I understand that the following conditions apply to the awarding of the Scholarship:

- Scholarships are tenable until the end of Year 12. Scholarship recipients are expected to remain at the College until they graduate from Year 12. Student and Parents are contracted to the College for the full period covering the Scholarship. Early departure will result in the full Scholarship amount received to date, being repaid to the College upon departure.
- All Scholarships are dependent on satisfactory behaviour, attitude and academic progress.
- The final decision to award a Scholarship will be made by the Principal. This decision is final and no discussion of the subject will be entered into.
- Identification of the student who is awarded the scholarship will not be made public or advertised as such.
- Results from the Scholarship testing either individual or group will not be made available to the parents under any circumstances.
