Dear Parents and Carers,

Re: Year 10-12 Exam Shutdown (Term 1) - Thursday 28 March to Wednesday 3 April

Please find overleaf, the Assessment Schedule, dates and further details regarding the Year 10-12 Exam Shutdown period for Term 1. All Year 10-12 students will have access to 'Full Study Leave Rights' from Thursday 28 March until Wednesday 3 April. This means that they are only required to be at school if they are writing an exam, conducting a presentation or performance, or submitting a physical assignment. Misuse of 'Study Leave Rights' will result in the potential loss of this privilege. Students that are on campus will have access to the Resource Centre for study purposes.

Students are required to follow the following procedures for Exam Shutdown days:

- Students will have their names marked on the roll at the assessment sessions, and are not required to attend Life Group.
- At the end of the morning session, students that are departing will need to sign out at the Senior Learning Community Office.
- Students arriving for the afternoon sessions will need to sign in at the Senior Learning Community Office, and then proceed directly to their assigned rooms.
- Students that remain on campus are to go to the allocated Study Rooms.
- All afternoon assessment sessions will finish at 3:00pm and students will not be able to sign out early.
- Students need to be at their sessions 15 minutes before the start time with all the correct equipment.
- Students are encouraged to bring study material/reading book with them to their sessions.

Rescheduled Exams

If a student misses an exam or has a scheduling clash, they are required to submit an online 'Application to Reschedule Exam' form. An instruction video on how to access this form was emailed home to SLC parents and students Wednesday 13 March. If the absence is due to illness, a medical certificate is to be provided. There will be a catch-up exam session during the week. Should you have any concerns regarding submitting your online application, please contact Mrs Holliday bholliday@hillcrest.qld.edu.au in the Senior Learning Community Office.

Specialist Tutoring Sessions

Tutors are available for Math, Science, English & Humanities subjects throughout the exam days. Please refer to schedule below.

Kind regards
