As the person enrolling the student at the College and in consideration of the College providing a Chromebook to the student, you will be responsible to the College as follows:

You will pay, in addition to the standard tuition fee, an IT levy which is intended to recoup to the College the cost of staffing and maintaining the Chromebooks. Refer to the tuition fees documents of the IT Levy cost that can be found on the Northside website under Enrolments>>Fees.

The College will arrange for any repairs. You will be required to pay for the repairs to the extent they have not arisen from reasonable wear and tear and to the extent they are not covered by insurance.

Please do not attempt to open or disassemble the Chromebook.

You will be required to pay any costs incurred for accidental repairs as detailed in the Chromebook Program Statement document.

It is highly recommended that the Chromebook is included in your household contents insurance as this will be the first point of call for a claim arising from total loss or theft. The normal statutory declaration will need to be completed in the case of any claim.

You must ensure that the student and any other persons who have possession of the Chromebook comply with the conditions of use set out from time to time in the Digital Policy provided by the College.

Please complete and sign the following and bring it along with you to the Help Desk to pick up the Chromebook.

Please circle your student's year level in 2019:

Year 7 Year 8 Year 9 Year 10 Year 11 Year 12

I have read and agree to abide by all the expectations listed above.
