Health and Safety

The school has written processes in place about the health and safety of its staff and students in accordance with relevant workplace health and safety legislation¹.

Responding to Reports of Harm

When the school receives any information alleging 'harm'² to a student (other than harm arising from physical or sexual abuse) it will deal with the situation compassionately and fairly so as to minimise any likely harm to the extent it reasonably can. This is set out in the school’s Child Risk Management Strategy. Included in the consideration of how this should best be dealt with by the school, reference needs to be made to the school’s Code of Conduct for Staff, the Student Behaviour Management Policy and Procedures, Anti-bullying and/or anti-harassment policy, and external support agencies depending on who is alleged to have caused the harm and where it is alleged to have occurred.

¹ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.15*

² *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(7)*: the definition of 'harm' for this regulation is the same as in section 9 of the *Child Protection Act 1999 (Qld)*

The incident reporting template (Appendix 1) should be completed and forwarded to the relevant staff member best placed to deal with such reports. If in doubt, the appropriate person to receive the report is the school's Principal. In instances where the Principal is the person alleged to have caused the harm, the report should be forwarded to a member of the school's governing body.

Conduct of Staff and Students

All staff, contractors and volunteers must ensure that their behaviour towards, and relationships with students reflect proper standards of care for students. Staff, contractors and volunteers must not cause harm to students³. The school's Code of Conduct for staff outlines the behavioural expectations in this regard.

Reporting Inappropriate Behaviour

If a student considers the behaviour of a staff member to be inappropriate, the student should report the behaviour to:-

- relevant Head of School

or

- Principal

Dealing with Report of Inappropriate Behaviour

A staff member who receives a report of inappropriate behaviour must report it to the Principal. Where the Principal is the subject of the report of inappropriate behaviour, the staff member must inform a member of the school's governing body⁴. Reports will be dealt with under the school's Dispute Resolution/Complaints Handling Policy and/or Procedures.

Reporting Sexual Abuse⁵

Section 366 of the *Education (General Provisions) Act 2006* states that if a staff member becomes aware, or reasonably suspects in the course of their employment at the school, that any of the following has been sexually abused by another person:

- a) a student under 18 years attending the school;
- b) a pre-preparatory aged child registered in a pre-preparatory learning program at the school;
- c) a person with a disability who:-
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school;

then the staff member must give a written report about the abuse or suspected abuse to the Principal or to a director of the school's governing body immediately.

³ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(1)*

⁴ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)*

⁵ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)(c)*

The school's Principal or the director of the school's governing body must immediately give a copy of the report to a police officer.

If the first person who becomes aware or reasonably suspects sexual abuse is the school's Principal, the Principal must give a written report about the abuse, or suspected abuse to a police officer immediately and must also give a copy of the report to a director of the school's governing body.

A report under this section must include the following particulars:-

- a) the name of the person giving the report (the *first person*);
- b) the student's name and sex;
- c) details of the basis for the first person becoming aware, or reasonably suspecting, that the student has been sexually abused by another person;
- d) details of the abuse or suspected abuse;
- e) any of the following information of which the first person is aware:-
 - i. the student's age;
 - ii. the identity of the person who has abused, or is suspected to have abused, the student;
 - iii. the identity of anyone else who may have information about the abuse or suspected abuse⁶.

The reporting form attached as Appendix 1 is consistent with these requirements.

Reporting Likely Sexual Abuse ⁷

Section 366A of the *Education (General Provisions) Act 2006* states that if a staff member reasonably suspects in the course of their employment at the school, that any of the following is likely to be sexually abused by another person:-

- a) a student under 18 years attending the school;
- b) a pre-preparatory aged child registered in a pre-preparatory learning program at the school;
- c) a person with a disability who:-
 - i. under section 420(2) of the *Education (General Provisions) Act 2006* is being provided with special education at the school; and
 - ii. is not enrolled in the preparatory year at the school

then the staff member must give a written report about the suspicion to the Principal or to a director of the school's governing body immediately.

The school's Principal or the director of the school's governing body must immediately give a copy of the report to a police officer.

⁶ *Education (General Provisions) Regulation 2017 (Qld) s.68*

⁷ *Education (Accreditation of Non-State Schools) Regulation 2017 (Qld) s.16(2)(c)*

If the first person who reasonably suspects likely sexual abuse is the school's Principal, the Principal must give a written report about the suspicion to a police officer immediately and must also give a copy of the report to a director of the school's governing body.

A report under this section must include the following particulars:-

- a) the name of the person giving the report (the *first person*);
- b) the student's name and sex;
- c) details of the basis for the first person reasonably suspecting that the student is likely to be sexually abused by another person;
- d) any of the following information of which the first person is aware:-
 - i. the student's age;
 - ii. the identity of the person who has abused, or is suspected to be likely to abuse, the student;
 - iii. the identity of anyone else who may have information about suspected likelihood of abuse⁸.

The reporting form attached as Appendix 1 is consistent with these requirements.

Reporting Physical and Sexual Abuse where the child may not have a parent able and willing to protect them from the harm.⁹

Under Section 13E (3) of the *Child Protection Act 1999*, if a doctor, a registered nurse, an early education and care professional or a teacher forms a 'reportable suspicion' about a child in the course of their engagement in their profession, they must make a written report.

A **reportable suspicion** about a child is a reasonable suspicion that the child: -

- a) has suffered, is suffering, or is at unacceptable risk of suffering, significant harm caused by physical or sexual abuse; and
- b) may not have a parent able and willing to protect the child from the harm.

The doctor, nurse, early education and care professional or teacher must give a written report to the Chief Executive of the Department of Communities, Child Safety and Disability Services (or other department administering the *Child Protection Act 1999*). The doctor, nurse, early education and care professional or teacher should then give a copy of the report to the Principal.

A report under this section must include the following particulars:-

- a) state the basis on which the person has formed the reportable suspicion; and
- b) include the information prescribed by regulation, to the extent of the person's knowledge¹⁰.
