

## Immanuel Lutheran College – Outside School Hours Care

### Term 2 After School Care Program 2017

**Please note:** This program acts as a guide throughout the weeks and the children are always able to choose whether they would like to participate in the scheduled activities or participate in freely chosen play promoting a sense of agency.

#### **Aim: Week 1: 17-21 April**

This week is the children's first week back of term and as a result we have decided to have a children's choice week. Educators will provide a range of resources including sewing kits, scratch boards, ball games at the blue courts and tag games in the hall for children to participate in if they choose. The activities this week allow children to develop a sense of agency.

| Day:      | Activity:                         |
|-----------|-----------------------------------|
| Monday    | EASTER MONDAY PUBLIC HOLIDAY      |
| Tuesday   | Craft (sewing and scratch boards) |
| Wednesday | Blue courts and hall              |
| Thursday  | Free play                         |
| Friday    | Free Play                         |

#### **Aim: Week 2: 24-28 April**

ANZAC Day is on Tuesday this week and as a result we have decided to do ANZAC based activities and discussions throughout the program. We will be making slouch hat and poppy craft, cooking ANZAC biscuits and listening to an online story about marching on ANZAC Day and then talking to the children about whether they attended at service and marched. These activities allow children to broaden their understanding of the world in which they live and acknowledge the sacrifice that soldiers made and continue to make to allow us to leave in peace.

**Aim: Week 3: 1-5 May**

Children were asked at the beginning of this term about the activities they would like to participate in throughout the term and a common theme was sports related activities. This week we will be offering a handball tournament, running races on the oval, yoga run by our educator Zoe (a qualified yoga instructor) and an opportunity for children to practice their gymnastics skills including cartwheels, handstands and bridges in the hall using soft fall mats. These activities allow students to become increasing responsible for their own health and physical wellbeing.

**Aim: Week 4: 8-12 May**

This Sunday is Mother's Day so we will be completing Mother's Day activities at OSHC this week. A child request was to make chocolate chip cookies and we felt this would be perfect to share with our Mum's. We will also be doing Mother's Day craft making flower bunches using patty pans and pipe cleaners and creating handmade Mother's Day cards to take home. Children are confident and involved learners throughout these activities and can use their imagination and creativity to create something special for their Mums.
