Shane Hill Memorial Rugby Scholarship

Shane Hill was a student of Immanuel College who was tragically killed in a work accident shortly after leaving school. He has a real passion for Rugby and in his memory his family have generously donated this scholarship. It is open to Year 8 & 9 students who have a passion for Rugby, just as Shane had. The recipients (usually two) will be given the opportunity to attend a week long Rugby Training Camp over the Christmas Vacation. All that is required is that you write in 50 words or less why you would be a worthy recipient of such a prestigious award.
