

UNIFORM POLICY

THE SCHOOL UNIFORM & PERSONAL GROOMING EXPECTATIONS

The School Uniform is available from the School Uniform Shop.

It is expected that children come to School each day in correct uniform. Correct uniform must also be worn when travelling to and from School.

Primary School students are to wear their School Sports Uniform to and from School on the days that they have Physical Education lessons.

Middle School students are to wear their House Sports Uniform to and from School on the day that they have a House activity.

Students who have sport after lunch, or who may be in an after-school Co-Curricular activity that involves changing into Sports Uniform, may leave School in their School Sports Uniform.

At sporting matches and practices, at Physical Education and relevant Co-Curricular afternoon events, full Sports Uniform or other prescribed dress (such as whites for cricket) must be worn.

Personal Grooming

Students must meet the requirement that their dress and personal grooming reflect the high standards expected.

This is of particular importance when students are seen in uniform in the wider community. Students are also expected to maintain the code of dress and grooming on the sports field, or as spectators.

Hair must be neat, tidy and clean, and for boys should not fall below the collar line. Girls with hair below the collar line are to tie it back with hair ties and their head bands or hair ties should be French Navy or School Tartan and clips should be dark.

It is expected that students' hair styles are sensible and reflect the conservative and professional nature of the School. As such, mohawks, undercuts, crew cuts, shaves, spikes, wedges, ridges or any other unusual lines or shapes cut into the hair are unsuitable. Fringes must clear the eyebrow. Braided hair is not acceptable.

Students choosing to dye their hair should only do so in a natural hair colour.

Apart from a standard watch, or a plain medical alert bracelet, jewellery is not to be worn at School. In the event that girls have their ears pierced, one pair only of plain gold or silver studs

or sleepers, may be worn in the ear lobe. For boys, the above expectation outlined for girls regarding the wearing of earrings applies also; however, only one earring may be appropriately worn. Piercings on parts of the body that are not covered by clothing are not permitted. This includes the tongue.

Chains or necklaces are inappropriate wear. However, parents may in writing, seek permission for their child to wear a chain or a cross of special religious significance. Should the Principal grant permission, then they are to be worn inside the blouse or shirt on a chain long enough not to be readily visible.

- Visible tattoos are not permitted.
- Male students are to be clean shaven.
- Make-up is not to be worn.
- Fingernails are to be kept short and clean. Nail polish is not permitted and Acrylic finger nails are not to be worn.

Any student whose appearance is contrary to the dress and personal grooming expectations may be sent home until such time as their appearance meets the expectations of the School and assurances have been received from the student and his/her parents or guardians, that appropriate dress and grooming will be maintained in the future.
