- 2nd Infringement: Incident report issued – If the student is in the Junior Learning Community or Senior Learning Community then the Behaviour is reported to the relevant Deputy of the Learning Community and the relevant Deputy Learning Community is to provide an infringement notice to the parent/carer.

In all cases the parents/carer will be notified of their child's infringement. In matters not specifically covered by this policy, College students will abide by the College Student Code of Behaviour.

BUS USER PICK UP AND DROP OFF PROCEDURES

- Students are to be at their designated bus stop on time prior to the scheduled bus arrival time. Should the student not be at the designated pick up point on time, then the bus driver will wait until the designated time and if the student fails to arrive then the bus will continue on the normal bus route. The College recommends calling the bus driver directly should the parent/carer be running late.
- Parents should provide a means of communicating with them should the bus be delayed. If the bus is delayed more than 20 minutes later than the scheduled designated time, please contact the bus driver directly on the bus mobile. In the case of a bus breakdown or unexpected delay the bus run will still be completed.
- Parents are advised not to leave their child to wait on their own. Parents/carers must contact the College by phone, email or in writing regarding any changes to pick up/set down arrangements of their child, this includes where a parent/carer does not accompany the child to the bus stop or the parent/carer allows the child to be dropped off at the bus stop on their own. In the situation where there is a Junior Learning Community (JLC) student, then with the parents/carer approval and with the prior agreement of the College then the older JLC student is allowed to accompany the younger JLC family sibling at the bus stop to wait for the arriving bus. With the agreement of all parties, this arrangement of the older JLC students accompanying the younger JLC family sibling could also apply when bus drops off the particular JLC family members at their designated bus drop off point.
- Parents are advised that Junior Learning Community students should be met at designated stops other than residential addresses. Where a parent has arranged to meet a child at a stop and is unexpectedly delayed, the bus will wait up to 3 minutes and try and contact the parent/carer. If this is unsuccessful, then the bus will continue with its run returning the child to the College for collection. The child will be returned to after school care program and a fee will be incurred by the parent/carer and charged to the student's account.
- When you apply for your child to travel on a bus you must click that give permission for Hillcrest Christian College and their Bus Driver to drop the JLC student at the designated drop off/pickup locations on the occasion that the parents/carer are unable to meet the child's bus. If permission is not given by the parent/carer then the bus driver will attempt to contact the parents/carer mobile phone and if that is unsuccessful then the JLC student will return to the College's after school care program and costs will be incurred and charged to the student's account
- Children will not be allowed to get off the bus at a location different to the pre-arranged location with parents/carer, unless the College has been notified of that change by phone, email or in writing.
