Direct Debit Discount

From the start of 2017, all new families joining the school must pay School fees via direct debit. In an effort to encourage existing families to move over to this system, payment of fees by direct debit attracts a 5% discount on Tuition Fees.

Private Tuition Fees

Private music tuition is available at an additional cost, paid directly to the tutor.

Other Charges

Additional School charges include but are not limited to items such as camps, excursions, team sports and occasional extras for certain subject areas. You will be invoiced for these charges.

Building Fund

The Georges River Grammar Building Fund is an integral part of the School's operation. This tax-deductible fund allows the School to pay for the ongoing infrastructure development, maintenance and repair of buildings. The normal voluntary contribution to this fund is \$564.00 per annum (paid on a termly basis in the amount of \$188.00). The generosity of many families of our School community has ensured that we have been able to build and maintain excellent facilities for students and staff.

Payment of Fees

For families (who commenced prior to 2017) paying by methods other than direct debit, fees are payable within 14 days of the issue of fee statements.

P&F Levy

A P&F levy is charged in lieu of a variety of fundraising activities, in order to allow the P&F to focus on activities that support the School and its community. This is a compulsory fee.
