: In full costume for an exciting Book Week parade! We learned about vibrations and sound in Science. Year 1 really enjoyed being able to wear pyjamas to school on Pyjama Day. We use science to understand the world around us and make predictions during Science Week. Some engaged Year 1 spectators during the Cross Country event. We are learning about how different temperatures can affect different liquids and foods. Year 1 enjoying some teamwork games during the Feast Day for St Dominic Savio and St John Bosco. Getting our hands dirty for a good cause on Clean Up Australia Day! Year 1 putting in some serious preparation time for the K-2 Disco!

Year 2

Year 2A

Teacher: Ms Anna Attuoni Teacher Assistant: Mrs Colleen Ralph

Back Row: Mrs Colleen Ralph, Lueth Ateny, Nicola Kelly, Holly Bedelph, Lily Brain, Cooper Snyman, Neriya Kadisha, Eshaan Dhaliwal, Matilda Menzie, Ms Anna Attuoni.

Third Row: Liliana Escobar, Ella Burdon, Toby Saunders, Chloe Austen, Luke Bromfield, Addison Duggan, Benjamin Atkin, Isabel Green, Lucy Martin.

Second Row: Amelia Newman, Hoin Kim, Charlotte Lacy-Jager, William Zeitzen, Piper Sullivan, Isabella Fisher, Kane Tran, Lucia Pasa, Hudson Bernes, Aylah Harrex.

Front Row: Farhin Sabah, Amelie McGann, Grace Wilson, Abigail McGovern.

Year 2B

Teacher: Mr Joe Moore Teacher Assistant: Mrs Colleen Ralph

Back Row: Mr Joe Moore, Juliet Anning, Isabella Triffitt Haney, Callum Tonks, Tanishka Kumrai, Bronwyn Agius, Betty Opi, Jordan Bannister, Oscar Pohl, Oliver White, Mrs Colleen Ralph. Third Row: Chelsea Hawkins, Jackson McKenzie, Georgia Kelly, Josie Stefankowski, Gabriel Brophy, Lily Knight, Eva Ling, Eve Gerard, Annabelle Pyke.

Second Row: Ryan Johnson, Brooke Hay, Noah Reardon, Izabella Tennant, Lucas Randall, Jacob Hargreaves, Ella Oakley, David Prakash Mathew, Lily Daly, Tyson Gregson.

Front Row: Afsana Magar, Sophie Johansen, Maddison Fox, Caitlyn Ransley.

Year 2

There were many highlights in Year 2!

The Science Fair was exciting from beginning to end. Year 2 students participated in *Junior Lego League* and used specialised Lego packs for their constructions. *Junior League Lego's* theme, *Mission Moon*, involved constructing moon bases, launch pads, rockets and moon buggies. Our Year 4 buddies helped improve and modify our constructions. Members of our family came along after school to view our amazing lunar creations!

Book Week, was another great day, giving us the opportunity to dress up as a favourite character from a book we have enjoyed! Ms Attuoni dressed up as a possum from her favourite picture book, *Possum Magic* by Mem Fox and Mr Moore dressed up as Mr Fox from *Fantastic Mr Fox* by Roald Dahl. Our classroom was a buzz of excitement and wonder.

In October, the Parents & Friends Colour Run was unforgettable for all. Not only did we raise money for the school but we had the most enjoyable time. We had to complete an obstacle course around the oval whilst being covered in splashes of colour at every pit stop! We hope to take part in this event again next year.

A year to remember: Year 2 2018!

Above, left to right: Fr Will Matthews SDB with Year 2 students during his visit to Dominic College. Students use craft during Feast Day. The P&F Colour Run was a special experience as students ran through an obstacle course and were pelted with colour powder! Students worked with the Junior Lego League material for projects. Students (and teachers) love our Book Week characters.

Year 3

Year 3A
 Teacher: Mrs Bradi McGee Teacher Assistant: Ms Leesa Baker
 Back Row: Lincoln Wojcik, Ronin Adams, Jack Jordan, Jake Waller, Mrs Bradi McGee, Hamish Hawes, Ruby Direen, Hayden Carpenter, Lindsay Stevanovich.
 Middle Row: Sebastian Smith, Lachlan Braslin, Lucy Harper, Ethan Lacy, Lachlan Clark, Sophie Clay, Casey Turnbull, Youngin Kim, Madeline Carroll, Olivia Rayner.
 Front Row: Janelle Vizcarra, Cruze Strange, Mihaela Ashby, Arthur Stoddart, Semhar Mesfen, Daisy Lincoln, Nicholas Hay, Nabina Thapa, Griffin Cosker, Holly Westwood.
 Absent: Lexie Sanford, Ms Leesa Baker.

Year 3B
 Teachers: Mrs Allison Lowe & Mrs Olivia Stephen
 Back Row: Mrs Allison Lowe, Thomas King, Marlin Umgeher, Blake Bedelph, Oliver Mesic, Maleeya Wiggins, Zac Forey, Zac Pfitzner, Sophie Ahern, Cooper Burdon, Mrs Olivia Stephen.
 Middle Row: Noah Hamilton, Abigail Doran, Charlotte McKinlay-Geeves, Catherine Lenthall, Logan Beveridge, Ellie Sproule, Sally Ho, Jaxon Chick, Constance Spangler.
 Front Row: Jade Fewkes, Cameron Moase, Stephanie Harrison, Ava Lawler, Harry Wilby, Declan Triffitt-Haney, Lucy Miller, Evie Balmforth, Callum Kelly, Jolie Everett.

Yippee for Year 3!
 Exciting House Carnivals
 Animals are really cute! We
 learned about living things
 with our chickens.
 Running; Cross Country, the
 Colour Run and Athletics
 Carnivals were all awesome!

Trying hard to do our best.
 Homework – we worked really
 hard! But it was mostly fun.
 Really cute buddies – our
 Kinder buddies were fantastic!
 Empower was one of our
 favourite subjects.
 Everyone is looking forward to
 Year 4.

Left to right: We love our Mamma Margaret Kitchen time. 3A students work on grouping tasks in Maths. National Story Day is popular. Year 3 students love scientific experiments. Year 3 friends can be cheeky too! Carnivals are great. Year 3 artwork. All in pyjamas! We learned about adding backgrounds to our presentations.

Year 4

Year 4A

Teacher: Ms Therese McDevitt **Teacher Assistant:** Br Michael Morrow SDB

Back Row: Ms Therese McDevitt, Ella Hamilton, Billy Garforth, Chloe Gadd, Alok Rai, Michael King, Fletcher Gaetani, Matilda Willson, Charlotte Monroe.

Middle Row: Matilda Johnson, Parker Stephen, Georgia McPherson, Mingus Breslin, Irene Opi, Samantha Clay, Laura O'Reilly, Lucy Schiebel, Ava Clark, Br Michael Morrow.

Front Row: Zarin Sabah, Sally Quinn, William Waters, Vincent Anning, Sebastian Bush, Gabriel Tichanow, Samuel Anis, Jack Dillon, Melody Gallegos Calderon, Gemma Mustchin.

Year 4B

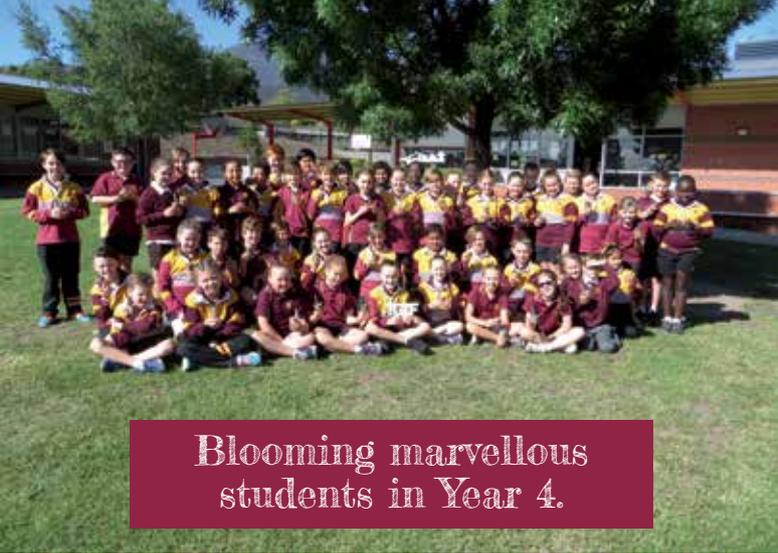

Teachers: Mrs Hayley Joyce & Mrs Dora Swan **Teacher Assistant:** Br Michael Morrow SDB

Back Row: Mrs Hayley Joyce, Rakshita Kumar, Sophie Ransley, Kyan Cubit, Millie Gerard, Kirrawyn McNamara, Cooper Laycock, Lucy Eastley, Alexander Meyrick, Br Michael Morrow.

Middle Row: Jemma Reid, Seth Cockerill, Mia Mackie, Shane Randall, Juditte Uwineza, Nathan Woodberry, Juliana Montenegro, Lucas Krasnicki, Daniel Prakash Mathew.

Front Row: Mackenzie Ward, Holly Cate, Jack Austen, Poppy Lincoln, Jackson Dickson, Matilda Christmann-Price, Ryan Erends, Shiecha Bone, Grace Gallahar-Gore.

Absent: Jai Bayliss, Mrs Dora Swan.

Blooming marvellous students in Year 4.

It's time for some divine slime!

That's one small step for man and one giant leap for Year 4 at the creek.

These faces ring a bell at the Maritime Museum.

Tricking our buddies during Feast Day fun.

Take cover - colour explosion!

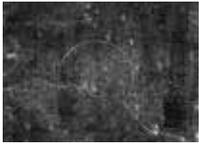

Walking back in time at the wharf.

Hopping into Easter craft.

Hooked on books - Book Week characters come to life.

Year 5

Year 5A

Teacher: Ms Michelle O'Grady

Back Row: Kaylee Walker, Jack Gilligan, Oliver Nicolle, Priyannika Kumrai, Ms Michelle O'Grady, Ebony Hargreaves, Christian Wheeler, Zoe Duggan, Sam McKenzie.

Third Row: Jack Miller, Joshua McMaster, Caitlin Stevanovich, Samuel Cherney, Mitchell Green, Charlotte Ransley, Bree Bester, Remi Holbrook, Yiannis Nikitaras.

Second Row: Bryon Shaji, Joel Richards, Addison Tonks, Brody Pettit, Emarli Lovell, Holly Watson, Benjamin Weeding, Charlie Carr, Harrison Mallay, Charlie Goodman.

Front Row: Lilymay Ward, Lucy Johnston, Kaylee Strange, Taylah Bernes.

Year 5B

Teacher: Ms Beth Graham Teacher Assistant: Ms Leesa Baker

Back Row: Ms Leesa Baker, Jasmin Bailey, Evangeline Morrison, Zak Balmforth, Sophia McLoughlin, Xander Roberts, Mikayla Kelleher, Harrison Brown, Lily McConnon, Aurelia Pasa, Christian Majchrzak, Ms Beth Graham.

Middle Row: Sienna Clark, James Bannister, Ebony Sayer, Anisha Thapa, Aidan Rayner, Aivah Sproule, Danshi Bali, Isabel Rolls, Lucas Pyke, Jayden Buckley.

Front Row: Grace Fisher, River Collingz, Noah Riddell, Lara Hurd, Jack Kelly, Klay Mustchin, Hailey Duggan, Lucas Atkinson, Lucas Hoare, Sophie Cowen. Absent: Cooper Beaton.

Inspirational People

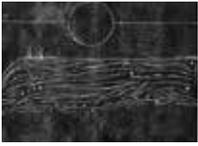

Year 5 enjoyed a rewarding year full of challenging learning experiences. In Religious Education, students explored what makes a person inspirational and applied this to their own lives. We learned that we can be inspired by those in our community and, in turn, inspire others to strive to be their best selves. We are extremely proud of the achievements of all Year 5 students.

Highlights of our year together have included:

- Camp to Far South
- Stations of the Cross
- Reconciliation
- Port Arthur Excursion
- Beginner Band
- Colour Run
- STEAM project
- Robotics Club
- Creative Arts Festival
- Mamma Margaret Cooking
- Book Week Parade
- Footy Colours Day
- Terrapin Theatre Performance
- Grandparents Day
- Science Fair
- Taster Day
- Girls' Netball Round Robin
- Boys' Football Day
- Yr 3-6 Athletics Carnival
- Cross Country Day
- Swimming Carnival
- Buddy Visits
- Dominic Community Fair

Left to right: Klay and Zak wearing special gear for their dairy visit. Anisha, Sophie and Sienna investigating a square metre and area. Year 5B students on Pyjama Day. Noel, Mikayla and Aidan in STEAM lesson - Mrs Graham holds the lamb. Year 5 students enjoyed the P&F Colour Run. We visited several dairies studying cows and the dairy industry. Our camp was great!

Year 6

Year 6A

Teacher: Ms Barbara Moulton

Back Row: Benjamin Cooper, Amelia Shelverton, Chloe Ahern, Caitlin Turner, Jessica Weeding, Youngjae Kim, Ella Walker, Abby Curtain, Noah Austen, Jack Webster.

Middle Row: Joel Bresnehan, Austin Nilsson, Roxie Moore, Somyog Rai, Hamish Wareing, Ms Barbara Moulton, Brooklyn Albiston, Alarna Waller, Roshan Khadka, Connor Eastley, Neena Fraser.

Front Row: Ethan Purton, Kayla Loveless, Clair Rosevear, Kaine Andrew-Anning, Zoe Swan, Lucy Zogopoulos, Eric Waters, Marina Cook, Paige Thomas, Nikolas Andrew-Anning.

Absent: Henry Sanford.

Year 6B

Teachers: Ms Sue Cunningham & Mrs Dora Swan

Back Row: Chloe Tarvydas, Jessica Appleby, Amelie Gavan, William Breward, Chloe Howells, Zayne Cooper, Brodie Laycock, Isabella Strang-Quin, Shelby Lincoln, Jonty Zielinski.

Middle Row: Joshua McRoss, Brianna Gadd, Finlay Gutteridge, Ellie Mills, Mollie Harris, Ms Sue Cunningham, Kathryn Rowlands, Ella Maw, Charlie Rolls, Oscar McGann, Cameron Cook. Front Row: Amelia Gaetani, Samantha Erends, Isaac Cox, Ryan Grealish, Agnes Nyirahabimana, Molly North, Jeremy Clark, Harrison Johnston, Maggie Wilby, Brianna Patmore. Absent: Mrs Dora Swan.

A year of challenges and rich learning experiences.

It has been an exciting adventure. Students embraced the opportunities when STEAM learning was incorporated into core curriculum areas. Building disaster-proof housing, using renewable energy sources to wire a working circuit and making recycled paper with sustainable materials including wallaby poo were wonderful experiences. Through these experiences the students developed their ability to work collaboratively. They demonstrated critical and creative thinking as they problem-solved to find effective solutions. Year 6 students are now equipped and ready to embark upon their Year 7-10 education.

Left to right: Year 6 are busy - with a 'Bottle Person' task! Year 6 students made their own brains! Building earthquake-proof houses at Questacon. Celebrating with grandparents on Grandparents Day. We enjoyed the P&F Colour Run. At Government House. Making paper. Creating a wind powered house!

Bosco House

Where Eagles Soar

This year has been a great one for Bosco House. Together we have participated in a huge range of activities both competitive and non-competitive that have brought us closer together as a community.

Bosco students have showed amazing dedication and hard work. This year students participated in many academic activities including House Debating, the Amazing Race, House quizzes and many more. Debating is a great chance to get out of your comfort zone and have some fun in a friendly competition. It was great to see our Year 7 students getting involved with this and even making it to the Grand Final. Bosco has a great sense of family and it has been a wonderful year for everyone in the house.

Bianca Davidson – Academic Captain

Bosco students have come a long way in the Creative Arts this year. Mrs Davey, all the captains and myself have helped improve the contribution, enthusiasm and confidence when it comes to House events and performances. This year Bosco was involved in TheatreSports, Dominic’s Got Talent and the exciting Year 7 Lip Sync Battle.

The Creative Arts Festival and the Music & Dance Showcase were also opportunities for the members of Bosco House to showcase their talents in the arts.

The Year 7 Lip-sync Battle allowed our newest Bosco students to earn points towards our Creative Arts shield as well as have a bit of fun.

It was a privilege to be able to lead our house in the Creative Arts for 2018.

Zali Jenni – Creative Arts Captain

On many occasions in 2018, Bosco House has made significant contributions to the school and community, such as the Anzac Day Service, with many Bosco students attending and representing Dominic College.

Project Compassion was a major success this year with the Krispy Kreme fundraiser where

we managed to raise an incredible amount in addition to the five homerooms contributing through the Caritas boxes.

Several Bosco members gave up their free time and were a part of Vinnies, as well as the homerooms also donating many clothing bags for the Vinnies Winter Appeal. Some students were also a part of SYDC, whose members travelled to Melbourne on a Salesian school trip, Oz Bosco.

The Dominic College Community Fair was a great turn out as usual, with many of our members, doing their bit for our school and working in stalls.

Overall Bosco has had a successful year, supporting and making the most of every opportunity.

Olivia Peters– Mission Captain

It has been fantastic to see the athletic potential among the members of Bosco House. Bosco has shown love, hope, dedication, commitment, spirit and heart which has led to another great year in sport for Bosco.

At the end of Term 1 Bosco House rose to the challenge, revealing their full potential in the Athletics carnival. The outstanding effort, dedication and heart shown throughout by members of Bosco, left us with huge grins and a spring in our step as we not only carried out the Girls Shield, but also the Overall Shield.

In Term 2, Bosco held up the winners shield once again in the first ever combined 3-10 Cross Country. The day was filled with fun

with Bosco dominating other activities on the day and coming away with both the 7-10 and overall 3-10 Shields. It was great to see the stamina and spirit among Bosco students.

Bosco had another successful day at the 7-10 Swimming Carnival, gaining 1st place in both the Girls and Aggregate Shields, and 2nd place in the Boys Shield. The teamwork, participation, and dedication led us to this fantastic result. These outstanding results throughout the year are a credit to members of Bosco.

Brianna Oates – Sports Captain

We are honoured to have been captains of Bosco. We would all like to thank the students for the opportunity to lead our House. Thank you to Mrs Davey and Mrs O’Leary for supporting and helping us. We would also like to thank Mr Smith, Mr Fulton, Mr Cardamatis, Mrs Jeffery and Mrs Healy for their wonderful efforts.

Thank you to our Bosco family who have made 2018 a great and memorable year.

Zali Jenni, Brianna Oates, Olivia Peters and Bianca Davidson – 2018 Bosco House Captains

House Coordinators: Mrs Sonia O’Leary, Mrs Natalie Davey.
Left to Right: House Captains Brianna Oates, Olivia Peters, Zali Jenni, Bianca Davidson.

3-10 Cross Country success. Tent making test in the Amazing Race. Athletics triumph for Bosco. Bosco pancakes were very popular at the Fair.

Bosco 1
 Teacher: Mr Martin Smith
 Back Row: Lachlan Rowlands, Khyle Monks, James Austen, Will Parkinson, Thomas Cornell, Connor Ellis, Emmett McShane-Goldsworthy, Chloe Cooper.
 Middle Row: Laura Ackerley, Blake Appleby, Sophie Moy, Melanie Cleland, Mr Martin Smith, Sarah Hawkins, Harrison Hyland, Jessica Curtain, Iliana Allocca.
 Front Row: Lily Bowerman, Thomas Zogopoulos, Mikaela Cruz, Lilly Griffiths, Tylar Jenni, Erin Richards, Belinda Gibbons, Joshua Direen, Maddison Wilton.

Bosco House

Bosco 2

Teacher: Mr Ben Fulton

Back Row: Shanaya Young, Ella Fitzpatrick, Cameron Page, Dmitri Bean, Thomas Arkinson, Harrison LeLievre, Jye Wakefield, Emily Klaffer.

Middle Row: Alyssa Grealish, Thomas Readman, William Thompson, Kaylebb Bygraves, Mr Ben Fulton, Levi Dillon, Charlotte Lang, Maddison Bowerman, Jethro Plunkett.

Front Row: Emma Turner, Tatum Vincent, Patrick Cornell, Elliot Skinner, Jordan Harrison, Eugenia Sevastopoulos, Montana Carnes, Anit Saju.

Absent: Van Kyle Curtain

Bosco 3

Teacher: Mr Warwick Cardamatis

Back Row: Brandon Oates, Renae Wiggins, Athos Pavlides, William Brain, Sebastian Albiston, Irene Acayo, Aiden Waller, Bella Hannon, Sarah Fitzpatrick.

Middle Row: Bianca Davidson, Hayley Curtain, Ellie James, Zoe Appleby, Mr Warwick Cardamatis, Jake Carnes, Chanel Forster, Blake Klaffer, Abbey Turner.

Front Row: Austin Mcguinness, Lily Rader, Justin Goodrick, Frankie Stringer, Sienna Scotney-Barron, Tanesha Bond, Henry Edwards, Abbi Smith, Ethan Henderson.

Bosco 4

Teacher: Mrs Jo Jeffery

Back Row: Ethan Medhurst, Zali Jenni, Olivia Peters, Liam Grealish, Dylan Kay, Joshua Titmus, Lily Cox, Grace Curtain.

Middle Row: Isabelle Selby, Brianna Oates, Renee Eiszle, William Smith, Mrs Jo Jeffery, Jack Lovell, Mitchell Brown, Kearna Warren, Madeline Curtain.

Front Row: Jenaiya Cleland, Rani Roy, Ashlee Bresnehan, Dylan Gangell, Hayden Direen, Shae Buckland, Rose Batchelor, Amy Bryant.

Bosco 5

Teacher: Mrs Samantha Healy

Back Row: Ellysse Eiszle, Joel Ambrogio, Ursula Harris, Ty Turner, Bradley Direen, Alex Wilson, Tyler Duggan, Indyanna Bolding.

Middle Row: Georgina Richardson, Natalie Roland, Amelia Hill-Mundy, Sarah Wright, Mrs Samantha Healy, Tyler Wheeler, Hannah Reid, Leo Harvey, Rose Freeman.

Front Row: Erika Kay, Lauren Gadd, Jax Broderick, Neave Schofield, Mitchell Cleland, Thelma Bygraves, Riley Braslin, Alyssa Haremza, Sarah Watson.

Guzman House

Guzman had an exceptional year in the field of Mission and commitment to other. Many students participated in extra-curricular groups such as SYDC and Vinnies. Guzman made a noteworthy commitment in raising funds for Project Compassion and donating items to the Vinnies Winter Appeal.

2018 has been a great year for Guzman House, and it has been a privilege to be Guzman Mission Captain. I am very grateful for all the students and their fantastic effort and I know this same enthusiasm will continue.

William Heddle - Mission Captain

Being the Guzman Academic Captain for 2018 has been not only a privilege and an opportunity to have some impact on the development of Guzman as a House, but an opportunity to grow and extend myself. Just writing and standing up to read a speech is nerve wracking, and anyone with enough courage to want to do so should be highly commended. Guzman has had an outstanding year in the Academic field. In the House debating competition Guzman's Year 7/8 team took 1st place, while the 9/10 team placed a close 2nd behind Siena House, with the final result coming down to just a point or two. Students of Guzman house also made a prominent showing at the mid-year Academic Awards ceremony. I would also like to congratulate Mr Parkin on his efforts during the first year of being Guzman's House Coordinator. It is always difficult to step into a new position, working with unfamiliar people and learning the rituals of a different House. 2018 has been a fantastic year, and one I will always remember.

Jak Gutteridge - Academic Captain

Guzman had a successful year in the Creative Arts field. Highlights for Guzman have been the Southern Tasmanian Dancing Eisteddfod, the Creative Arts Festival, the Music & Dance Showcase, the Feast Day Talent Show and competing in Theatresports. Guzman shows great

dedication to creative arts. Being a captain for Guzman was an honour for me and I am so proud of all the work my fellow captains and I have achieved this year. I have enjoyed every moment of it. I would like to thank every member of Guzman for being a second family to me, especially my fellow Year 10s. I also would like to thank the teachers who guided me this year to be the best leader I could be. I wish everyone in Guzman the best for the future.

Georgia Enright - Creative Arts Captain

Being Guzman Sport Captain has been a surreal experience. Guzman has such an amazing spirit when it comes to sporting carnivals and other events within the school. For me personally, Guzman has been an important part of my four years at this college. Being a leader for Guzman really made my year and I'd like to thank all the teachers and all of the students of Guzman who helped make my last year the best one.

Sam Walker - Sports Captain

It has been challenging for me to step into the role of Guzman House Coordinator, but from day one I was made to feel welcome by both students and teachers. Guzman house is unique and has a strong family-like culture that is welcoming and fun. I've enjoyed working with Will, Georgia, Sam and Jak

as they have taken on challenges and grown as both people and leaders. As we farewell them and our other Year 10s I wish them the best as they continue their journeys beyond Dominic. I'm optimistic our House will continue to develop.

Bradley Parkin - Guzman House Coordinator

Absent: Beau Fisher

Savio House

This year saw a significant change for Savio House. In Term 2, we said farewell to Mr Wright, who moved to China with his family to teach and experience the culture. Mr Wright's dedication and commitment to Savio House was outstanding and we thank him for the significant contributions he had made in the role for the past nine years.

We have had a great year for Mission in Savio House. We raised funds with each homeroom raising money for Project Compassion, the Don Bosco Technical School in Samoa and our World Vision Sponsor Child in Uganda. Savio's participation in Vinnies and SYDC were amazing to see and we had a strong presence at voluntary events such as the Anzac Day March in our local communities. Our help at the College Fair and participation in school fundraisers was significant and helped make these events a great success for the College. Congratulations on making a huge difference in the lives of so many people.

This year Savio House has had outstanding participation in all of the Carnivals. We made sure everyone had fun and got involved! One highlight this year would be our participation in the Dominic Day Cup, which eventuated in us taking home the Winner's Cup in both the K-6 and 7-10 Competitions. This year saw Dominic's first ever Colour Run, which was a huge success. Savio House participated with enthusiasm; making it a day to remember. We have also had strong involvement in SSATIS and SATIS Carnivals in Athletics, Swimming and Cross Country. We congratulate students who represented the College with pride at these events.

It has been an honour to be Savio's Creative Arts Captain this year and to be a part of all the events. There have been many performances such as Music Soirees, photo and video competitions, theatre productions and more throughout this year as a part of our Creative Arts Festival and Showcase. Our production of Shakespeare's "Much Ado

About Nothing" was well supported by Savio and was a particular highlight for many.

In TheatreSports we had two amazing teams who created many memorable moments in the Script-Less Cup. Our newest members of Savio, the Year 7s, did amazing job in their Lip Sync Battle, pulling out great dance moves and entertaining the whole audience at Dominic's Got Talent. We also had our House Singing Competition, where we sang songs about the Savio colour, yellow, and drove the audience wild.

Once again, Savio House has excelled in the academic arena in 2018. We have had many people receiving academic excellence awards as well as our Bronze, Silver, Gold and even Diamond Expectation Awards, which are all phenomenal achievements. We also had students compete in the International Competitions and Assessments for Schools (ICAS) Competitions with success. Congratulations to all students who have been presented with an award this year, we are proud of their achievements.

Savio House has also done well in House Debating competitions. Even though we didn't come away with a win, everyone who participated did an excellent job. We were also very lucky to win the Dominic Day Quiz this year, which was a fun and exciting

event.

For people to do well in anything they need to have a healthy state of mind, and it was great to see all the Mental Health Week activities that were put on for the students.

As House Captains, we would like to thank our amazing and dedicated Pastoral Teachers – Mrs King, Mr Mangione, Miss Hewitt, Mrs Marcenko and Mr Harris. Thanks also to Mrs Le Rossignol for taking over the reins from Mr Wright as House Coordinator in Term 3. We would also like to thank all of the students in Savio House who made a positive contribution to the House this year.

Go Sharks!

Siena House

I have had the true honour to lead Siena House this year in the field of the Creative Arts. Our win in the Year 7 Lip Sync Battle was a great way to begin our list of accomplishments. Taking out the Year 7 and 8 TheatreSports furthered my love and admiration for the family that we have in Siena. Our 9 and 10 team put up an amazing fight coming away with second place and the magic moment.

The Creative Arts Festival was one of the most memorable parts of the year students. Many Siena students graced the stage and their artwork the gallery walls during this event. I believe that Siena has helped me become a better person. I would like to thank Abby, Bayley, Promise and Miss Brownrigg. As a team we guided Siena with pride. Thank you to all the Siena pastoral teachers for having faith in me and my team and most of all thank you to all of the students in Siena for letting me share my ideas and letting me be a part of this beautiful family.

Chelsea Jones - Creative Arts Captain

As Siena Sports Captain, it has been a privilege to encourage, motivate and support every Siena student throughout the year in every activity, from the three carnivals, Feast Days, the staff vs student games and the SSATIS/ SATIS interschool carnivals. We have been performing better than we ever have before. At the end of 2017, we had a water balloon Flags Day and Siena dominated through the entire day, I knew at this point Siena was going to have an amazing 2018. In April the 7-10 Athletics Carnival was an amazing day. Siena were in the lead for majority of the day until right at the end where we lost first place. However, we took out the Boys' trophy, the first trophy Siena has won in quite a few years!

I am so incredibly proud of all of Siena's accomplishments this year, seeing everyone from our House getting involved in carnivals and activities is wonderful. Thank you to everyone for an amazing year and for letting

me represent Siena House as your Sports Captain.

Bayley Downham - Sports Captain

This year has been amazing for Siena! Being a Mission Captain for my house was an experience that I will never forget. As I look back at the busy school terms, I can remember events such as raising money for Caritas, attending OzBosco with other members of SYDC and even fundraising as a part of Vinnies. My favourite part of the year would definitely be attending OzBosco, as it was my second time going. I saw old friends and made new friends as well as adding to my knowledge about the Salesian Community. I was so proud to be a part of Mental Health. Overall, it has been an eventful year and I am so grateful to have been able to lead my House with the help of Abby, Chelsea, Bayley and Ms Brownrigg.

Promise Mudzingwa - Mission Captain

This year, I was privileged to be Siena's Academic Captain. I took on this role with immense encouragement and support from all in Siena House. As I look back on the year, I am not only grateful for the opportunities I was given but the people I got to meet. Students from all Years would chat with me, ask me questions or just let off a smile, and this is what meant the most to me this year.

At the beginning of the year I was able to organise and host the Feast Day quiz.

This was always something I was looking forward to and got so much out of. I am extremely proud of our debating teams, especially the Year 9/10 team, as they were the winning team once again. We work hard and look after one another, we are not just a House but also a family, and as a family, we congratulate each other. This was shown in each assembly when awards were given out. Moments like these were what made me proud to be a Siena Leader.

As a leader of Siena house, I will never be able to express my gratitude but to all Siena students, thank you for looking to me as I looked to you. To the pastoral teachers, thank you for believing in me. To Miss Brownrigg for standing by me in absolutely anything, you have taught me many values and helped me become a better person. I am so proud and honoured to be a part of a family like Siena.

Abby Muskett - Academic Captain

Years K-6 Sport

In 2018 the K-6 Sport Program offered was one of the broadest and most exciting sporting programs available in Tasmania with opportunities to rival any other school in the state. We are so fortunate to be able to offer sports, events, carnivals and also have facilities that allow us to create memories for our students that truly last a lifetime.

In 2018 K-6 Dominic College Sport has again provided countless amazing opportunities from the many facets of the exciting and diverse program. The Australian Government's "Sporting Schools" funding was utilised in three terms to provide extended and dynamic opportunities in Athletics, AFL 9s, Hockey and Tennis.

Participation in sports for 2018 increased and students enjoyed the variety of the program with new inclusions of Hockey and Futsal, which will again be offered in 2019 due to the success of these new sports. In 2019, we will again look to improve the program with an AFLW Gala Day in the planning to be included in the sports program.

We have countless fabulous supporters that make our program so vibrant and successful and we succeed due to these tireless volunteers so a huge thank you must go out to all of those whom help make the sports program successful at our wonderful College. The images here are a very small snapshot of some of the learning, fun, sportsmanship and exciting opportunities with which our students engaged in 2018.

Opposite page: Our three Year 3/4 girls netball teams smiling after a skills session at lunchtime. Our 5/6 Indoor Cricket team had a splendid season in Term 4 beating all schools in the roster. "Smile, we only have to run 2km!" Our Year 4 girls all smiles at JSSATIS Cross Country at Rokeby Police Academy. 3/4 Boys Basketball team was one of 6 teams entered in the JSSATIS midweek roster. Girls 3/4 Cricket Team poses for a post-match photo after their match at the Domain Cross Roads. Ella Sibley concentrates hard on her passing during a Hockey match at Cornelian Bay. "Wonder Woman Walker" Chloe Ahern took out numerous events in 'Race Walking'. Ella Maw launches into the stratosphere during the Year 6 girls Long Jump. "We are smiling but it hurts" The top runners in the 800m at 3-6 Athletics pose for a photo after the gruelling event. "Teamwork makes the dream work!" - Prep students cheering during K-2 Athletics Carnival held on site at the College. "Giddy Up" Kinder student Franklin McKay jumps over the hurdles during the Obstacle Course race. "It looks so far!" K-2 students enjoy the challenge of the sprint in the K-2 Athletics Carnival. Students get their 'dribble' on during lunchtime basketball training. "Huddle Up Ladies" Dominic teams do the netball cheer at Creek Road during 5/6 Netball Round Robin. Dominic College hosted the Denison v Franklin netball match; our players were Caitlin Turner, Jessica Weeding, Molly North and Ella Maw. "Kick those legs," 5/6 Water Polo team show off their "eggbeater kick" during Water Polo training. U7 Gold v U7 Black "Line up to shake hands"- Dominic teams show great sportsmanship as seen here with the post-game handshake.

Years 7-10 Sport

2018 was another successful year in sport for many of our students. Our 7-10 Sports program has provided our students with an extensive range of experiences, these experiences physically and socially have a large influence on students' personal development. Congratulations to all for their commitment and enthusiasm for sports during the year. We had a range of very successful teams and excellent personal individual results in carnivals.

Thank you to all students, staff, parents and family members who assisted with coaching, umpiring, scoring and supervising teams this year. We appreciate your support and ongoing commitment which enables our College sporting program to continue to be successful.

Front row: Jake Young, Jack Cassidy, Bella Hannon, Jacob Tarvydas, James Foster.

Dominic Old Scholars Association

The Dominic Old Scholars Association (DOSA) represents ex-students from Dominic College and its forerunners, Boys' Town, St John's, Savio College and Holy Name School. Dominic College helped form the group to maintain contact with Old Scholars and to make it easier for ex-students to keep in touch with one another.

Membership is free, and there are no commitments or rules or compulsory meetings. DOSA members connect with each other and the school community at regular events and celebrations including the Dominic College Fair, historical occasions, class reunions, sports events and the special DOSA Christmas Eve Mass in the Dominic College Chapel.

DOSA presents all Year 10 students with a commemorative key-ring at their Graduation Mass as a symbol of their induction into the Association. DOSA sponsors and presents the Br Peter Dezani Award to the student who has achieved overall academic excellence supported by an active school spirit in leadership, community service or sports success.

The DOSA Committee is currently made up of Dominic College Principal, Ms Beth Gilligan, Coordinator, Mr Mark Dillon, and old scholars, Chairman Mr Tony Webb (1963), Ms Maryanne Jackson (Delany, 1968), Ms Diane Cerritelli (1971), Ms Leesa Baker (1986) and Ms Nicole McKay (Glover, 1994).

The Committee would welcome further volunteers to join them. The Committee meets every second month for a meal at the College while planning events.

Old scholars stay in touch with the College through our publications, our social media, our DOSA football team, community events, reunions and historical celebrations.

Old scholars have visited the school in a range of roles, from seeking information about the experiences of their childhood to helping current students learn about the past, undergo courses and gain practical experience of teaching, as well as mentoring students in their future pathways. They have also come back here to volunteer and to work, as teachers and trainees.

The school is grateful to the growing numbers of old scholars whose children or grandchildren are now at Domini College – in 2017 there were 19 old scholar parents with students in kindergarten classes alone!

Hall of Achievement Ceremony 2017

In November 2017 distinguished star of opera and music Mr Michael Lampard, joined our four earlier Hall of Achievement awardees, as the 5th 2017 induction into

the Dominic College Hall of Achievement during the end-of-year College Awards ceremony held in the Savio Centre.

You can read more on each of these old scholars on our Hall of Achievement web page in the Community section of our website, including biographies of each individual as composed at the time of their award.

Christmas Eve Mass 2017

2017 concluded with the traditional old scholars Christmas Eve Carols, Mass and supper, enjoyed by all, with special thanks for the organisation and care to Tony Webb and Diane Cerritelli. Carols were launched at 9.30pm led by the beautiful parish choir and musicians. Fr Nick Castelyns SDB celebrated the Mass.

International Women's and Men's Days

These two days are very significant events on the annual College Calendar, and are now a traditional opportunity for old scholars to meet and listen to a special old scholar,

Opposite page: DOSA Committee members. Above, left to right: Old scholar, Michael Lampard, receives his Hall of Achievement award from College Captains, Will Parkinson and Maggie Baker. Recent old scholars at the International Women's Day breakfast. Guest speaker, Effie Pryer, with College Captain, Maggie Baker, and Vice Captain, Ashley Cano Calderon. Fr Nick Castelyns SDB at the Old Scholars Christmas Eve Mass. New Kindergarten student Isaac with old scholar parents, Nathan and Rebecca Abrahams. Old scholar parent Kirsty Schulze with new Kindergarten student Lachlan. Shania Kava back for Talking Heads Retrospective. Old scholar Ryan Ennis reprises his first performance. Old scholar music tutor, Mark Schmalfuss, with visiting old scholar, Liam Pullen. Old scholar Helen Quinn with granddaughter Sally. Old scholars recall their woodwork class! DOSA Committee members volunteering at the 2018 Dominic College Fair.

as well as joining with current students and parents. This year, our special guests were artist Ms Effie Pryer (2005) for the Women's Breakfast in February, and chef Massimo Mele (1996) for the Men's Breakfast in November.

Creative Arts Festival

Old scholars enjoyed the Dominic College Creative Arts Festival, held in the Salamanca Arts Centre in September 2018. A special feature of the Festival was the show 'Talking Heads Retrospective' where old scholars returned to share the stage with current students. Our special guests included Ryan Ennis, Shania Kava, Maddie Clifford, Eloise Kerstan, Molly McGovern and Jacob Golding.

Football Club Partnership

The College support for the Football Club has been strengthened with ongoing support for initiatives on both sides, including the new branding of the football jumpers with the Dominic College crest, the College oval and facilities availability for football training during the pre-season, participation in College activities, mentoring of sports students and support for student work experience. The College values the contributions made by the Football Club and congratulates them also on their on-field success of two premierships this year.

Reunions and visitors

We enjoyed a number of visits from some significant old scholars including Luke

McGregor, Sam Dix and Ian Lee. Reunions of the Year 10 classes of 1968, 1978, 1998 and 2008 were held. DOSA supported the College Community Fair and were present for graduation ceremonies. Mr Tony Webb extends an invitation to all to attend the Old Scholars Christmas Eve Mass in the College Chapel from 9.30pm 24 December.

Contacts

Membership of the Dominic Old Scholars Association is free and without obligation. Our annual magazine Veritas, is posted to those whose addresses are held. Old scholars are invited to stay in touch with our news by visiting our College website, and by liking and following us on Facebook. Old scholars can register their details by email to oldscholars@dominic.tas.edu.au

DOSA Football Club report

It is wonderful to celebrate a new piece of Rooster history. Never before in our 42 years have both of our sides tasted the ultimate success in the one season. This is the culmination of many years hard work by many people. It was not too long ago that the club was on its knees and at serious risk

Off the field it was a difficult year, juggling the resurfacing of the TCA, forced to train at Queenborough for the entire season, and could not use the TCA until late April for home games. Thank you to all of our coaches, players and support staff for accommodating the difficulties without complaint.

Special achievements this year included Tim Golding playing game number 300, the youngest player to do so at just 32 years. Congratulations to club stalwart, Mr Mick Golding who was awarded the OSFA Volunteer of the Year Award.

Thank you to all of the Coaches this year, but particularly Jake Briggs. His passion and application to the role has been superb. He sets high standards which he follows, and empowers others to follow. He is a respected leader, and there is no doubt in my mind that our success as a club this year has been largely driven by him. Jake has decided to step down from the position of Senior coach in 2019 to concentrate on his family and business commitments. Fortunately, he has

committed to staying on as a player to assist us in our attempts to go "back to back".

From a personal perspective I, too, need to adjust my priorities and focus to family and work and will not be president again next year. I would particularly like to thank my wife and family for putting up with the ridiculous amount of time I spend on footy and also the wonderful assistance I have had from the committee and volunteers over the past two years.

I believe that we are in perhaps the strongest position we have been in, both on and off the field, for many years and the future is bright. I am particularly heartened by the strong group of young players who have added enthusiasm to the group. We see many of them as future legends of the club.

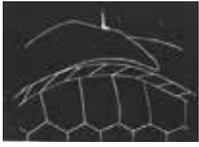

Up the little Red Rooster!

Mr Luke Golding, DOSA Football Club President

Some of the highlights of the awards presented at the DOSA Best & Fairest Dinner:

- Bro Peter Dezani Medallion Senior Best and Fairest **Aaron Grubb**
- Andrew Edwards Trophy Senior Best and Fairest Runner Up **Michael Fisher**
- Dooley Family Medallion Reserves Best and Fairest **Liam Wakefield**
- McCarthy Family Trophy Reserves Best and Fairest Runner Up **Brad Tuffin**
- Wayne Olding Trophy Senior Leading Goal Kicker **Caden Wilson**
- Tom Jarvis Trophy Reserves Leading Goal Kicker **Michael Robinson**
- BJ Maxwell Senior Coaches Trophy **Jye Rogers**
- BA Smith Reserves Coaches Trophy **Michael Pace**
- Ty Bennet Memorial Trophy Best First Year Player **Sam Fros**
- Best In Finals 2018 Medallion: Seniors **Scott Beattie**
- Best In Finals 2018 Medallion: Reserves **Brad Tuffin**
- DOSA FC Life Member 2018 **Cameron Golding**

Capital Development

Creative Arts Project

A contribution of \$450,000 towards our Creative Arts Project was approved by the Capital Projects Committee and the Department of Education and Training in 2016 which has enabled us to build the new Fra Angelico Creative Arts Centre. This wonderful new facility was completed at the start of this year and was officially opened on 11 April 2018. In front of our students, parents and special guests, Salesian Provincial, Fr Will Matthews SDB, our Vice Provincial and Chair of College Council, Fr Bernie Graham SDB and our Rector Fr Lawrie Moate SDB, along with the Hon Senator Eric Abetz, blessed and officially opened this new facility.

The Fra Angelico Creative Arts Centre has provided students with two new fine arts classrooms, two new soundproof music classrooms, a new creative studio, seven new practice rooms with adjoining recording room, a print making room, a new courtyard, an outdoor walkway and improvements to the adjacent landscaping.

To complement this well designed space, we have also invested in new furniture, high grade sound and audio recording equipment, and a selection of new instruments so that we can expand our instrumental music program into Years 5 and 6.

Completion of this project has enabled the centralisation of creative arts facilities allowing all K-10 Creative Arts subjects to be taught from the one location. This feature of the new facility ensures all students can benefit from this capital project.

Animal Husbandry Program

In 2016 we decided to expand the Science faculty by introducing an animal husbandry program for our students. The development of this program has required

the transformation of an underutilised area outside the science laboratories into a mini-farm capable of housing goats, sheep, alpacas, cows, donkeys and a pony. In addition to the works undertaken in 2017, the program's facilities have been further expanded to include the fencing of an underutilised space near the Savio classrooms to create a large top paddock for our grazing animals and the building of a duck enclosure, inclusive of pond, for our two ducks added to the program in 2018. Our program provides unique educational learning opportunities for our students and is an exciting and engaging place for our younger students learn about our animals.

Minor works

With the relocation of the Creative Arts faculty, the previous facilities have been re-purposed to house our STEAM and Robotics programs. The former Visual Arts classroom has been lightly refurbished to accommodate STEAM and through the purchase of additional storage and a competition standard robotics table, the former Music Room has been transformed into a technology and robotics hub. Both

these new spaces have been well used throughout 2018 and it was great to see them in full use during the Science Fair with some amazing student displays.

Mr Dylan Chivers, Chief Financial and Operations Officer

Student Learning Support Staff. Year 8 students with Mrs Jeffery in a new Art Room. Year 10 student Caitlin Diprose with her Art Portfolio.

Parents and Friends

Wow, the year has just flown by and I cannot believe I am sitting here writing my yearbook article and reflecting on the tremendous year the P&F Community has had.

Last year we had declining participation in the Parents & Friends Community and were concerned about this trend. Given the importance of the P&F Community, we took steps to try to gain new members. Ms Gilligan and I hosted an afternoon tea in Term 4 2017 for interested parents and we explained what the P&F Community was about, what was involved and how the P&F was a vital part of the whole College Community.

At the AGM in February, it was fantastic to see many new faces who wanted to join the P&F and a few of those also nominated for positions on the Executive Team. The Exec team consists of Vice President - Anne Lacy, Secretary - Jo Berry, Treasurer - Amanda Page and Events Coordinator - Kirsty Schulze. I was honoured to continue as President.

Enthusiastic and dedicated General committee members who have assisted this year are Christine Smith, Pam Cosker, Sharyn Majchrzak, Leesa Baker, Mary Moase, Sharon Cook, Jess Quin, Hayley Stoddart, Dannielle Quinn, Elise Reardon, Karen Murray-Cox, Annette Roberts, Sharon Cleland and Amberley Harrex.

If it was not for their hard work, dedication and sense of community we would not have the vibrant and fun P&F that we have this year. I am proud of the fantastic team who organised all our events in an amazing and productive year.

Our main fundraising events included the Easter Raffle, K-6 Disco, inaugural Colour Run and our Community Fair. We have also

organised the Mother's and Father's Day stalls, Pyjama Day, the Sports Day BBQ, the Family Photo Day and the GYC Music Showcase Canteen.

The Colour Run was a very successful new venture that replaced our biennial Walkathon. Months of hard work went into making this event safe and fun for all students. Thank you to all College Staff who supported this event, encouraged students to participate and volunteered to get dirty and throw the colour. The feedback has been fantastic and the students had a great afternoon having fun with their friends, which made all the hard work worth it.

Some of the major projects the P&F Community has contributed to in 2018

include:

- \$10,000 towards the K-4 Playground. The design consists of a Mini Basketball court, Chess set, colourful line markings, Twister, Hopscotch and Handball courts.
- \$7,500 contribution to the Japanese program towards the purchase of Taiko Drums.
- \$2,800 to purchase four Friendship benches.
- Subsidising the two Steve Biddulph events Raising Boys and Raising Girls both of which were very popular and well attended.
- Sponsorship towards Dominic end-of-year awards.
- Annual donation to the Sister Athanasius Fund.

Opposite page: P&F members at the Colour Run. Steve Biddulph presented to parents. The P&F ran the canteen at the Music & Dance Showcase. This page: P&F members at a normal Wednesday night meeting. On the barbecue at the Science Fair. Fun on the Colour Run. Older students got involved in the Colour Run, too. The K-6 Disco is a fun event the students love. One of our Easter Raffle prizewinners. P&F are ready for the Easter Raffle draw. The P&F helped the school purchase Taiko drums. Some of our marvellous Fair Committee whose organisational skills are enormous! The P&F Family Photo Day fundraiser organised by Mrs Dowling, with photography supplied by Michael Webb. Mother's Day and Father's Day stalls are a great idea. New games in the playground.

Our Fair Committee, made up of Nicola Rayner, Anne Lacy, Christine Smith, Sharyn Majchrzak, Pam Cosker, Amanda Page, Jo Berry, Kirsty Schulze, Jess Quin, Hayley Stoddart, Elise Reardon and Sharon Cook, deserve high commendation for their dedication, hard work and hours of organisation.

This year's Fair was wonderful. The weather cleared in the morning and we had a warm and sunny afternoon with a few strong wind gusts. Dominiku Daiko opened the Fair with an amazing performance on the Taiko Drums and the food and classroom stalls did a roaring trade all day.

We had a great mix of old favourites like Lucky Jars, Showbags, Chocolate Wheel, Snow Cones and Fairy Floss as well as some new entertainment and food stalls including Hobart Hurricanes, Sand's Crazy Bikes, Tornado Potatoes, Hot Roast Rolls and a Wine Lucky Dip.

The P&F put together another fantastic Major Raffle with a trailer full of goodies and a Vuly Trampoline being major draw cards, making sure tickets were in demand. Our Silent Auction also doubled in size due to very generous donations from our sponsors and was a roaring success.

Thank you to the Maintenance team for all their hard work with both set up and pack up on Fair Day and to all the volunteers, teachers, office staff and students who make the Community Fair a highlight of the school year.

The Parents & Friends AGM will be held at our first meeting in February 2019 and I would encourage all parents, grandparents and carers to think about being part of this amazing dynamic group. Everyone is welcome to attend a meeting or volunteer at

one of our yearly events as any involvement you can give makes a lasting impact.

Thanks again to everyone who has supported the P&F this year whether it was through participation, donations or volunteering your precious time and I hope to see you all in 2019 for another great year!

*Mrs Nicola Rayner, President

Name: Sebastian Albiston
 Pastoral Group: B3
 Started at Dominic College: Kindergarten
 Favourite moments: I never thought I would be able to achieve so much and come so far. Dominic College has helped me immensely with personal issues but made sure I still got the job done at the end of the day. I would love to thank Mr Cardamatis for putting up with me in homeroom every morning, and to Mr and Mrs Davey for all the support and guidance over my Dominic life. I've met great people and created amazing memories I will cherish forever. Dominic will play a huge part in my heart and be a place that I'm proud to tell everyone about.
 Ambitions or goals: I want to go to university to study Photography and Editing and then hope to find a job in media production. I want to pursue finding a way to help everyone with mental health issues, as it has had a huge role in my life. Also continuing to play sport and stay connected with my mates.
 Favorite Quote: 'You are not your illness. You have an individual story to tell. You have a name, a history, a personality. Staying yourself is part of the battle.' Julian Seifter

Name: Lochie Bacon
 Pastoral Group: V4
 Started at Dominic College: Kindergarten
 Favourite moments: Some of my most memorable moments were going to Japan, making new friends there and hanging out with Mrs Kinne and Kumashiro Sensei. Another highlight is just talking to my favourite teachers like Mr Lapolla, Mrs King, Mr Casni, Mrs Marcenko, Mr Reinbach, Mr Harris, Mr Parkin, Mrs Fraser, Mr O'Brien, Mr Golding, Mr Kress, Mrs O'Leary, Ms O'Neill, Mrs Baker and Ms Baker, Mr Pritchard, Mr Wright, Miss Hewitt, Mr Robinson, Mr Brennan and Mrs Gilligan. But the best part of Dominic was being with Byron Lang.
 Ambitions or goals: I'll focus on College first.
 Favorite Quote: 'If you are afraid of failure you don't deserve to be successful' Charles Barkley

Name: Jack Allen
 Pastoral Group: S4
 Started at Dominic College: 7
 Favourite moments: A highlight was going to the Northern Territory. I am grateful for coming to Dominic and making so many new friends. Mr Mangione and Miss Brownrigg were memorable teachers for pushing me towards my goals.
 Ambitions or goals: I aim to get an apprenticeship
 Favorite Quote: 'She's right!'

Name: Nathan Bailey
 Pastoral Group: G1
 Started at Dominic College: Kindergarten
 Favourite moments: My best classes have been my electives, especially VET Construction and Engineering with the great Mr Mangione who has helped and taught me so much in the last four years. I will always remember our amazing trip to the Northern Territory and what a great time we had. Homeroom with Mr Nolan, Feast Days and Empower have been heaps of fun. I really enjoyed being part of a team playing soccer and football with my mates.
 Ambitions or goals: I am going to complete my VET course while doing an apprenticeship in the construction industry. I hope to own my own business and build my own home.
 Favorite Quote: Believing in yourself is the first secret to success.

Name: Georgia Amos
 Pastoral Group: V3
 Started at Dominic College: 7
 Favourite moments: The thing I am most grateful for at Dominic College is my friends, the people who helped me get through each day.
 Ambitions or goals: My main ambitions in life are 1. become an author 2. 'not be dead' (quoting Daniel Hunniford)
 Favorite Quote: 'When people see good they expect good, and I don't want to live up to anyone's expectations' Damon Salvatore, Vampire Diaries

Name: Maggie Baker
 Pastoral Group: V2
 Started at Dominic College: 7
 Favourite moments: So many highlights wouldn't be possible without so many people to whom I will forever be grateful, especially Mr Davey, Mrs Davey, Mrs Fraser, Miss Brownrigg, Mr Casni, Ms Gilligan and Mr Mangione. I know I wouldn't be standing here without them all. I will always remember the constant singing of 'I Want It That Way' and Cardi B in our Year 10 core class. An important time for me was Mental Health Week. That will forever be in my heart. Thank you to everyone for making this year so special.
 Ambitions or goals: I hope to go to University to study teaching, psychology, sport science or paramedicine. I would also love to join the Police Force. To be able to travel around Australia and the world and then to settle down and have a happy and healthy family. Also to watch a Golden State Warriors game and meet Stephen Curry.
 Favorite Quote: 'If you don't fall how are you going to know what getting up is like.' Stephen Curry

Name: Blake Appleby
 Pastoral Group: B1
 Started at Dominic College: 7
 Favourite moments: Dominic has been a great school. I've had so many great experiences over the past four years such as OzBosco, Chess Club, and the Japan Trip. I've made many great friends and had many supportive teachers, such as Mr Brennan. Coming to Dominic was one of the best choices in my life. I'd like to personally thank Miss Gysen and Mr Smith for being cheerful and caring homeroom teachers and Mrs Marcenko and Mrs Kumrai for helping me develop my knowledge.
 Ambitions or goals: I plan to go to university. Beyond that, I also want to travel to many different places around the world.
 Favorite Quote: 'The oak fought the wind and was broken, the willow bent when it must and survived.' Robert Jordan

Name: Dmitri Bean
 Pastoral Group: B2
 Started at Dominic College: 7
 Favourite moments: I loved turning up to homeroom every morning because Mr Fulton is a brilliant homeroom teacher and makes the place fun.
 Ambitions or goals: I dream to move into a career in IT and hope to work with Physical Hardware.
 Favorite Quote: 'If it works, keep doing what you're doing; if it fails, toss it out the window' Myself

Name: Jack Bentley
Pastoral Group: S5
Started at Dominic College: 7
Favourite moments: My experience was full of fun, filled with good people and many memories were made. One of the best experiences was definitely the media aspect of the school, especially the practicality of learning photography and videography: it's given me the exposure and skills I need for whatever creative career path I may choose in my future. I've learnt a lot.
Ambitions or goals: I hope to get a job I am happy with and to be creatively different. To travel the world and eat food.
Favorite Quote: 'And if there is no god, I'll know the day I die I lived through heaven and that I gave it hell and if it hurt, oh well at least that's living.' EDEN

Name: Xanthe Brouwer
Pastoral Group: G2
Started at Dominic College: Kindergarten
Favourite moments: The Northern Territory trip in Year 9 was the most memorable for me. I made friends with people who I didn't really know and I reconnected with others. My favourite moment of Year 10 was doing the week of work experience in the K-6 - it really opened up my eyes on how hard teachers have to work! I'm very thankful to Miss Venettacci for the opportunity and the students for the fun! This is where I met some of the best people in my life. I want to thank firstly Maggie Baker for being such an amazing school captain and friend. I would also like to thank all of the teachers who have helped me, in particular Miss Brownrigg, Mrs Davey, Mr Davey, Miss Farr and Miss O'Neill.
Ambitions or goals: To never stop having ambitions in life! There are opportunities all over the world where you can continue to reach for the stars.
Favorite Quote: 'Don't chase people. Be yourself, do your own thing and work hard. The right people will come to you, and stay' Will Smith

Name: Kayley Biggar
Pastoral Group: G1
Started at Dominic College: 7
Favourite moments: I am beyond grateful for teachers like Mrs Cazaly and Mrs Fraser for pushing me to where they believed I could still succeed but also learn. I loved the friends I have made but I am thankful for the good memories from everyone even if we have parted ways. I learnt a lot at this school and I am incredibly grateful for it all.
Ambitions or goals: My ambition in life is to be successful in whatever I end up doing. I would prefer to become a lawyer but as long as I enjoy my job I don't care too much.
Favorite Quote: 'It's good to be scared. It means you have something to lose.' Grey's Anatomy, Season 4: Crash into me (part 2)

Name: Connor Brown
Pastoral Group: G1
Started at Dominic College: 8
Favourite moments: I'm happy and grateful for the true people I had with me at Dominic and all the fun and memories I have made. I'll be forever grateful for the opportunities Dominic has offered me.
Ambitions or goals: My life ambition is to carry on my dad's business as a sparky.
Favorite Quote: 'We ain't trying to fail, in this game, we're trying to succeed.' Biggie Smalls

Name: Indyanna Bolding
Pastoral Group: B5
Started at Dominic College: 8
Favourite moments: My most memorable moment would be my Sport Science and Adventure Rec class. This opened up so many opportunities for me and pushed me out of my comfort zone. I really enjoyed the camps and excursions and all the friends with whom I became close during these experiences.
Ambitions or goals: In the near future I hope to be successful and enjoy what I do. I also want to travel around Australia and New Zealand with someone I care about.
Favorite Quote: Don't stop until you are happy.

Name: Amber Burns
Pastoral Group: V3
Started at Dominic College: Kindergarten
Favourite moments: My 12 years at Dominic College would have to be the most memorable years of my life. Without Mr Wright and Miss Pearce I would not be the person I am today; they have shaped me into a better person and have pushed me out of my comfort zone over the past four years. A very special thanks to Mrs O'Leary for always being there for me throughout the toughest and the best of times; you have always managed to put a smile on my face, I appreciate it so much. The Year 9 Northern Territory trip was such an amazing and unforgettable experience with a beautiful group of people. I have made lifelong friends at Dominic College and I am so incredibly grateful for the ones that have always stuck by my side. Much love to you all.
Ambitions or goals: I hope to complete College and to work with children or dogs. I want to always stay happy and cherish the beautiful times with family and friends.
Favorite Quote: Whoever said that diamonds are a girl's best friend never owned a dog.

Name: Shakaya Bolonja
Pastoral Group: G1
Started at Dominic College: 6
Favourite moments: I'm extremely thankful for the friends who stuck around through the five years I've been at Dominic. I would also like to express my appreciation for Miss Brownrigg and the fun times we had in the Year 9/10 Creative Writing class.
Ambitions or goals: After graduating from College I will go on to complete a business degree at university.
Favorite Quote: 'Thou Shalt Teehee' Ebony O'Neal, 2018.

Name: Ashley Cano
Pastoral Group: V5
Started at Dominic College: Kindergarten
Favourite moments: I'm so grateful for all the different friendships I made and for all those wonderful people who supported me, day in, day out, on this heck of a ride. Having Mr Harris as homeroom teacher was such a joy. He was always cracking a 'cool' math joke or hassling us to read the morning prayer. To Mr Wright for leading Savio House in such an amazing way and pushing all of us to the best of our abilities, he definitely made Savio feel like a beautiful family in yellow. A huge thank you to Mrs Gibbons and Ms Moulton for having faith in me and my learning. Thanks to Mrs O'Leary for making Year 9 History the greatest class anyone could have, for just being an amazing teacher and an even better person. A massive thank you to Mr Davey for making Sport Science so unforgettable and being the reason I have chosen to pursue a career in that field. He has cared for and supported me and has always pushed me beyond my limit, helping me achieve

things I didn't think I'd achieve both physically and academically. The 2018 OzBosco trip is a trip I will forever cherish and never forget. Being able to represent Dominic in swimming every year has been a blast. I have been given so many wonderful opportunities here and have made lifelong friends to whom I'll forever be thankful.

Ambitions or goals: I hope to go to university and study physiotherapy and sports medicine. I'd love to move interstate and continue swimming whilst at university. I hope I can work with elite athletes and sporting teams. I would love to travel the world, to see what's out there and experience as many different cultures as I can. My dream has always been to go to Europe with my family especially to tour Italy and Spain.

Favorite Quote: 'A gold medal is a wonderful thing. But if you're not enough without it, you'll never be enough with it.' Cool Runnings

Name: Tristan Carmichael
Pastoral Group: S1
Started at Dominic College: Kindergarten
Favourite moments: I am grateful for the teachers who cared for me and remember me from my early years as a student. I am also grateful for the experiences I have had at Dominic and all the friends I have made.
Ambitions or goals: I would like to be a 'Famous YouTuber' who entertains millions of people with my humor and gaming skills.
Favorite Quote: 'I'm actually not funny, I'm mean and people think I'm joking.' Unknown

Name: Jake Carnes
Pastoral Group: B3
Started at Dominic College: 7
Favourite moments: I'm grateful for my friends and teachers, I had an amazing time on the NT trip and enjoy playing sports at recess and lunch.
Ambitions or goals: I want to become a builder and travel around the world.
Favorite Quote: 'What do we want when we go point to point? Accuracy!' Mr Mangione

Name: David Castaneda
Pastoral Group: S2
Started at Dominic College: 7
Favourite moments: I have had the chance to meet many wonderful new friends who I'll keep for the rest of my life. I also have met wonderful teachers. Mrs Fraser and Miss Hewitt have made my years memorable because we could always have some fun and I always felt engaged in their classes. I have been given many wonderful opportunities representing Dominic in events such as the Southern Tasmanian Dance Eisteddfods and Music & Dance Showcases. My classes were always a great time with my great friends, especially this year. I've had many laughs and many great memories I'll cherish for life.
Ambitions or goals: My ambition is to travel around the world and to possibly dance around the world and meet many new faces in the industry of dance. Firstly I will study at university and study the earth's biodiversity and many species of plants and animals.
Favorite Quote: 'We realise the importance of our voices only when we are silenced.' Malala Yousafzai

Name: Hollee Charlton
Pastoral Group: G2
Started at Dominic College: 7
Favourite moments: I'm very grateful to my parents for giving me the opportunity for the best education. Dominic College has supported and cared for me throughout my four years. I have had so many amazing experiences and wonderful opportunities that will never be forgotten and made lifelong friends to whom I am forever grateful.
Ambitions or goals: To live a life full of happiness and purpose, and to make all of the people who have believed in me proud.
Favorite Quote: 'I just came for a good time.' Eugenia Seva

Name: Tyler Clay
Pastoral Group: V3
Started at Dominic College: Kindergarten
Favourite moments: During my media classes I have entered the MyState Film Festival and my art work has been exhibited at the Hobart Show and at the Long Gallery. Thank you to the teachers who have shaped me: Mrs Marcenko, Mr Mangione and Ms Gilligan.
Ambitions or goals: I hope to get an apprenticeship as an electrician, and to become a well-known, respected and professional electrician.
Favorite Quote: 'If everything seems under control, you're not going fast enough.' Mario Andretti

Name: Anita Cleaver
Pastoral Group: S1
Started at Dominic College: 7
Favourite moments: I have loved my time at Dominic and the friends who I have made. I'm grateful for all the teachers at Dominic - you all have helped me get to where I am today, so thank you so much. I will never forget it.
Ambitions or goals: My ambition is to complete all the necessary courses to be able to become a child carer and I would love to help make a difference.
Favorite Quote: 'You are enough just as you are.' Meghan Markle

Name: Melanie Cook
Pastoral Group: V2
Started at Dominic College: Kindergarten
Favourite moments: Ms Myers has been the best teacher I could have, pushing me to be better and not giving up when I don't do well. Every single part of Animal Husbandry has made my years better.
Ambitions or goals: I wish to go to university to become a paramedic or vet. After completing my degree I wish to travel all over the world, starting in Europe.
Favorite Quote: 'My best friend is the one who brings out the best in me.' Henry Ford

Name: Mikaela Cruz
Pastoral Group: B1
Started at Dominic College: 4
Favourite moments: I'm incredibly grateful for all the friends I've made here over the years and for being taught by the most amazing teachers. Dominic has given me so many opportunities to experience and achieve many great things, to go outside my comfort zone and to laugh with my friends. Thank you to Mrs Kumrai and Mr Harris for being amazing maths teachers, to Ms Myers for pushing me to do more than I thought I could do, Mrs Fraser for sacrificing her sanity for us in Year 9 English, Mr Pritchard, Miss Gysen, Mr Reinbach, Mrs O'Leary, Mrs Davey, Mrs Healy and so many others. A huge thank you to Mrs Kinne for dealing with our IT class and for being an absolute queen.
Ambitions or goals: I hope to go to university and study something that I enjoy. I want to live a happy life, help people who deserve to be happy, be true to myself, and explore the world with people that I love. I also want a dog.
Favorite Quote: 'We are never fighting alone. Get up, get going, I'll meet you there.' Monty Oum

Name: Isabella Cooke
Pastoral Group: V1
Started at Dominic College: 2
Favourite moments: Looking back on my time here, I have done many things, debating: MUNA, band, Vinnies and much more. The Cambodia trip was the highlight, visiting and learning about another country was an amazing experience. Being the Savio Mission Captain helped me make a difference in my final year. My friends were the best part about Dominic and I am excited to start a new chapter with them. Thanks to Mrs Fraser and Mrs Palermo for being the biggest influences in my time. I will never forget it.
Ambitions or goals: When I graduate, I hope to work in the advertising industry in either editing, writing, social media presence or sound. I'd also love to go visit Japan and do a year volunteering overseas.
Favorite Quote: 'You're never the same, even moment to moment. You're allowed and expected to invent who you are. What an incredible power, the ability to grow up.' Rebecca Sugar

Name: Grace Curtain
Pastoral Group: B4
Started at Dominic College: 6
Favourite moments: I am so grateful that I could travel to Cambodia with Mr Davey, Mrs Marcenko and the World Challenge team. I am especially grateful to Mr Davey and Mrs Marcenko for giving up their holidays to come with us and for always showing us endless support throughout the trip. I learnt so many new things. I was pushed out of my comfort zone and I saw some devastating things that made me feel so grateful for what I have back home, but mostly I had a lot of fun with people with whom I would never normally socialise.
Ambitions or goals: I am going to continue my studies at Guilford Young and hopefully go to university to study paramedicine. I would also love to travel around Europe and the Greek Islands.
Favorite Quote: 'Life is unpredictable, not everything is in our control, but as long as you're with the right people you can get through anything.' Amy Santiago

Name: Lily Cooper
Pastoral Group: S2
Started at Dominic College: 7
Favourite moments: I have had many amazing opportunities, such as participating in both the Japanese elective class and the Japan trip at the end of Term 3 this year. Japanese has helped me gain confidence and experience an interesting and beautiful culture. I would like to thank Kumashiro Sensei and all my Japanese peers for making the class so enjoyable. When I first came to Dominic I was so nervous and scared of talking to people, but year after year I gained so many amazing friends. All of them really helped make these four years so memorable. I would also like to thank Mr Fulton, Mr Kress, Mrs Kumrai, Mr Reinbach and all of the teachers I had through the years, for preparing me for the future.
Ambitions or goals: I hope to study animal science at university, and eventually aid in saving endangered Australian species. I also want to keep pursuing my Japanese studies, and one day visit Japan again.
Favorite Quote: 'There is a wisdom of the head, and... there is a wisdom of the heart.' Charles Dickens

Name: Kyle Daley
Pastoral Group: V4
Started at Dominic College: 7
Favourite moments: Big thanks to Dominic College for having me here. Special thanks to Mum and Dad particularly for their support through high school; you both mean a lot to me. I'd also like to thank my mates for all of the good times and memories we've had together. You're all amazing.
Ambitions or goals: After College I want to be able to go to the ADFA for a gap year, and study there. I hope to pursue a career in either psychology or law. I would also like to be able to travel Europe, and then be able to move into my own house.
Favorite Quote: 'Success is no accident. It is hard work, perseverance, learning, study, sacrifice and most of all, love of what you are doing or learning to do.' Pele

Name: Thomas Cornell
Pastoral Group: B1
Started at Dominic College: Kindergarten
Favourite moments: All of the school's efforts and the people within have been the best part of my life, and always will be. The camps, excursions, friends and teachers have been the dream. setting me up for the future both with an education and friends for life.
Ambitions or goals: I aim to have a career in Coding, Engineering or Game maker. I plan to live in an isolated town away from the city. Travelling will definitely be a big part of my life.
Favorite Quote: 'Success is how high you bounce when you hit bottom.' George S. Patton

Name: Bianca Davidson
Pastoral Group: B3
Started at Dominic College: Kindergarten
Favourite moments: My favourite part of Dominic was hanging out and making great friends. My favourite memories were the Cambodia trip, all the school camps and the surfing unit in Adventure Rec. I am extremely grateful for the teachers who supported and pushed me over the four years, especially Mr and Mrs Davey and my homeroom teacher Mr Cardamatis who helped me a lot throughout. Thank you to all my friends who made the four years a great time that I will miss a lot.
Ambitions or goals: I hope to continue my study to university. I also want to travel the world and experience other cultures.
Favorite Quote: 'I can't have hayfever, the sun's not out' Charlotte Lang

Name: Tara Davie
Pastoral Group: S2
Started at Dominic College: 7
Favourite moments: The last four years at Dominic College have helped me grow as a person, and I am proud of who I have now become. Something I will never forget is the 2018 Japan Trip. It was wonderful to see a new culture, meet new people, and practise a new language. Meeting the students from Osaka High School was a highlight, and I'm grateful to keep in contact with my new friends. Participating in the first year of Animal Husbandry was a great experience, raising an animal was a lot of hard work physically and mentally, but it was worth it in the end. A favourite time for me would be attending my Visual Art classes. Mrs Jeffery and Ms Durbridge have taught me many different ways to express myself through my art, and to challenge myself. Being involved with the 2018 Creative Arts Festival with Dominiku Daiko, and the art workshop with Effie Pryer was a great experience. A big thank you to Mr Kress for being my homeroom teacher the last four years,

and for having a great taste in music, despite what others think. Thank you to Miss Brownrigg and Mr Pritchard for looking after the Siena family, supporting and encouraging us to do our best. Thank you to Mr Cardamatis, for being a wonderful and kind English, Religion and History teacher, and finally to Mrs Palermo and Mr Brennan, for helping me to achieve my goals. A special thank you also goes out to my best friends Jarrod Good and James Lane MacDonald for making music so memorable and fun. Being a part of the Dominic College community was a wonderful experience and if I had the chance, I would do it all again.

Ambitions or goals: After college, I would like to go to university and study either nursing or psychology. I would also like to travel back to Japan, specifically Hiroshima, Nara and Tokyo. I would also like to have a family of my own, and own a lot of dogs, but most importantly, I want a life that I can look back on in my 80s and say that it was a life well-lived.

Favorite Quote: 'I'm pretty tired. Think I'll go home now.' Forrest Gump

Name: Jordan Day
Pastoral Group: S1
Started at Dominic College: 1
Favourite moments: I have been lucky enough to participate in many of the College activities. My most memorable activities are: Year 9 NT Trip, OzBosco, Relay for Life, Basketball Umpiring, Camps, Carnivals, Sports and most importantly, making friends. I had some amazing teachers, including Mr Cardamatis and Miss Brownrigg, who have both been huge supports. I have loved participating in events, and making life long friends. Shout-out to Maddy Smith, thanks for being such an amazing friend. I thank the College, teachers and friends for a great final year at Dominic.
Ambitions or goals: I hope to go to University or the ADFA. The goal would be to study Law at UTAS and become a lawyer, working for a great Law firm, and representing people as well as I can.
Favorite Quote: 'You'll have bad times, but it'll always wake you up to the good stuff you weren't paying attention to' Robin Williams - 'Good Will Hunting'

Name: Seth Day
Pastoral Group:
Started at Dominic College: 7
Favourite moments: Highlights for me would be spending time with my friends and in Year 9 Animal Husbandry. I received a gold award in Years 7 and 8 I think. They were the first awards I received.
Ambitions or goals: I do want to travel around the world and see all the wonderful things, like animals and landmarks.
Favorite Quote: 'Remember then: there is only one time that is important. Now! It is the most important time because it is the only time when we have any power.' Leo Tolstoy

Name: Caitlin Diprose
Pastoral Group: V4
Started at Dominic College: Kindergarten
Favourite moments: I have been very fortunate to have had so many opportunities. Highlights would be the friendships, I have met and made many life-long friends here. Going to OzBosco was a great experience and it was a lot of fun! Dominic has really offered me opportunities for my future and I don't think I would be as confident in my dreams without them. The Creative Arts opportunities are amazing and I loved taking part. The Animal Husbandry program has been really great and I have loved all of the experiences and responsibilities. I am very grateful for all of the memories.
Ambitions or goals: I hope to complete a VET pathway in Retail Cosmetics. I dream of becoming a professional Makeup Artist. I also want to travel the world especially the USA.
Favorite Quote: 'All our dreams can come true, if we have the courage to pursue them.' Walt Disney

Name: Bayley Downham
Pastoral Group: S5
Started at Dominic College: 7
Favourite moments: I've been a part of every interschool team, and I really enjoy every House Carnival and seeing all the spirit. I love spending my time playing any sport: in Year 8 I played in the 9/10 soccer team and that was one of the best experiences for me. I'm incredibly thankful to all my teachers especially Mr Davey who has been motivating, helping and supporting me throughout Year 9 and 10. I'm going to miss the time I have had with my friends, through every good and bad moment, for making me laugh when I needed it. I'm grateful to Campbell Wood for being an amazing friend and being there for support and friendship. Making all these friends over the years, the amount of fun and laughs is so incredible. I can't thank Dominic College enough for helping me and pushing me to my limits. Thank you to everyone!
Ambitions or goals: I hope to go to university and study civil or structural engineering. I've always wanted to be a part of making structures and making sure that they work effectively since I was a little kid. I want to become a professional soccer player at least to NPL Tasmania level. I want to travel across different parts of the world to experience all of its wonders.
Favorite Quote: 'You can overcome anything, if and only if, you love it enough.' Lionel Messi

Name: Courtney Doyle
Pastoral Group: S3
Started at Dominic College: 1
Favourite moments: I am grateful to the College for putting up with me for 10 years. I have made many happy memories and lifelong friendships. I have learnt so much both in class and out. I am excited to move on and follow my dreams. Thank you to the teachers for supporting each and every one of us. Thank you to the friends I have made, I love all of you and will forever cherish the memories.
Ambitions or goals: I will further my knowledge in history, religion and writing at university. I hope to become a travel journalist. My biggest dream is to travel to historically significant places such as Pompeii and get to know the culture and history well enough that I will write a historical fiction.
Favorite Quote: 'Promise me you'll always remember: you're braver than you believe, stronger than you seem, and smarter than you think.' Winnie the Pooh

Name: Ellysse Eiszle
 Pastoral Group: B5
 Started at Dominic College: 2
 Favourite moments: I loved the NT trip thank you to Miss Brownrigg for making it possible. I also loved the Canberra trip. Mrs Davey thank you for being there for me and thank you to all my wonderful friends for being so great.
 Ambitions or goals: I hope to go to America and Japan.
 Favorite Quote: 'Nothing is impossible.' The word itself says 'I'm possible!' Audrey Hepburn

Name: Grace Fredheim
 Pastoral Group: G4
 Started at Dominic College: 7
 Favourite moments: Being part of the Dominic College community has truly changed my life in the best way possible. Going to events such as OzBosco where I was able to meet new people and form even stronger bonds with some of my closest friends. I am so grateful for the people I get to call my friends at this school. I couldn't ask for a more kind and loving group of people. I would also like to thank the staff at Dominic, especially Mr Reinbach, Miss Brownrigg and Mrs Fraser who have been such inspirations.
 Ambitions or goals: Going to University and studying something I love such as English Lit, Creative Writing or Psychology is my ultimate goal. Travelling, writing and helping others are my passions and I know if I keep true to that I will find happiness, in my eyes that's true success.
 Favorite Quote: 'Some days the whole world seems upside down. And then somehow, improbably, and when you least expect it, the world rights itself again.' Meredith Grey

Name: Georgia Enright
 Pastoral Group: G3
 Started at Dominic College: Kindergarten
 Favourite moments: I am very grateful for my 12 years at Dominic and the many friendships I hope will last forever. I am grateful for the many opportunities I have been given. Some of my favourite memories are the NT trip, the Music & Dance Showcases and playing rep basketball. I have had many great teachers who have helped me to be the best person I can. I would like to thank Mr Davey; even though we had our differences, I am grateful for the things you have taught me. I would also like to thank Mrs Palermo and Mr Brennan for being the best homeroom teachers. Thank you for caring and checking up on me. The memories I have made at Dominic I will cherish forever.
 Ambitions or goals: I am still not exactly sure what I want to do after college. I would love to travel and help those less fortunate than myself.
 Favorite Quote: 'The best and most beautiful things in the world cannot be seen or even touched - they must be felt with the heart.' Helen Keller

Name: Libby Fry
 Pastoral Group: G4
 Started at Dominic College: Kindergarten
 Favourite moments: I am grateful for the Northern Territory Trip as I made some amazing memories. I loved the Dance Eisteddfods in Year 8 and 9 and I loved OzBosco this year. Thank you Miss Brownrigg and Mr Reinbach for being amazing and thank you to all my incredible friends.
 Ambitions or goals: I hope to travel the world for a year then go to University and study Primary Teaching. Eventually I hope to come back to Dominic and teach a Year 2 class. I dream of going to a third world country and teaching kids who can't afford school.
 Favorite Quote: 'How lucky I am to have something that makes saying goodbye so hard'. Winnie the Pooh

Name: Ashley Eyles
 Pastoral Group: G3
 Started at Dominic College: 7
 Favourite moments: I am thankful for the teachers who have helped me over the past four years, especially my homeroom teachers. The friends I have made and being in Guzman House are the best memories, because we are like a family.
 Ambitions or goals: After College I want to get into university and become a Physiotherapist.
 Favorite Quote: 'Do not take life too seriously. You will never get out of it alive.' Elbert Hubbard

Name: Lauren Gadd
 Pastoral Group: B5
 Started at Dominic College: 7
 Favourite moments: I have loved every experience Dominic has given me whether doing things around the school or going out into the community. The teachers who are very memorable for me are Mr Williams, Mr Swan and Mr Harris. All three of these teachers helped me grow as a person and have had faith in me in whatever I do. Mr Harris would always let me talk to him in recess and lunch about Prince Harry and what's going on within the Royal family and Mr Williams last year had his very bad dad jokes. Also thank you to Mr Butterworth in helping me after my surgery whilst I was in a wheelchair.
 Ambitions or goals: I hope to complete a study of hairdressing and child care, as I have a passion for both. I also hope to stay happy and to have a family later in life.
 Favorite Quote: 'It does not matter how slowly you go as long as you do not stop.' Confucius

Name: James Foster
 Pastoral Group: G2
 Started at Dominic College: 7
 Favourite moments: My highlight was going to NT. I am grateful for all the opportunities that Dominic has give me and for Mr Mangione and Mr Davey for pushing me to be the best I can be.
 Ambitions or goals: I hope one day to have my own building company.
 Favorite Quote: 'Howdy, howdy, let's get rowdy.'

Name: Molly Gargett
 Pastoral Group: G2
 Started at Dominic College: 8
 Favourite moments: I would like to thank Bella Lee and Ebony O'Neal who have stuck by me, making my short time at Dominic College memorable. I would also like to thank all my teachers who have helped me, especially Mr Brennan for making me work, Mr Chambers as he helped me through half of Year 10 and Mrs Durbridge for helping me to see the beauty in the world.
 Ambitions or goals: I want to study architecture at uni and travel the world.
 Favorite Quote: 'Life is a party, but I'm the pinata.'

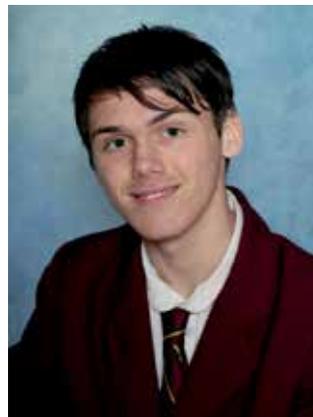

Name: Cody Gay
 Pastoral Group: G5
 Started at Dominic College: 8
 Favourite moments: Dominic College has been a great experience. When I started in Term 2 of Year 8 my homeroom welcomed me with open arms. Homeroom has been my highlight.
 Ambitions or goals: My ambition is to finish my TCE and continue a school-based traineeship.
 Favorite Quote: Stay away from negative people - they have a problem for every solution.

Name: Jack Gordon
 Pastoral Group:
 Started at Dominic College: 7
 Favourite moments: The last four years have been amazing. Without a few people I don't know where I would be! Special thanks to Mrs Jeffery, Mr Parkin and Mr Davey for just always being there.
 Ambitions or goals: I'm going to go to college then plan on learning a trade.
 Favorite Quote: 'Never say never because limits, like fears, are often illusions.' Michael Jordan

Name: Gedion Gebrezgabir
 Pastoral Group: S5
 Started at Dominic College: 7
 Favourite moments: I am so grateful for Dominic College accepting me into such a welcoming community. I have enjoyed every single year I have spent at Dominic. I would love to thank Mr Reinbach, Mrs O'Leary, Mr O'Leary, Mr Brennan, Mr Cardamatis and Mr Pritchard for making a learning experience an enjoyable one. One of the best learning experiences for me are the camps. I love the emphasis on expressing gratitude and understanding the value of what you have. That is what makes Dominic so special for me. I love the constant challenges that Dominic presents but allows us the tools to overcome them.
 Ambitions or goals: I hope to go to a university and study an engineering course. I want to go skydiving and travel around Europe. I plan on living in England after graduating from university.
 Favorite Quote: 'The future belongs to those who prepare for it today.' Malcolm X

Name: Liam Grealish
 Pastoral Group: B4
 Started at Dominic College: 5
 Favourite moments: I have had a great time with my friends, and spending time getting to know people and come to love them. I also give my thanks to many of the teachers including Mrs Jeffery and Mrs Kumrai, my homeroom teachers, Mrs Marcenko, my English teacher, and Ms Agius, a teacher I've never had but has always been there for support and for a good conversation.
 Ambitions or goals: I wish to go onto TAFE and learn business, and eventually settle down with a bookstore somewhere.
 Favorite Quote: 'There is a wisdom of the head, and there is a wisdom of the heart.' Charles Dickens

Name: Belinda Gibbons
 Pastoral Group: B1
 Started at Dominic College: 7
 Favourite moments: Going on the Japan trip was the trip of a lifetime. I am grateful for Mr Cardamatis who for three years has taught me not only English, but also about life. I am grateful for the friendships that have come from the past four years.
 Ambitions or goals: After college, I plan to go to university and study psychology.
 Favorite Quote: 'I'd rather be hated for who I am, than loved for someone I'm not.' Kurt Cobain

Name: Jak Gutteridge
 Pastoral Group: G4
 Started at Dominic College: 5
 Favourite moments: I will always remember my time here at Dominic, for what I have achieved and accomplished, the friends I've made and the teachers I've been lucky to have. But I will remember Years 9 and 10 as the ones that changed my life. I would like to thank Mr Mackie and Mr Blake for being two of the greatest Adventure Rec teachers. It is because of Adventure Rec I found my passion and love for surfing. I would also like to thank Miss Brownrigg, for giving me opportunities to extend myself in English and putting her faith and trust in me to do Work Experience at WIN News. I am the person I am because of the people who have pushed me out of my comfort zone and taken me places both physically and mentally I could never have dreamed and for that I am so grateful.
 Ambitions or goals: I plan to find a career in either journalism or as an actor, or doing something I love. I want to surf at Pipeline and Teahupo'o, have a family and live the dream.
 Favorite Quote: 'Life's too short.'

Name: Jorgia Golding
 Pastoral Group: V4
 Started at Dominic College: Kindergarten
 Favourite moments: Over my 12 years at Dominic I have met some pretty amazing people and have made many lifelong friends. Some teachers who have really helped me along the way have been Mr Davey, Mrs Cazaly and Mrs Doyle. I would also like to thank Mrs Marcenko for everything she has done for me, I am so grateful to have her as my homeroom teacher. Some of my favourite memories have been the Northern Territory trip, OzBosco, Relay for Life, the Music & Dance Showcase and the Eisteddfods. It is sad to see that my time at Dominic has come to an end but I am ready to begin a new chapter.
 Ambitions or goals: University is a strong option for my future but I also hope to stay happy and healthy and continue to further my knowledge in the creative arts. I hope to travel and experience the world with my older brother.
 Favorite Quote: 'I think the thing to do is enjoy the ride while you are in it.' Johnny Depp

Name: William Hall
 Pastoral Group: S4
 Started at Dominic College: 6
 Favourite moments: I've had a great time at Dominic College, made a lot of friends and had a lot of fun. The Northern Territory trip was a highlight but being on the court with my mates has always been the best.
 Ambitions or goals: I hope to form a career when I find my passion. I'd love to travel the world.
 Favorite Quote: 'Great Success.' Borat

Name: Harrison Harper
 Pastoral Group: V3
 Started at Dominic College: 8
 Favourite moments: I am grateful for all the opportunities that Dominic has provided in the creative arts such as the Creative Arts Festival at the Long Gallery and the Music & Dance Showcase.
 Ambitions or goals: I hope to go to university. I hope to travel and see the world.
 Favorite Quote: 'My turn.' Claire Underwood, House of Cards

Name: Charles Holmes
 Pastoral Group: S1
 Started at Dominic College: Kindergarten
 Favourite moments: I have made many friends for life throughout my 12 years at Dominic. I have always had great support from my Homeroom teachers and House Coordinators.
 Ambitions or goals: I hope to obtain an apprenticeship as a Diesel Technician and eventually own my house. My dream is to travel to Queensland to travel around the state.
 Favorite Quote: 'Never stop doing your best, just because someone doesn't give you credit.' Lyrikal

Name: Sarah Hawkins
 Pastoral Group: B1
 Started at Dominic College: Kindergarten
 Favourite moments: The past four years have given me so many opportunities. One of my highlights was Much Ado About Nothing in Year 10. I am grateful for all of the friendships I have made, especially this year, friends who have stuck with me through the good and the bad. I am also grateful for Ms Myers who helped inspire my passion for animals.
 Ambitions or goals: I hope to go to university and become a zoologist. I want to live a happy and healthy life, surrounded by people who make me happy. I want to explore the world and travel to all five Disneylands. I also want a dog. Lots of dogs.
 Favorite Quote: 'The past can hurt. But the way I see it, you can either run from it, or... learn from it.' The Lion King

Name: Josh Howells
 Pastoral Group: V1
 Started at Dominic College: Kindergarten
 Favourite moments: I am grateful for the opportunities I have been given at Dominic College. It is a privilege that I have been able to travel around Australia during the Northern Territory trip. Another highlight is all of the amazing people I have met and call my friends. The bonds made at Dominic College will be lifelong!
 Ambitions or goals: I hope to one day have a professional role in a major sporting club. Whether that is being a physio, sport psychologist, runner... whatever the task I would fulfil. But most importantly wherever life takes me I intend to try my hardest and be the best I can.
 Favorite Quote: 'Ball don't lie.' Rasheed Wallace

Name: Georgia Hay
 Pastoral Group: G4
 Started at Dominic College: 7
 Favourite moments: I have made so many highlights and have experienced many fun things at Dominic College. Making new friends, and learning many life lessons has been something I have been grateful for. I am thankful for all of the teachers who have taught me along the way, especially Mr Davey, Mrs Cazaly, Mrs Jeffery and Mr Reinbach. I am definitely going to miss all of my year group and the teachers.
 Ambitions or goals: I hope to go to university and study psychology or health studies. I want to be able to help people in many different ways - I especially want to help children. I dream of travelling the world and becoming a great role model for younger people.
 Favorite Quote: 'When it hurts - observe. Life is trying to teach you something.' Anita Krizzan

Name: Daniel Hunniford
 Pastoral Group: V5
 Started at Dominic College: Kindergarten
 Favourite moments: The best thing over my 12 years at Dominic College would be the teachers who taught me. I would like to thank the two best math teachers, Mrs Kumrai and Mr Harris, who both put up with my consistent harassment on finding out our math tests. Mr Harris has been my Homeroom teacher for four years, and every morning he would say 'Good Morning' or 'How are you Daniel-san?' I should also acknowledge the numerous opportunities ranging from raising a Goat called 'Chieri', the tree I drew in Da Vinci Decathlon, being verbally harassed by Israel in Model United Nations Assembly (because we chose Syria). Hopefully I can remember this in the future!
 Ambitions or goals: I hope to not die in the future, that would be great. Also, maybe go to University.
 Favorite Quote: 'And when you gaze long into an abyss the abyss also gazes into you.' Friedrich Nietzsche

Name: William Heddle
 Pastoral Group: G5
 Started at Dominic College: 7
 Favourite moments: The College has given me ample opportunity to participate in many extra-curricular events and helped me to be comfortable doing things that weren't necessarily in my comfort zone. This is something for which I will be forever grateful and will be able to apply in my future years. My main highlights were Year 7 and 8 camps and the Central Australia trip.
 Ambitions or goals: After College I will study teaching at university. While studying, I'd love to travel around the world especially the USA.
 Favorite Quote: 'The most precious thing that we all have with us is time.' Steve Jobs

Name: Noella Irumva
 Pastoral Group: S4
 Started at Dominic College: 2
 Favourite moments: I am eternally grateful to the College for the opportunities presented during my eight years. I have made lifelong friendships with some really amazing people who made school utter joy. A big thank you to the Year 10 debating team. Thank you to all the teachers who have impacted my life in so many ways, especially academically. I would specially like to thank Mr Reinbach for his tremendous efforts and support with all of Vinnies fundraisers. Kumashiro sensei, thank you for introducing me to my love of Taiko Drumming, for that I will be forever grateful. I am very appreciative I was given the amazing opportunity to be President of Vinnies which gave me the opportunity to meet some of the best people in the school.
 Ambitions or goals: To make a difference.
 Favorite Quote: 'C'est la vie.' Unknown

Name: Phoebe Jablonski
 Pastoral Group: G1
 Started at Dominic College: 7
 Favourite moments: I really loved competing in the athletics carnivals at school and being part of the State team. I really enjoyed being a part of the Dominic College Dance class and having a great opportunity to attend the Eisteddfods and even better winning two years in a row. I also had the amazing opportunity to attend OzBosco which was the best time ever, I met so many new people and those people I still talk to today. I would recommend everyone getting involved in SYDC.
 Ambitions or goals: My aim is to study beauty in college, to learn all the basics and to open my own business. After I retire from competing in dance I would love to open my own dance school or even take over my current dance school.
 Favorite Quote: 'When you love what you have, you have everything you need.'

Name: Chelsea Jones
 Pastoral Group: S3
 Started at Dominic College: Kindergarten
 Favourite moments: One of the highlights of my time was the experience of the Northern Territory trip in 2017. It was honestly a trip I could never forget. I am forever grateful Mr O'Brien and Miss Hewitt for supporting me and encouraging my creative endeavours. I truly cannot thank Miss Farr enough for her guidance in her time as my pastoral teacher. I am forever grateful to Dominic College. I have loved the responsibility of Year 6 Captain and Siena Creative Arts Captain. Those roles have shaped me into the person I am today.
 Ambitions or goals: I hope to go to UTAS and study paramedicine, with the main aspiration to become an intensive care paramedic.
 Favorite Quote: 'Never look down on anybody unless you're helping them up.' Michael Clifford

Name: Zeke Jenkins
 Pastoral Group: G3
 Started at Dominic College: 4
 Favourite moments: I'm very grateful for the opportunity to make new friends and even a best friend. I am grateful to my two home room teachers for always guiding me in the right direction and helping me when I'm down. Lastly I am grateful for the new skills I have learned each year while being at Dominic College.
 Ambitions or goals: In the future I hope to have a trade and I hope to live life as much as I can before hopefully settling down with a family to call my own.
 Favorite Quote: 'It's not the size of the dog in the fight, It's the size of the fight in the dog.'

Name: Martin Kaczorek
 Pastoral Group: G1
 Started at Dominic College: Kindergarten
 Favourite moments: I am grateful for the friends I have made at Dominic, the Year 9 Northern Territory Trip and lessons with my favourite teachers.
 Ambitions or goals: I hope to become a Family Lawyer.
 Favorite Quote: 'I'd rather be hated for who I am, than loved for who I am not.' Kurt Cobain

Name: Zali Jenni
 Pastoral Group: B4
 Started at Dominic College: 7
 Favourite moments: Dominic College has provided me with many opportunities, memories and experiences I will never forget. Some of the best opportunities have been the school fairs, Dance showcase/eisteddfods, Relay for Life, the Northern Territory trip and being the Bosco Creative Arts Captain. I have made life-long friendships with students and teachers at Dominic College. I would like to thank Mrs Davey, Mr Davey, Mr Swan and Mrs O'Leary for the support and guidance.
 Ambitions or goals: My ambition is to go to university to study something I enjoy that will lead me to a rewarding career. I would also like to travel and gain life experiences for my future.
 Favorite Quote: 'You may not end up where you thought you were going but you will always end up where you are meant to be.' Unknown

Name: Byron Lang
 Pastoral Group: G4
 Started at Dominic College: 7
 Favourite moments: I'm very grateful for all my mates and some of my teachers, especially Mr Reinbach. My best highlights were going to the Northern Territory and playing sports for the school but the best part of being at Dominic College was being with Lochie Bacon.
 Ambitions or goals: I hope to complete a pathway in VET construction and build my dream house. Then I hope to travel the world.
 Favorite Quote: 'If you are afraid of failure you don't deserve to be successful!' Charles Barkley

Name: Adam Johansen
 Pastoral Group: G3
 Started at Dominic College: 7
 Favourite moments: Dominic College has been life changing. It has provided me with many opportunities and experiences for which I am thankful. My favourite highlight would be the Northern Territory trip, having the opportunity to travel with other students. I am grateful for being a part of the G3 homeroom with Mr Brennan and Mrs Palermo.
 Ambitions or goals: I hope to get an apprenticeship in heavy duty diesel mechanics and to travel the world.
 Favorite Quote: 'A journey of a thousand miles must begin with a single step.' Lao Tzu

Name: Charlotte Lang
 Pastoral Group: B2
 Started at Dominic College: 7
 Favourite moments: Our Central Australia trip was my number one highlight, I'm very grateful for the teachers who came and made it the trip it was. I'm really going to miss the swimming, running, athletics carnivals and my Bosco family. Some teachers who really helped me through these last four years are Mr Davey, Mrs Davey, Miss Farr and Mrs O'Leary. I want to thank them for everything and I'll really miss them!
 Ambitions or goals: My ambitions are to travel and go to College and one day become a police officer, my dream job.
 Favorite Quote: 'The woman who follows the crowd will usually go no further than the crowd. The woman who walks alone is likely to find herself in places no one has ever been before.' Albert Einstein

Name: Darwin Lashmar
Pastoral Group: V1
Started at Dominic College: 7
Favourite moments: I am very passionate about sport in general and on Carnival days you see everyone having a go which I really enjoyed.
Ambitions or goals: I hope to have a stable job and family, be playing footy with my mates and have a party every Saturday night.
Favorite Quote: 'Is he bothering you babe?' Lochie Bacon.

Name: Alec Mielke
Pastoral Group: V3
Started at Dominic College: 7
Favourite moments: I have loved my time at Dominic and am very grateful for all the opportunities I've been given. I have many highlights, favourite moments and memories that will last me a lifetime, such as Year 7 and 8 camps, all the athletics, cross country and swimming carnivals, including inter school and state carnivals and meeting many friends. Most memorable was the Northern Territory trip, an unforgettable, once-in-a-lifetime experience. Another memorable experience was Savio Academic Captain. It is a role that I am honoured to have held. Mental Health Week was an amazing initiative and I am glad to have been given the opportunity to participate by running the self-defence class for everyone. I feel I can move forward in my life to pursue and achieve whatever goal I want. Finally, I would like to thank the whole Dominic community. For all of my teachers from Year

Name: Bella Lee
Pastoral Group: S1
Started at Dominic College: 7
Favourite moments: I want to thank Miss Brownrigg for helping me when I needed it and for treating me like an actual person not just a student.
Ambitions or goals: In the future I hope to be a policewoman, a professional equestrian or a motorsport racer. Two wheels or four, both are fun!
Favorite Quote: 'I'm gonna go cry in the bathroom, peace out homies.' Jake Peralta

7 to 10, I have fond memories. Especially Mr Mangione, Mr Reinbach, Mrs Pearce, Mr Wright, Mrs O'Leary Mr Cardamatis, Mr Davey, Ms Gilligan, all of my homeroom teachers and of course all of the great people who I have had the privilege to have as friends. Thank you all.
Ambitions or goals: After college, I am not sure what I would like to have as a career, but I know life will fall into place. I also know I would like to travel and train in many places around Australia and the world but my main goal is to just be happy and healthy!
Favorite Quote: 'Apply yourself, to yourself, to better yourself, for yourself, because only you can do it.' Everyone wants us to be the best we can be, but in the end, it comes down to us, as my Martial Arts instructor says to me every week.

Name: Zack Mansfield
Pastoral Group: G2
Started at Dominic College: 7
Favourite moments: The sports were fun - the teams I played for were mainly in it for fun and fitness and not too serious about winning. Highlights would be teachers such as Mr Brennan for always being able to have a laugh with, Mr Reinbach always up for a chat, such a legend. And of course the friends I met - I consider them family.
Ambitions or goals: I hope to get through College and do something musical, such as song writing or beat making.
Favorite Quote: 'Spend time with the people that will matter in 30 years.'

Name: Connor Morris
Pastoral Group: S5
Started at Dominic College: 9
Favourite moments: I am grateful and thankful to every teacher who's helped me throughout my time at Dominic College. One of my most memorable teachers would have to be Miss Hewitt as she has believed in me constantly and helped me grow as a dancer. This year has been great for me and I have achieved so many things.
Ambitions or goals: I'm a dancer at Jenina's Dance Workshop. I want to eventually study full time dance for a year then hopefully book a job on a cruise ship or audition for other opportunities. Once I'm too old to dance maybe I'll have a career in health or nutrition.
Favorite Quote: Never stop showing someone how much they mean to you.

Name: Khane Marley-Brooks
Pastoral Group: V2
Started at Dominic College: Kindergarten
Favourite moments: My favourite memories are Marine Camp, Ms Myers, Miss Gysen, the Gameathons, Mr Kress, Mr Wright, Mr Williams, Animal Husbandry, Visual Art and Advanced Food Studies.
Ambitions or goals: I would like to improve my drawing skills.
Favorite Quote: 'The secret to getting ahead is getting started.'

Name: Adam Moutwari
Pastoral Group: V5
Started at Dominic College: 7
Favourite moments: My highlights at Dominic were just talking to nice people and the fun of the Athletic Carnivals. Thank you to teachers like Mr Reinbach for helping me and talking to me since Year 7.
Ambitions or goals: I would like to do well in College and hopefully further my knowledge and get a university degree.
Favorite Quote: 'A lion doesn't concern himself with the opinions of the sheep.' Lionel Messi

Name: Promise Mudzingwa
 Pastoral Group: S1
 Started at Dominic College: 7
 Favourite moments: Becoming Siena Mission Captain was such an inspiring experience: to help others, fundraise for Salesian charities and visit OzBosco. I am so grateful for the teachers who have helped me along the way such as Miss Brownrigg, Mr Davey, Mr Casni and Mrs McMahon. Thank you all for the support and guidance. As part of the Salesian ministry, I have attended a leadership camp to improve my leadership skills in the Salesian community. This would not have happened without Dominic College and SYDC so I am very grateful.
 Ambitions or goals: I hope to go to a university in Melbourne to do Law and Psychological Sciences and then get my Masters in Psychology. During this time, I hope to maintain volunteer work for the Salesian community. After this, Maggie Baker and I will decide whether we would like to act on our business plan for a Mental Health Organisation.
 Favorite Quote: 'I can't change the direction of the wind but I can adjust my sails to always reach my destination.' Jimmy Dean

Name: Brianna Oates
 Pastoral Group: B4
 Started at Dominic College: 7
 Favourite moments: Mr and Mrs Davey have been an amazing support throughout my journey, for which I am very grateful. The spirit and heart shown by Bosco House is something I will cherish and remember forever, as well as the immense fun which we had. Being part of sport teams was also a great experience, especially winning the 2017 Girl's AFL Grand Final. The NT Trip was a great experience shared with peers for whom I am so grateful.
 Ambitions or goals: I hope to live the best life possible and take all the opportunities available to me to live a fulfilled and happy life. My ambition is to get drafted to play at elite level football and maintain my love for netball. Going to University to pursue a career I am passionate about and travelling the world to see new cultures are also my goals.
 Favorite Quote: 'An athlete cannot run with money in his pockets. He must run with hope in his heart and dreams in his head.' Emil Zatopek

Name: Abby Muskett
 Pastoral Group: S3
 Started at Dominic College: 7
 Favourite moments: At Dominic College, I have made friends, memories and been given countless opportunities. I am forever grateful for what Dominic has given me. During my time here, I have had immense support from many teachers, but especially from Miss Brownrigg, Mr Davey and Mr Mangione. They looked after me and helped me become a better person. I am thankful for all that Dominic has given me, and all the people I have met. To Dominic, the Workshop and Siena House, thank you for all the support, skills and life lessons you have taught me.
 Ambitions or goals: I hope to complete my apprenticeship at Fairbrother's. After my apprenticeship, I hope to come back to Dominic and teach Woodwork in the Workshop.
 Favorite Quote: 'If we look outside ourselves to find love and peace we will ultimately fail. It has to come from within.' Chester Bennington

Name: Ebony O'Neal
 Pastoral Group: V2
 Started at Dominic College: 8
 Favourite moments: I am so grateful for all the friends I've made that have stuck with me through my years at Dominic. Huge thank you to Mr Kress for helping me find my passion for English, Mr Brennan for giving me a hard time in Maths to push me to do better and Mrs Durbridge for making Media my favourite class for the past two years.
 Ambitions or goals: To finish College and then go to a university out of Tasmania to study psychology.
 Favorite Quote: 'Mathmetishan' Shakaya Bolonja, 2018.

Name: Amie Myhowycz
 Pastoral Group: S4
 Started at Dominic College: 7
 Favourite moments: What I will remember the most about Dominic is the people I've met through classes, trips and the support I've received from my teachers over the years. My best memories would have to be class banter, school sport and the amazing opportunity to go to Cambodia. I will forever be grateful for the opportunity to travel overseas and explore the culture of Cambodia. It was a life changing experience.
 Ambitions or goals: I would like to study a combined degree of law and psychology and either become a criminal lawyer or a psychologist. Travelling is another, I want to go back to Cambodia, but also travel and explore Asia and Europe.
 Favorite Quote: 'I was within and without, simultaneously enchanted and repelled by the inexhaustible variety of life.' F. Scott Fitzgerald, The Great Gatsby

Name: Cameron Page
 Pastoral Group: B2
 Started at Dominic College: 7
 Favourite moments: If my friends weren't there everyday I went to school, I probably wouldn't enjoy it anywhere near as much as I have. Most of them are smart, helpful and very funny. They make the woeiful days good! I've received mostly fantastic teachers across all my subjects and my years at Dominic. They made doing work a bit more bearable, and certainly helped whenever I actually dropped my nerves and got around to asking them for help.
 Ambitions or goals: I've always wanted a career involving creativity. I found a certain joy in making my own music, games and movies. There are certain messages that I wish to get across, but I never know how to express them. I've found a certain comfort in presenting my messages and concerns with the world through music, games, movies and artwork. I hope to one day secure a career in one or all of these.
 Favorite Quote: 'Get Busy Living, Or Get Busy Dying' Stephen King

Name: Amber Nagy
 Pastoral Group: G5
 Started at Dominic College: Kindergarten
 Favourite moments: I am grateful for the amazing opportunities that I have been given during my 12 years at Dominic such as the NT trip and the marine camp. I would like to thank Mr Brennan for opening up his classroom to us for three years at recess and lunch, Mr Davey, Ms Cunningham, Miss Brownrigg, Miss Farr, Ms Myers and Mr Reinbach. I wouldn't be the person I am today if it wasn't for all the friends who I've met along the way.
 Ambitions or goals: I aim to do well in college and make it to university to become a vet or zoologist and work with animals, or become a sports teacher.
 Favorite Quote: 'Don't worry about failures, worry about the chances you miss when you don't even try.' Jack Canfield

Name: Adam Palmer
 Pastoral Group: V2
 Started at Dominic College: 6
 Favourite moments: Everything is great at Dominic. The chess club with Mr Swan and Mr Pritchard was enjoyable and made me like chess more. Meeting new friends at this school was good from Year 6 to Year 10.
 Ambitions or goals: After College I'd like to be the owner of a parkour training gym.
 Favorite Quote: 'Find a place inside where there's joy, and the joy will burn out the pain.' Joseph Campbell

Name: Will Parkinson
 Pastoral Group: 7
 Started at Dominic College: 7
 Favourite moments: My all time favorite memory of my entire 1460 days at Dominic College was building a mad ting fort on the abyss with the man himself Lochie Baconator. Drama was also pretty good over the years and thanks to the big MOB (Mr O'Brien) for putting up with my shenanigans.
 Ambitions or goals: My ideal plan is to go to NIDA after I complete Year 12. From there on I guess we'll just see what happens.
 Favorite Quote: 'You are by far the best captain Dominic has ever seen.' Lochie Bacon, 2018

Name: Connor Reeve
 Pastoral Group: S2
 Started at Dominic College: Kindergarten
 Favourite moments: I'm thankful for all the opportunities and support the College provided me throughout the years. I've met some amazing friends who have supported me and given me amazing memories.
 Ambitions or goals: I wish to gain an apprenticeship or join the police force after I finish my education.
 Favorite Quote: 'Hard work beats talent' Jake Paul

Name: Athos Pavlides
 Pastoral Group: B3
 Started at Dominic College: Prep
 Favourite moments: I am thankful for everybody I have met throughout my time at Dominic. I am most thankful for those with whom I have made awesome memories. I can't wait for plenty more to be made. Special thanks to Mr Cardamatis. You have been such a fantastic homeroom, history and religion teacher. Hands down one of the best teachers at Dominic. Thanks to all my other teachers also; you're all great!
 Ambitions or goals: I really want to travel, to America, Greece, Italy and Spain. I'd like to go to uni - I'm unsure what I'll do there. But I know I'll figure it out.
 Favorite Quote: 'With great power, comes great responsibility.' Ben Parker

Name: Campbell Rhodes
 Pastoral Group: S3
 Started at Dominic College: Kindergarten
 Favourite moments: Dominic has given me the opportunity to meet amazing new people and a chance to better myself. My close friends are important. I am grateful for the opportunity I have been given which has shaped me to be the person I am today.
 Ambitions or goals: I want to finish college and then find a career doing something in the sporting world.
 Favorite Quote: 'I'm living a dream I never want to wake up from.' Cristiano Ronaldo

Name: Olivia Peters
 Pastoral Group: B4
 Started at Dominic College: Kindergarten
 Favourite moments: My highlights would be all the sporting carnivals throughout the years, and the camps we have had the opportunity to go on, especially the Year 9 Northern Territory trip which was an amazing experience and created many of my best memories. I am very grateful for the teachers who encouraged me, helped me and pushed me to do my best. I cherish the special friendships that will last forever.
 Ambitions or goals: I hope to go to university and become a PE teacher and have a happy and successful life.
 Favorite Quote: 'In order to succeed, your desire for success should be greater than your fear of failure.' Joshua J. Marine

Name: Georgina Richardson
 Pastoral Group: B5
 Started at Dominic College: 7
 Favourite moments: The most memorable was the 2018 Japan Trip. Exploring the culture, making new friends and putting Japanese learning into practice. Kumashiro sensei had made a huge impact on my learning and future. Year 10 English has also been another of my highlights. Mrs Marcenko is an engaging teacher who has encouraged me to develop my writing skills and explore my imagination. In Year 8, I went on Melbourne Writers' Festival trip. But, the best part would be all the friends I have made, as well as good teachers who have given me a reason to come to school each and every day.
 Ambitions or goals: I hope to study Bachelor of Nursing, as well as continuing Japanese. To become a Humanitarian Nurse helping in third-world countries. Outside of my career, I would love to travel and I dream of living abroad, possibly in Japan.
 Favorite Quote: 'Travel as much as you can, as far as you can, as long as you can. Life is not meant to be lived in just one place.' Unknown

Name: Joshua Phillips

 Favourite moments: Agrifoods was good.
 Ambitions or goals: I'm going to go to TAFE and complete my certificate in horticulture.
 Favorite Quote: 'We are never fighting alone. Get up, get going, I'll meet you there.' Monty Oum

Name: Lachlan Riddell
 Pastoral Group: V5
 Started at Dominic College: Kindergarten
 Favourite moments: I've had so many great teachers such as Mr Scanlon, Mr Roberts, Mrs Hanslow, Miss Durbridge and Mrs Kinne all five who changed me for the better in different ways. I love all the things that I have achieved at this school such as Robocup with my friend Blake, getting my MyState Film Festival video in 2017 on YouTube, and getting highly commended at the Royal Hobart Show for my photography. I will miss this school.
 Ambitions or goals: What I plan to do in the future is to further involve myself in the media industry with my current job at Edge Radio and get into media related jobs. Also to continue on with my Music Producing and DJing. Hopefully one day get a house and start a family.
 Favorite Quote: 'Being human totally sucks most of the time. Video Games are the only thing that make life bearable.' Ready Player One

Name: Connor Riza
Pastoral Group: S4
Started at Dominic College: Kindergarten
Favourite moments: I have been at Dominic College for twelve years, and I am grateful for the education that I have been given. My favourite teachers have been Mr Roberts, Mr Scanlon, Mr Williams, Mr Harris and Ms Durbridge. My favourite memories have been meeting all the friends and the Media, the Animal Husbandry, work experience and the Year 6 Canberra trip. I am most grateful for the opportunities including school camps and carnivals.
Ambitions or goals: I hope to complete an apprenticeship as a diesel mechanic and one day hope to own my own business and work in the automotive field. I wish to have a healthy and happy life and travel.
Favorite Quote: 'Logic will get you from A to B. Imagination will take you everywhere.' Albert Einstein

Name: Benjamin Scott
Pastoral Group: S3
Started at Dominic College: 4
Favourite moments: I will always remember my time here at Dominic. All my friends are great and I will miss them deeply.
Ambitions or goals: I hope to gain a trade in glazing and travel to Europe.
Favorite Quote: School: $2+2=4$. Homework: $2+4+2=8$. Exam: Omar has 4 apples, his train is 7 minutes early, calculate the mass of the sun.

Name: Christine Robinson
Pastoral Group: S5
Started at Dominic College: 7
Favourite moments: Dominic College gave me many opportunities such as OzBosco. It was a wonderful experience, making new friends, playing games, going shopping. Another one of my highlights would be Elective Dance. We danced in the cistedsfods, the Music & Dance Showcase and at the Creative Arts Festival. Although I'm not a great dancer, this built my confidence. I'm proud to be called a Dominic College student and I would like to thank all the friends I made and the teachers who got us through.
Ambitions or goals: I hope to go to a university and become a paramedic or a pediatric nurse. I want to be able to help people, as well as work with children. I would like to travel around the world, visiting many beaches along the way.
Favorite Quote: 'You do not just wake up and become the butterfly, growth is a process' Rupi Kaur

Name: Jessica Shelverton
Pastoral Group: V3
Started at Dominic College: 7
Favourite moments: My time at Dominic College has been extremely memorable, such as the Year 7 camp, the Year 9 retreat, becoming sports captain and my amazing home room that I will love forever. I would like to thank Mrs O'Leary for being there through all my ups and downs in high school and my amazing friends.
Ambitions or goals: I hope to go to University and study nursing. I would love to work in the Pediatric Ward at a hospital. I also hope to travel around Europe and America after finishing my university degree.
Favorite Quote: 'What's the deal with airline food?' ERC Spring 2018

Name: Natalie Roland
Pastoral Group: B5
Started at Dominic College: 7
Favourite moments: I had a blast with the friends I have made and will continue to have for the rest of my life.
Ambitions or goals: I aim to graduate and join the Defence Force for a gap year. I'd like to join the airforce, or get an apprenticeship as a pastry chef or join the police force.
Favorite Quote: 'You will never know the value of a moment, until it becomes a memory.'

Name: Abbi Smith
Pastoral Group:
Started at Dominic College: 7
Favourite moments: I loved the Marine Studies Camp because we got to go about on the boat, fishing and the touch tank. My favourite teachers were Mrs Agius and Mr Williams.
Ambitions or goals: I hope to work as a vet nurse or in child care with foster children.
Favorite Quote: 'If you want to be happy you must be true to who you are.'

Name: Katelyn Sayer
Pastoral Group: S2
Started at Dominic College: 7
Favourite moments: When I came here I had no friends and was pretty lonely, having ended up with a lot of fake friends from primary school. I am grateful to Dominic College for having me, and for the opportunities given to me and the room they have given me to grow. Thank you for the support from teachers and students throughout the four years I have attended this school.
Ambitions or goals: I hope to go to UTAS and complete a Bachelor of Education (Primary) and become a primary school teacher.
Favorite Quote: 'Its okay to not be okay. But please talk to someone if you aren't feeling 100%.' Various

Name: Calyani Smith
Pastoral Group: S3
Started at Dominic College: 7
Favourite moments: I am very grateful for the amazing friends I found at Dominic. Along with teachers like Mrs Fraser, Miss Brownrigg, Mrs Kumrai and Mrs Jeffery, they have helped to make my four years at Dominic unforgettable. I have had the privilege of sharing so many memories and jokes with my friends and they have helped me to grow into the person I am today, someone who has gained courage and the voice to speak up for others and myself.
Ambitions or goals: My ambitions include travelling the world, exploring new places and becoming a voice for those in need.
Favorite Quote: 'Personally, coming out was one of the most important things I've ever done, lifting from my shoulders the millstone of lies that I hadn't even realized I was carrying.' Ian Mckellen

Name: Maddison Smith
 Pastoral Group: S5
 Started at Dominic College: 7
 Favourite moments: A few highlights for me have been OzBosco, the Relay For Life, and getting the opportunity to perform in the Eisteddfods. Being fortunate enough to receive the Year 8 dance award was a huge achievement for me. SYDC holds a place in my heart, I was so proud to be your VP. I would like to thank Miss Brownrigg, for keeping it real, and being my support the last two years, I honestly believe I wouldn't be the person I am today without you. Tanya and Danni, have fun making money without us next year, it's been money well spent.
 Ambitions or goals: My dream is to continue to volunteer as a mentor and help children who are less fortunate than myself. While volunteering I hope to go to University and study a field of medicine or sports psychology.
 Favorite Quote: 'My assignments might not be done, but I sure am.' Mona Lott

Name: Rowan Sullivan
 Pastoral Group: V1
 Started at Dominic College: 7
 Favourite moments: I have loved making special moments and meeting new friends.
 Ambitions or goals: I look forward to facing new adventures in life.
 Favorite Quote: Number one runner coming through.

Name: Mathew Sojan
 Pastoral Group: S3
 Started at Dominic College: 7
 Favourite moments: Dominic College was a unique and unforgettable journey of opportunities, friends and memories, obstacles, support, achievements, and gratitude. I have experienced highlights and funny moments I will never forget, such as sporting teams, Year 8 camp, Year 8 Rock and Water, and Year 9 Abyss. I had a great learning experience, especially because of the dedicated and supportive teachers who I would like to thank and acknowledge. These include, Mr Harris, Mr Lapolla, Mr Reinbach, Mr Brennan, Mr Parkin, Mr Davey, Mr Pritchard, Mrs O'Leary, Mrs Kumrai, Mrs Marcenko, and Mrs Fraser. All the laughs, friends, memories, and joy made here is something I will definitely miss.
 Ambitions or goals: I aspire to go to university and complete a master's or doctoral degree in a course depending on my interest at the time. I also wish to travel and explore the world with my friends and live a happy life in general.
 Favorite Quote: 'They say you are what you eat, but I don't remember eating a goat.'

Name: James Temple
 Pastoral Group:
 Started at Dominic College: 6
 Favourite moments: There have been many great memories, especially in Homeroom and with friends. Thank you to my teachers.
 Ambitions or goals: I hope to discover my passions and ambitions soon.
 Favorite Quote: 'Be slow to pass judgment.' Don Bosco

Name: James Stansbie
 Pastoral Group: V3
 Started at Dominic College: 7
 Favourite moments: My best experiences at school were being involved in the drama productions for Dominic College because it was something I never thought I would do. Being in a production with people who share your enthusiasm for creating something amazing for others to enjoy is very satisfying and rewarding. I would like to thank Mr O'Brien for helping develop my drama skills and increasing my confidence in my own abilities. I would also like to thank Mr Kress who has undoubtedly made me better at English and he helped me find a new interest that I intend to pursue later in life.
 Ambitions or goals: I am considering going on the camp for the Australian Armed Forces for a year after college and if by the end of that I don't wish to pursue a career in the Army then I will go to university to study media.
 Favorite Quote: 'Don't be sorry, be better' - Unknown

Name: William Thompson
 Pastoral Group: B2
 Started at Dominic College: 7
 Favourite moments: Mr Fulton for being a lad in homeroom. He's the best homeroom teacher out there.
 Ambitions or goals: I still haven't found what I want to do with my life.
 Favorite Quote: 'Nothing is true, everything is permanent.' Ubisoft, Assassins Creed

Name: Jake Stevenson
 Pastoral Group: V4
 Started at Dominic College: 7
 Favourite moments: I am grateful to Dominic College especially Mr Mangione for being a great teacher in woodwork and metalwork. This has given me the opportunity to gain an apprenticeship when I leave school this year.
 Ambitions or goals: I hope to complete my construction apprenticeship and in the future I would like build my own house.
 Favorite Quote: The road to success is always under construction.

Name: Joshua Titmus
 Pastoral Group: B4
 Started at Dominic College: Kindergarten
 Favourite moments: I am grateful for the opportunity I was given to be able to express myself creatively. Also thankful for Tanya for always giving me food when I'm out of money.
 Ambitions or goals: I hope one day I can produce something that others will watch and enjoy.
 Favorite Quote: 'If death is what it seems, why is it so vividly portrayed within my dreams?' Jahseh Onfroy

Name: Jack Triffett
 Pastoral Group: V4
 Started at Dominic College: 7
 Favourite moments: In my time at Dominic I have been given many opportunities to represent the College. My biggest contribution was in sports: I played AFL, soccer, touch football, futsal and cricket. I have met many new friends during my time here, and have made friendships that will last a lifetime. I'd like to thank all of the teachers, especially Mrs Marcenko, Mr Mangione and Mr Harris for the immense support they have given me. I thank Dominic for all it has given me.
 Ambitions or goals: My future ambition is to go on to finish college. I then hope to gain an apprenticeship in carpentry and eventually become a fully qualified carpenter. I would also one day like to travel around Australia.
 Favorite Quote: 'Let your ambition carry you.'
 Travis Scott

Name: Samuel Walker
 Pastoral Group: G2
 Started at Dominic College: 7
 Favourite moments: Loved the camps and the Year 8 camp especially. Grateful to have been a Sports Captain.
 Ambitions or goals: I want to be a builder.
 Favorite Quote: 'Three choices in life: give up, give in or give it your all.' Dwayne Johnson

Name: Sophie Valentine
 Pastoral Group: V5
 Started at Dominic College: Kindergarten
 Favourite moments: All the laughs and all the memories with the people who I've met and with whom I've become friends. OzBosco was also one of my highlights, one of the best experiences I've ever had. Also coming in every morning and seeing my favourite teacher, Mr Harris. Mr Wright was and always will be a highlight of my school years.
 Ambitions or goals: My ambition is to be happy and as cool as possible.
 Favorite Quote: 'Athlete turned mathlete.' Mr Harris

Name: Oliver Wareing
 Pastoral Group: S2
 Started at Dominic College: Kindergarten
 Favourite moments: It could have been worse. Most teachers were nice. We had great performance opportunities in Creative Arts.
 Ambitions or goals: I aim to have stories of my own to tell so others may get something from them.
 Favorite Quote: 'Life is a thorn in the ass but it's your thorn in the ass. You will have your bad moments, your terrible moments, your sad moments. But it does not matter. Live with it the way you want to because it's yours, no one else's and you only have one so enjoy your thorn in the ass.' Oliver Wareing

Name: Sophie Van Tienen
 Pastoral Group: G5
 Started at Dominic College: 7
 Favourite moments: I am very thankful for all of my teachers and everything they have taught me throughout my years at Dominic. I am also very thankful for all of the opportunities and events. In the Animal Husbandry class I've been able to participate in festivals and shows where my animal has placed and I have been able to use the experience to help me in applying for a job I now have. There are a few memorable teachers that have really stood out for me that I'd like to thank, Mr Brennan, Mr Lapolla, Mr Cardamatis, Mrs Kumrai, Ms Myers, Mr Parkin and Mr Reinbach.
 Ambitions or goals: I hope to go to university and study to become a doctor. I then hope to specialise and become a Cardiovascular Surgeon.
 Favorite Quote: 'Never trust a duck.' Cassandra Clare, Clockwork Angel

Name: Kearna Warren
 Pastoral Group:
 Started at Dominic College: 5
 Favourite moments: I really enjoyed my time at Dominic College as I have made a lot of great friends. Playing netball was something fun to do after school. My most enjoyable and memorable time would be when I went to the Northern Territory.
 Ambitions or goals: I hope to one day work with children.
 Favorite Quote: Believe you can, and you're halfway there.

Name: Joshua Vizcarra
 Pastoral Group: V5
 Started at Dominic College: 10
 Favourite moments: In this school I have access to many fun, learning opportunities. Recently, I went on the Year 10 trip in Japan and learned various cultural practices and conversed with many Japanese students. Many teachers are always willing to lend a hand in any situation and there are an abundance of learning resources to assist with my education.
 Ambitions or goals: I hope to go to university and find out what I want to do. Entrepreneurship interests me and I want to fly all over the world when I am older.
 Favorite Quote: 'This ain't it chief' Chief

Name: Skye Webb
 Pastoral Group: G5
 Started at Dominic College: 7
 Favourite moments: I love being a part of the Dominic community. I love the environment here and the support the teachers have given me. Miss Brownrigg has been my biggest support and I cannot thank her enough. She believed in me even when I gave up on myself and she helped me to push through and to be where I am today.
 Ambitions or goals: I aim to complete a VET course in Cert II as a salon assistant and get a school based apprenticeship in hair dressing. Once I complete my studies I aim to go into a full time job as a hairdresser and maybe one day even open up my own salon.
 Favorite Quote: Be bold enough to use your voice, brave enough to listen to your heart, and strong enough to live the life you've always imagined.

Name: Bradley White
 Pastoral Group: G1
 Started at Dominic College: 7
 Favourite moments: Mrs Agius is a cool teacher.
 Ambitions or goals: Still to find my goals. Maybe to create the best memes in the world.
 Favorite Quote: I would have gotten away with it too if it weren't for you meddling kids.

Name: Campbell Wood
 Pastoral Group: G3
 Started at Dominic College: Kindergarten
 Favourite moments: I am extremely grateful for Mr Davey and Miss Brownrigg because they have helped me through my tough times. I am also very grateful for Mr Brennan and Mrs Palermo for being my homeroom teachers and making homeroom so much more awesome. The highlights are the drama productions in Year 9 and 10, also playing table tennis in Year 8 and half of Year 9. Mr O'Brien made drama fun to learn and performing in front of lots of people was exciting. When Fr Peter was at Dominic he made me a really good table tennis player. I am grateful beyond words to Dominic College because it has taught me everything I know and love. It has given me all my friends, my relationships, my knowledge, my laughs, my job and most importantly my memories.
 Ambitions or goals: I hope to care for old people through caring or nursing.
 Favorite Quote: 'Comfort is the enemy of achievement' Farrah Gray

Name: Renae Wiggins
 Pastoral Group: B3
 Started at Dominic College: Prep
 Favourite moments: The Year 9 Northern Territory trip and the Year 10 Japan Study Tour were both amazing experiences and I gained knowledge of different cultures and religions. I would like to thank all the teachers for helping me though the past four years. In particular thank you to Mr and Mrs Davey, Mr Cardamatis, Mrs Fraser, Miss Farr, Miss O'Neill, Mr Brennan, Ms Gilligan and Mrs Marcenko.
 Ambitions or goals: My ambition in life is to finish college and get into the police force, I would also like to travel and have a happy, healthy family.
 Favorite Quote: 'The more that you read, the more things that you will know. The more that you learn, the more places you'll go.' Dr. Seuss

Name: Dylan Woodberry
 Pastoral Group: V5
 Started at Dominic College: 10
 Favourite moments: Since I have been at Dominic College I have been grateful for all the friends that I have and how they accepted me into their group. Although we didn't see eye to eye all the time I would like to thank Mrs Fraser for being such a great teacher and for the laughs.
 Ambitions or goals: I hope to get an apprenticeship in carpentry or joinery and carry out my life dream of becoming a builder. Thanks to Mr Mangione this has all now become possible for me.
 Favorite Quote: 'Ask any racer. Any real racer. It don't matter if you win by an inch or a mile. Winning's winning.' Dom Toretto

Name: Aynee Williams
 Pastoral Group: V2
 Started at Dominic College: 7
 Favourite moments: I am very grateful for my time at Dominic and to have been a captain in my last year alongside some of my greatest friends. My amazing friends have truly made school the best. I would like to thank Mr Mangione and all of V2 for continuously making me smile every morning. Homeroom will be one of the things I miss most. One of my best memories is the Northern Territory trip which is an experience I cherish. The teachers who have had the biggest impact on me are Miss Hewitt, Mrs Jeffery, Mr Harris and Mrs Fraser for always being there for me. I really appreciate all you have done. I am glad I came to Dominic I will be forever grateful.
 Ambitions or goals: My ambition is to go to university on the mainland and study law, psychology and criminology. I hope to travel and see as much of the world as possible.
 Favorite Quote: 'If you were born with the weakness to fall, you were born with the strength to rise' Rupi Kaur

Name: Alex Wilson
 Pastoral Group:
 Started at Dominic College: Kindergarten
 Favourite moments: Thanks to Mrs Fraser, Thomas, AgriGang, B5, Samantha, Riley. Thanks Ms Gilligan and Mr Davey for keeping me in check throughout the year.
 Ambitions or goals: I hope to find happiness and finish school.
 Favorite Quote: 'I wish I was Alex Webb.' Lochie Bacon, 2015
