TRANSPORT CHANGES

There are some very significant changes being planned to ACT school bus services from 2019 onwards. Travel to and from school on designated school services has long been important for large numbers of our students. We are currently working with Transport Canberra to ascertain exactly how these changes to school bus services will affect Marist students from 2019. When we have greater clarity surrounding the proposed changes, we will communicate with all parents so that there will be ample time to prepare for what is likely to be a significant change to school services to and from the College.
