INTERNATIONAL STUDENT & PARENT HOMESTAY AGREEMENT

I/we, have read and familiarised myself / ourselves with the following information located in the Homestay Student Handbook:

- Duty of Care Statement
- Homestay Student Code of Conduct

To be accepted into a school organized homestay, the International Student and his/her parents must sign their agreement to the following conditions:

- **Long term Students:** Homestay fees must be paid directly to the College **6 months in advance**.
- **Short term Students:** Homestay fees to be paid in full to the school at least one month before arrival in Australia.
- A reduced homestay fee must be paid when the student has returned to their home country during holiday periods.
- Students must abide by the school and homestay expectations for behaviour.
- Two weeks' notice must be given in writing to the school's International Student Coordinator if exceptional circumstances make it necessary for the student to move out of the school-arranged homestay. This may only be done with the approval of the school's Principal.
- Students must agree to participate in minor duties around the home as requested by homestay parents.
- Any problems with homestays must always be directed to the school's International Student Coordinator.

I / we agree to the above mentioned International Student conditions. I/We have read all the information in the International Student Handbook, Policies & Procedures Manual and the International Student Homestay Handbook and agree to follow the guidelines, policies and procedures outlined. We realise if things do not work out, the International Student Coordinator must be contacted in the first instance.
