

JUNIOR SCHOOL CO-CURRICULAR INVOLVEMENT

In the aim to develop the full potential of students, Ormiston College provides an extensive co-curricular program. It is an expectation of the College that students from Year 4 and onwards will participate in at least two co-curricular activities each year. Students who are involved in programs outside of the College are expected to prioritise their commitment to College programs.

The purpose of this form is to put forth an expression of interest for the co-curricular activities in which a student would like to participate.

BAYSIDE DISTRICT TRIALS

Throughout the year, students are eligible to trial for various district sporting teams (12 years) organised by Redlands District Primary Schools Sports. The District Team selection is required for Regional and then State team selection. Students interested in trialling for a spot in a District side must display a high proficiency in the skills required to play that particular sport. For a student to be selected in a District Sporting Team it is most likely they are the best player in their age in a school team or club team. Ormiston College is limited on the number of students who can trial and students will be invited to trial.

Please indicate below the sports your son or daughter would like to be considered for a spot to trial for the District Team. Ticking the box does not mean your son or daughter will go to the District Trial for these sports. Please note, Swimming, Cross Country and Track and Field selections are based on performances at the respective Interhouse carnivals.
