- Wed 25 September: 8.00am - 1.30pm
- Thurs 26 September: 12.30pm - 5.30pm (last day of trade for Term 3).

SUMMER SPORT REGISTRATION REMINDER

Summer sports registration are open for **Cricket** and **Rowing**. Both Clubs have online registration so please check club websites. It is a parent's responsibility to ensure your son is registered by the closing date of that club. Not registering your son by these dates may mean your child is unable to be placed into a team for the coming season. If a student elects to play one of these sports, it is a clear expectation and requirement of the College that he does so for Marist.

Cricket Club Trials

Grading trials will be held at Cricket ACT's indoor centre in Phillip on **Sunday 15 September**. Only players who wish to be considered for Division 1 are required to attend these trials. All other players will be placed in teams with their peers. Players must be registered before they can be placed in teams. [Click here](#) for more information.

MARIST WALKATHON 2019

The College and 2019 Walkathon Committee would like to extend our sincere thanks to the many parent volunteers who assisted with cooking 3,500 sausages and 45 kgs of onions and then serving our hungry participants as they crossed the finish line. We were delighted to welcome back two Marist Old Boys, Tom Brewer (2017) and David Cordeiro (2018). Our volunteers worked tirelessly to have all the cards stamped at the five stamp points and getting the food ready in time for our fastest walker/runner. It is a massive combined effort which is made all the more rewarding when the boys thanked us as they collected their sausage sandwiches.

A special thank you to those parent volunteers who helped out at a stamp or check point during the Walkathon and to the volunteers that collected student's pledges for the two weeks following the Walkathon. We are grateful for you sharing your time with us.

SPORTS RESULTS

CALL FOR EMPLOYERS

We are currently seeking employers in the Construction industry to take on students for Work Experience and Australian School Based Apprenticeships. If you are in any trade and would like to offer an opportunity to one of our students please contact [Luke Croker](#).

EUROPEAN HISTORY TOUR 2020

The College's Social Science Department is excited to offer students in Years 9-12 an opportunity to experience an unforgettable journey to Europe in 2020 (June-July). [Click here](#) for more information.
