Giving

Nearly three decades ago a group of passionate families had a vision of a school that would provide the very best in education, whilst creating a community that would nurture and encourage achievement in a happy, caring environment. That small group of dedicated parents became the heart and soul of what is now the Ormiston College community.

Those families were the pioneers who ran fund raising events, bought their own spades and mowers to a small clearing of land, laid turf by hand and held many, many working bees. It was their determination, passion and strong sense of purpose that realised the dream and Ormiston College became a reality.

Since those very early days, the Ormiston College community has expanded, taking with it the same spirit of generosity. The Annual Giving program was launched in 2000 and the gifts made have allowed many of the developments on campus that we now take for granted. These include: Classroom Air Conditioning, Seating and Shade Structures, Sports Pavilion, Health Centre, Undercover Bus Shelter, Outdoor Kitchen.

Our Ormiston College community, be it past, current or prospective families all share a common bond – Ormiston College will always be 'your school'.

We would not be the school we are today without the generosity of our families. Please consider donating to our Annual Giving program; your desire to give means far more than the amount you donate.

In our quest to provide our children with the best possible learning environment, there are always more things we can do than money with which to do them. Funds raised from the appeals are directed towards those resources identified as most critically needed at the time.

OUR Current Project

Safety, care and protection are uppermost in our minds when it comes to provisions for our students. This year our Annual Giving program looks to improve the **Drop-off and Pick-up area in front of the Junior School.**

A large covered area is to be erected on Dundas Street West, providing wet-weather access and shelter. The purpose-built area will be appropriately landscaped with paths and shrubs to ensure ease of access as well as a pleasing drop-off and waiting area for our children.

Your donation, regardless of the level of the gift, can be directed to the Ormiston College Foundation, is fully **tax deductible**, and remains confidential. Pledges or substantial amounts payable over a period of years may be discussed with the Headmaster.

Thank You

for your support of the
ANNUAL GIVING PROGRAM
